Landscape and Street Lighting District Assessment Adjustment (mail-in election authorization) <i>Initiated by: Council Direction Jul. 9, 2019</i>	Public Works Director	To be included in Revenue Strategy Study Session (March 3, 2022). PW staff has funding to prepare an assessment adjustment study and will advance that effort – it is anticipated that the study will take approximately 2 to 3 months to complete. If council agrees to advance the adjustment, it will need to go to a city-wide ballot. The annual assessment is required to go to council each year for approval and may need to go to council separately before the ballot vote. It was last approved at the 7/13/2021 council meeting.

City staff will begin drafting the AM after finalizing the City's style guide and filing its "Intent

		to Use” trademark application for the City logo with the USPTO. As part of developing a Licensing Agreement for the Commercial Use of the City Logo, staff will establish a process for reviewing and handling these requests. This process will likely include the negotiation of royalties and as well as the preparation of a staff report to obtain Council approval to enter into the agreement. Only once after the City receives the issuance of a Notice of Allowance from the USPTO can it begin approving applications for commercial uses of the logo.
