

*City Clerk: Please post this Supplemental with Item VII of 5-PM City Council Budget Workshop Meeting June 2, 2022.*

June 1, 2022

To: Hermosa Beach City Council (Mary Campbell-Collins, Justin Massey, Raymond Jackson, Michael Detoy, Stacey Armato), City Clerk Myra Maravilla, City Manager Suja Lowenthal, and Contract City Attorney Michael Jenkins.

From: Howard Longacre, Resident

**Re: Attached PDF of full Preliminary Budget as a contiguous searchable PDF.**

**Presently the attached full PDF copy following this note is also available on the city website at the following direct link:**

<https://www.hermosabeach.gov/home/showpublisheddocument/17262/637897035767869748>

## **City Council and others:**

Following this page is a contiguous PDF of the 2022-2023 Preliminary Budget as provided by the Finance Department, but which is only available at the present time on the City's Website.

Thus I have merged that document as an attachment to this one page note. You may access the same contiguous, single-file budget as attached, also using the direct link above.

Note that Page numbers listed throughout the contiguous PDF single file version of the preliminary-budget are the page numbers shown at the bottom of most pages.

Those page numbers will typically be 8 less than the PDF page number. You can look for the page numbers, or simply add 8 to any referenced page number and then use that number to go to the page using the PDF's page number.

Thus if there is a reference to, i.e., page 128, you can look for page 128 directly or simply go to page 136 of this PDF, i.e., (128 + 8) of this PDF.

Note also that this single PDF is most useful for searching the entire preliminary-budget for all references to a particular word, term, or phrase. (Some text data is presented within images and unfortunately won't show up in any search.)

**Attachment follows:** Full contiguous PDF as present also at the above direct link.

# Strategic Plan/PLAN Hermosa

## Strategic Plan

The complete [Strategic Plan](#) is available to view.

### VISION 2031

Hermosa Beach 2031: It Is...  
Our Small Beach Town  
Our Distinct Hometown Spirit  
Our Preservation of Our Way of Life  
Our Eclectic Community  
Our Family Friendly Community  
Our Commitment to Sustainability

### GOALS 2021

Commitment to a Safe Community  
Financially Sound City Government  
High Performing City Providing 1st Class Services  
More Livable, Sustainable Beach City  
Enhanced Economic Development Through  
Revitalized Downtown and Entry Corridors

### HERMOSA BEACH CITY GOVERNMENT MISSION

THE MISSION OF THE  
*Hermosa Beach Government*  
is to *Govern with Community Engagement*  
and *Collaborative Sentiment*,  
to Be *Financially, Environmentally Responsible*,  
and to *Provide 1st Class Municipal Services*  
in a *Customer Friendly Manner*  
through *Valued Employees and Volunteers*

# PLAN Hermosa

The complete [PLAN Hermosa](#) is available to view.

## PLAN Hermosa

The integrated General Plan and Coastal Land Use Plan for the City of Hermosa Beach.

PLAN Hermosa, the General Plan/Coastal Land Use Plan (LUP) for Hermosa Beach, provides a future vision, policies, and proposed actions to guide residents, decision-makers, City staff, project developers, and businesses in Hermosa Beach. For City staff, PLAN Hermosa is a guide to evaluate projects, structure City programs, and decide whether to pursue new opportunities. City officials will use the Plan as the basis for decision-making and to guide the development of new policies, ordinances, programs, initiatives and capital expenditures.

### Vision Statement

Hermosa Beach is the small town others aspire to be; a place where our beach culture, strong sense of community, and commitment to sustainability intersect.

#### *Our small town, beach culture*

Our beautiful beach, eclectic neighborhoods, unique commercial districts, and welcoming gateways create an unrivaled coastal destination. Our exceptional local schools and outstanding municipal services contribute to an extraordinarily high quality of life at the beach.

#### *Our vibrant local economy*

Hermosa Beach residents can work, shop, and play locally. Our economy capitalizes on our entrepreneurial spirit, our legacy of creativity, and our local businesses committed to enhancing Hermosa Beach's distinctive character. We effectively balance our small town, beach culture with our enviable position as a regional and statewide coastal destination.

#### *Our healthy environment and lifestyles*

Hermosa Beach is committed to protecting our coastal resources and takes a practical, fiscally-responsible approach to reducing our environmental footprint. Our beach and open spaces create unique places that support our active healthy lifestyle. Our complete streets ensure all places within our city are well-connected and easily accessible for all. Our commitment to a low-carbon future and our sustainable beach city identity attract residents, visitors, and businesses that embrace the opportunity to live and work in a healthy, active community.

### Guiding Principles

We seek to achieve our vision by making decisions and taking actions that help us to...

Demonstrate our environmental leadership

Retain our high quality of life

Contribute to our economic and fiscal stability

Be a catalyst for innovation

## **Hermosa At A Glance**

A sunny small beach City of 1.43 square miles, Hermosa Beach sits at the center of Los Angeles County's South Bay coastline, just 6 miles south of Los Angeles International Airport and twenty-one miles from Downtown Los Angeles. A bedroom community with a flourishing downtown, the City of Hermosa Beach serves a stable population of 19,451, according to the State's latest population estimate. However as a lively beach city and tourist destination, Hermosa experiences a high visitor population. Due to this high visitor population, the City operates in many ways like a larger city. During the 2020-21 fiscal year, beach attendance ranged from a low of 177,900 in November 2020 to a high of 953,000 in August 2020, according to the Los Angeles County Fire Department, Lifeguard Division.

The town is the very essence of the Southern California lifestyle, with temperatures ranging on average from highs of 78 degrees in the summer to 65 degrees in winter, and nighttime temperatures that rarely fall below 55 degrees. There are architecturally diverse residences on the Strand, bungalows scattered throughout the town, and multilevel homes in the hills with ocean views. There are a myriad of regular outdoor activities such as volleyball, surfing, skateboarding, and boogie boarding to name a few. Other favorite activities include jogging, skating or biking along the Strand - the paved strip paralleling the beach and connecting Hermosa with the neighboring beach cities. The City has a police department, a robust park system, green belt, and exceptional schools and facilities. Beginning December 30, 2017, the City contracted with the Los Angeles County Fire Department for Fire Services.

Hermosa Beach is also well known for its entertainment offerings, which include live music from rock to jazz, as well as festivals and special events which abound on weekends. The three-day weekends of Memorial Day and Labor Day bring thousands of visitors to the Fiesta Hermosa street fair, which has been a tradition for many years and features hundreds of crafters, artists and musicians. In addition, Hermosa Beach is well known for its diverse restaurants and shops along the City's avenues.

### **HISTORY**

Hermosa Beach was originally part of the 1784 Rancho San Pedro Spanish land grant that later became the ten-mile Ocean frontage of Rancho Sausal Redondo. In 1900, a tract of 1,500 acres was purchased for \$35 per acre from A. E. Pomroy, then owner of the greater part of Rancho Sausal Redondo. Messrs. Burbank and Baker, agents, bought this land for Sherman and Clark who organized and retained the controlling interest in the Hermosa Beach Land and Water Company.

In the early days, Hermosa Beach — like so many of its neighboring cities — was one vast sweep of rolling hills covered with fields of grain. During certain seasons of the year, large herds of sheep were grazed over this land, and corrals and large barns for storing the grain, as well as providing shelter for horses and farm implements were located on the ranch between Hermosa and Inglewood.

The first official survey was made in the year 1901 for the board walk on the Strand, Hermosa Avenue and Santa Fe Avenue; with work on these projects commencing soon after. In 1904, the first pier was built, constructed entirely of wood by the Hermosa Beach Land and Water Company. In 1913 this old pier was partly washed away and later torn down and replaced with one built of concrete and paved with asphalt its entire length. The Los Angeles Pacific Railway, a "trolley" system, was the first railway in Hermosa Beach, running the entire length of Hermosa Ave. on its way from L.A. to Redondo Beach. A few years later it was merged with most all other "trolley" companies in the region to form the new Pacific Electric Railway Company. In 1926, the Santa Fe Railway Company built a modern stucco depot and installed Western Union telegraph service on the railway platform near Santa Fe Avenue, which would later be renamed Pier Avenue.

The first city election for city officers was held December 24, 1906. On January 14, 1907, Hermosa Beach became the nineteenth incorporated city of Los Angeles County.

## **GOVERNMENT AND SERVICES**

Hermosa Beach functions under a Council-Manager form of government. Policy-making and legislative authority are vested in a governing council consisting of five members of the City Council elected on a non-partisan basis at large for a four-year term through October 2017. In December 2016, City Council adopted Ordinance 16-1373 to move the date of the City's General Municipal Election from the first Tuesday after the first Monday in November of odd-numbered years to the first Tuesday after the first Monday in November of even-numbered years starting with the November 2022 General Election. This lengthens the terms of City Council members to five years for the next two election cycles. This change was made to sync City elections with County general elections. Council members typically serve four-year, staggered terms, with an election every two years. One member is chosen by fellow members to serve as Mayor for a period of nine months; one is chosen to serve as Mayor Pro Tem. The Council is responsible for, among other things, establishing policy, passing ordinances, adopting an annual budget; appointing members to various City Commissions and Boards and hiring the City Manager and City Attorney. The City Manager is responsible for carrying out the policies and ordinances of the City Council, for overseeing the day-to-day operations of the government, and for appointing the heads of the various departments.

In the California State Legislature, Hermosa Beach is in the 26th Senate District, represented by Democrat Ben Allen, and in the 66th Assembly District, represented by Democrat Al Muratsuchi. In the United States House of Representatives, Hermosa Beach is in California's 33rd congressional district, represented by Democrat Ted Lieu.

The City offers a full range of municipal services, including police, community development (planning and zoning), cultural, recreation and parks, maintenance and construction of public improvements, parking and animal control, and general administration. Fire protection services are provided by the Los Angeles County Fire Department (LACoFD), under contract, as of December 30, 2017.

## **LOCAL ECONOMY, Pre-COVID-19**

Hermosa Beach is a "bedroom community" as evidenced by a household count of +10,000 and an in-city business count of under 1,000 (excluding apartments and home occupations). As of the 2021 Assessor's Report Hermosa Beach had growth of 4.4 percent in secured and unsecured assessed valuation, as compared to 3.7 percent for Los Angeles County. The 4.4 percent growth was the 13th highest of 88 cities in Los Angeles County. Median home prices in Hermosa Beach as of February 2022 were \$2,200,000, compared to \$800,000 for Los Angeles County. Home values adjacent to the beach increased for the ninth year in a row after declining 2009-2011.

As a beach city, the three highest occupations are management, sales, and administrative support, however residents enjoy access to a much more diverse employment base with the close proximity of all of the other cities in Los Angeles County, as well as many of the largest and best known names in corporate America in such fields as aerospace, high tech, industrial, service and finance. The unemployment rate in Hermosa Beach is 7 percent, compared with 10.3 percent for Los Angeles County, and 8 percent for California as of June 2021.

# Understanding the Budget

## Budget Process

Work begins on the budget process in February. Department Heads prepare estimates of revenues and departmental expenditures for submission to the Finance Director. The City Manager and Finance Director meet with each department to review the estimates and discuss requests. From these meetings, the preliminary budget is developed. The Capital Improvement Budget and Five Year Capital Improvement Plan, which are part of the same document, follow the same process.

The City Manager is required to submit a preliminary budget to the City Council on or before May 15th of each year. One or two public workshops are held in May and June to review the budget and receive public input. One formal public hearing is held in June, prior to budget adoption. The City Council must adopt an annual budget, by resolution, on or before June 30 for the coming fiscal year (July 1 – June 30). If the budget is not adopted by that date, the preliminary budget, except for capital outlays, goes into effect until the budget is adopted.

The budget may be amended during the year as necessary. A Midyear Budget Review is conducted in February, at which time adjustments to revenue estimates and appropriations are made. Expenditures may not exceed appropriations at the fund level. The City Manager may approve transfers of appropriation within funds; transfers of appropriations from one fund to another require City Council approval.

Budgets are adopted for all governmental and proprietary funds (see later Explanation of City Funds) on a basis consistent with generally accepted accounting principles.

## 2022 - 2023 Budget Calendar

### **Thursday, March 10, 2022**

Budget Instructions to departments.

Preliminary February Revenue Report available for departments to run.

### **Wednesday, March 30, 2022**

Department budget requests/Capital Improvement Program due to Finance Director.

Revenue estimates due to Finance Director.

### **Thursday – April 7, 2022**

CIP Review with Public Works Director, City Manager/Finance Director.

### **Monday/Tuesday – April 18 & 19, 2022**

Department meetings with City Manager/Finance Director.

### **Thursday, April 21, 2022, 6:00 pm**

CIP Study Session.

Sunday, May 15, 2022 (per HBMC) (or earlier if possible) \*

Preliminary Budget to City Council.

Thursday, June 2, 2022, 6:00 pm

Budget/CIP workshop.

Tuesday - June 14, 2022, 6:30 pm

Public Hearing/Budget Adoption.

## **Budget Content**

The following areas offer quick insight into the budget.

### **Budget Overview**

The overview presents the highlights and major changes in narrative form.

### **Budget Summaries**

The Budget Summary contains condensed information on the budget by presenting estimated beginning and ending fund balances and projected revenues and expenditures for each fund. The Schedule of Revenues by Fund and the Schedule of Expenditures by Fund show comparisons between the 2020–21 actuals, the year-end estimate for 2021–22 and the requested amount for 2022–23.

### **Revenue**

A computerized listing of line items entitled “City of Hermosa Beach, Revenue Detail by Fund, 2022–21 Budget” shows each revenue item, organized by fund. The columns on the report are explained below under “Department Budgets.”

### **Personnel Authorizations**

These pages present a summary of the City’s authorized personnel by department and provide quick reference to any new/eliminated positions and the City’s total staffing.

### **Performance Measures**

Performance Measures provide a snapshot of how well departments are doing in meeting their work objectives and desired outcomes.

### **Department Budgets**

The Table of Contents lists the pages for all activities separately budgeted. Each Department budget begins with a department description and a summary of personnel positions. A computerized listing of line items is entitled “City of Hermosa Beach, Department Expenditure Detail, 2022–23 Budget”.

### **Capital Improvement Program and 5 Year Capital Improvement Plan**

These are the City’s comprehensive plans to develop and maintain capital facilities and infrastructure. These projects are usually of high cost, take a year or more to complete, and result in the creation of a capital asset.

### **Debt Service**

The City issued Lease Revenue Bonds of \$11,600,000 in August of 2015 for oil settlement costs. Debt service costs are shown in Fund 201 for the 2015 Lease Revenue Bonds. For further information, refer to the debt service schedule in the appendix.

In September 2020, City Council approved Resolution 20-7258, which approved the issuance and sale of refunding lease revenue bonds sufficient to refund the remaining outstanding 2015 Lease Revenue Bonds. This will result in a cash flow savings of approximately \$965,000 through 2035.

## How to Read the Reports

Columns on the Revenue and Expenditure reports are explained as follows:

Understanding the Budget

2020-21 Received / Expended	2021-22 Total Budget	2021-22 Received / Expended YTD thru January	2021-22 Year End Estimate	2022-23 Department Request
Reflects actual revenue/ expenditures for 2020-21 fiscal year.	Reflects the revised budget amounts through January 31, 2022.	Reflects the actual revenue/ expenditure through January 31, 2022.	Reflects the department's best estimate of what revenue/ expenditures will be received/ incurred through year-end, June 30, 2022.	Represents the 2022-23 Department Request.

## Explanation of City Funds

This section explains the funds shown in the Budget Summary.

Governments use fund accounting; each fund is considered to function as a separate fiscal and accounting entity. The basis for budgeting in all funds is the same as the fund type basis for accounting in accordance with generally accepted accounting principles.

### **GOVERNMENTAL FUNDS**

The City uses three fund types to account for governmental-type activity. These are the General Fund, Special Revenue Funds, and Debt Service Fund. The accounting basis for these funds is modified accrual, which recognizes revenues when measurable and available and expenditures when the liability is incurred.

**SPECIAL REVENUE FUNDS** - A special revenue fund is used to account for the proceeds of specific revenue sources that are restricted or earmarked for specific purposes.

**DEBT SERVICE FUND** - A debt service fund is used to account for and report financial resources that are restricted, committed, or assigned to expenditures for principal and interest.

### **PROPRIETARY FUNDS**

Two fund types are used to account for a government's business-type activities, or those that receive a significant portion of their funding through user charges. These are the Enterprise Fund and the Internal Service Fund. The basis for accounting in these funds is full accrual, which recognizes revenue and expenses as they occur, not when they are received or spent. Capital assets (land, equipment, etc.) are accounted for in these funds.

**ENTERPRISE FUNDS** - The Enterprise Fund is used to account for services provided to the public on a user charge basis. (The City does not currently have enterprise funds).

**INTERNAL SERVICE FUNDS** - The Internal Service Fund is used to account for activity that provides services or goods to other funds on a cost reimbursement basis.

**FIDUCIARY FUNDS**

Governments often hold or manage financial resources in a trustee or agency capacity. A trust or agency fund type is used to account for a government’s fiduciary activities. The City’s fiduciary funds are all agency funds, with a modified accrual basis of accounting.

**AGENCY FUNDS** – The Agency fund is used in situations where the government plays a limited financial management role on behalf of a third party.

**FUND BALANCE REPORTING**

**GASB 54** - Governmental Accounting Standards Board (GASB) Statement 54, Fund Balance Reporting and Governmental Type Definitions, which is effective for fiscal years beginning after 6/15/10, affects how we present the fund balance section of the budget.

The primary impact of this statement is that the Contingency Fund, Retirement Stabilization Fund and Compensated Absences Fund are no longer separate funds; the amounts are in the General Fund and are shown in the fund balance section under the “committed” and “assigned” categories. This presentation may be seen on the first page of the Budget Summary, at the bottom, and on the next page.

The definitions for classifications of fund balance we are using are as follows:

Restricted fund balances are the portion of fund balance that have externally enforceable limitations on their usage through legislation or limitations imposed by creditors, grantors, laws and regulations of other governments or enabling legislation.

Committed fund balances are self-imposed limitations by the highest level of decision-making authority, namely the City Council, prior to the end of the reporting period. City Council approval is required to commit resources or to rescind the commitment.

Assigned fund balances are limitations imposed by management based on the intended use of the funds. Modifications or rescissions of the constraints can be removed by the same type of action that limited the use of the funds

The estimated fund balance at 6/30/23 (as presented in the Budget Summary) is classified as follows:

Understanding the Budget : Estimated Fund Balance

<b><u>Restricted</u></b>	<b><u>Amount</u></b>	
General Plan Maintenance Fee	\$19,486	To be used towards General Plan expenditures
Verizon PEG Grant	\$138,655	Grant for Public, Educational and Governmental Programming
CASP Fees	\$62,121	To be used to increase disability access and compliance
Marquee Donation	\$50,000	Donation from Chamber of Commerce
<b><u>Committed</u></b>		
In Lieu Fee/Parking Facility	\$202,300	Fee paid in lieu of providing parking
<b><u>Assigned</u></b>		
Contingencies	\$7,307,026	For economic uncertainties, unforeseen emergencies
Unspecified Contingencies	\$730,696	
2020-21 Year End Balance	\$2,602,107	Unspent Funds for 2023-24 Budget
Retirement Rate Stabilization Retirement Trust	\$1,021,575	To be placed in a Retirement Trust
Retirement Trust	\$829,060	To be placed in a Retirement Trust
Compensated Absences	\$286,312	25% of current liability
Prop A Fund Exchange - Engineer Funding	\$190,321	Funding for Assistant Engineer
2021-22 Prop A Fund Exchange - Engineer	\$259,777	Funding for Assistant Engineer
	\$13,699,436	

# Description of City Funds

Understanding the Budget : City Funds, page 1

Fund Type	Fund Name	Description	Basis of Accounting
General Fund	001 GENERAL FUND (Major Fund)	The General Fund is the principal operating fund of the City.	Modified Accrual
Special Revenue Fund	105 LIGHTING/LANDSCAPING FUND	Funds of the benefit assessment district, created pursuant to Street and Highway Code 22500-22679, are expended for lighting/median maintenance and are accounted for in this fund.	Modified Accrual
Special Revenue Fund	115 STATE GAS TAX FUND	City share of state gasoline tax restricted for use on public streets. Restricted Transportation Development Act (TDA) funds from Metropolitan Transit Authority (MTA) are also held in this fund.	Modified Accrual
Special Revenue Fund	117 AB939 FUND	Recycling fees generated in connection with solid waste collection are used to implement a Source Reduction and Recycling Element and a Household Waste Element of the General Plan.	Modified Accrual
Special Revenue Fund	121 PROP A OPEN SPACE FUND	Funds generated by passage of the L.A. County Safe Neighborhood Parks Bond Act by county voters for the purpose of improving parks and recreational facilities. Interest is not allocated to this fund because City funds are advanced, then reimbursed by this grant.	Modified Accrual
Special Revenue Fund	122 TYCO FUND	Funds received from an easement granted for construction of a transpacific, submarine fiber optic cable system originating in Japan with a landing in Hermosa Beach. The project will provide additional capacity for global voice and data transmission.	Modified Accrual
Special Revenue Fund	123 TYCO TIDELANDS FUND	Funds set aside according to the Tyco easement agreement to construct one new bathroom and repair three existing bathrooms at the beach. Remaining funds are to be used for renovations, repair or improvement of the pier or beach.	Modified Accrual
Special Revenue Fund	125 PARK RECREATION FACILITY TAX FUND	Accumulation of subdivision fees and park, recreation facility tax fees on new dwellings. Generally, the funds are to be used for acquisition, improvement and expansion of park or recreational facilities.	Modified Accrual
Special Revenue Fund	135 BAYVIEW DRIVE DISTRICT ADMINISTRATIVE EXPENSE FUND	This fund temporarily holds funds for payment of administrative expenses for the assessment district. These funds are invested but interest is not allocated to this fund because it is not required by the bond documents.	Modified Accrual
Special Revenue Fund	136 LOWER PIER ADMINISTRATIVE EXPENSE FUND	This fund temporarily holds funds for payment of administrative expenses for the assessment district. These funds are invested but interest is not allocated to this fund because it is not required by the bond documents.	Modified Accrual
Special Revenue Fund	137 MYRTLE DISTRICT ADMINISTRATIVE EXPENSE FUND	Funds collected from utility undergrounding assessments in the Myrtle Avenue Undergrounding District for administration are deposited in this fund. Costs incurred by the City or its Fiscal Agent in administration of the assessments are paid from these funds.	Modified Accrual
Special Revenue Fund	138 LOMA DISTRICT ADMINISTRATIVE EXPENSE FUND	Funds collected from utility undergrounding assessments in the Loma Drive Undergrounding District for administration are deposited in this fund. Costs incurred by the City or its Fiscal Agent in administration of the assessments are paid from these funds.	Modified Accrual
Special Revenue Fund	139 BEACH DRIVE ASSESSMENT DISTRICT ADMINISTRATIVE EXPENSE FUND	This fund temporarily holds funds for payment of administrative expenses for the assessment district. These funds are invested but interest is not allocated to this fund because it is not required by the bond documents.	Modified Accrual
Special Revenue Fund	145 PROPOSITION A FUND	Portion of sales tax (currently ¼%) distributed to cities on a population basis for public transit purposes. Proposition A funds may be exchanged with other agencies for unrestricted funds, typically at a discounted rate.	Modified Accrual
Special Revenue Fund	146 PROPOSITION C FUND	Voter-approved ½% sales tax for transit purposes. Funds may be used for street improvements on bus routes.	Modified Accrual
Special Revenue Fund	147 MEASURE R FUND	Voter-approved ½% sales tax for transportation investments that will relieve traffic congestion, provide transit alternatives and improve air quality. Funds are less restrictive than Propositions A and C.	Modified Accrual

Fund Type	Fund Name	Description	Basis of Accounting
Special Revenue Fund	150 GRANTS FUND	State and Federal grants for specific projects are accounted for in this fund. Interest is not allocated to this fund because City funds are advanced, then reimbursed by these grants.	Modified Accrual
Special Revenue Fund	152 AIR QUALITY IMPROVEMENT FUND	Funds collected by the Department of Motor Vehicles and distributed to cities on a population basis for use in reducing air pollution.	Modified Accrual
Special Revenue Fund	153 SUPPLEMENT LAW ENFORCEMENT SERVICES FUND	Funds received from the Citizen's Option for Public Safety (COPS) program, established by the State legislature in fiscal year 1996-97, are accounted for in this fund. Funds must be used for front line municipal police services and must supplement and not supplant existing funding.	Modified Accrual
Special Revenue Fund	157 FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) FUND	This fund is used to account for emergency related expenditures reimbursable by the Federal Emergency Management Agency (FEMA).	Modified Accrual
special Revenue Fund	158 CARES ACT FUND	This fund is used to account for COVID-19 related expenditures reimbursable under the Federal Coronavirus Aid, Relief, and Economic Security (CARES) Act.	Modified Accrual
special Revenue Fund	159 AMERICAN RESCUE PLAN ACT (ARPA) FUND	Federal funds for eligible expenditures related to COVID-19 or a negative economic impact, premium pay for eligible workers, government services to the extent of revenue losses, and investments in water, sewer, and broadband infrastructure.	Modified Accrual
special Revenue Fund	160 SEWER FUND	Funds derived from a sewer service charge and miscellaneous service charges are spent on the Sewer Department and capital sewer projects.	Modified Accrual
Special Revenue Fund	161 STORM DRAIN	Funds derived from a portion of the 6% Utility User Tax and miscellaneous service charges are spent on the Sewer/Storm Drain Department and capital projects.	Modified Accrual
Special Revenue Fund	170 ASSET FORFEITURE FUND	Funds seized as a result of illegal activity and forfeited to the Police Department. Funds must be used for law enforcement purposes to supplement, not replace or decrease existing appropriations.	Modified Accrual
Special Revenue Fund	180 FIRE PROTECTION FUND	Fire flow fees collected are used to upgrade and enhance the fire flow capabilities of the fire protection system.	Modified Accrual
Special Revenue Fund	301 CAPITAL IMPROVEMENT FUND	Funds set aside for Capital Improvement Projects.	Modified Accrual
Special Revenue Fund	313 GREENWICH VILLAGE NORTH UTILITY UNDERGROUND IMPROVEMENT FUND	Funds used to account for special assessment collections for the Greenwich Village North Utility Underground project	Modified Accrual
Agency Fund	609 BAYVIEW DRIVE ASSESSMENT DISTRICT REDEMPTION FUND	This fund is used to account for special assessment collections and debt service for the Bayview Drive Assessment District Bonds.	Modified Accrual
Agency Fund	610 LOWER PIER DISTRICT REDEMPTION FUND	This fund is used to account for special assessment collections and debt service for the Lower Pier Avenue Assessment District Bonds.	Modified Accrual
Agency Fund	611 BEACH DRIVE ASSESSMENT DISTRICT REDEMPTION FUND	This fund is used to account for special assessment collections and debt service for the Beach Drive Assessment District Bonds.	Modified Accrual
Agency Fund	612 BEACH DRIVE ASSESSMENT DISTRICT RESERVE FUND	This fund is used to account for a reserve set aside for the Beach Drive Assessment District Bonds.	Modified Accrual
Agency Fund	617 MYRTLE AVENUE ASSESSMENT FUND	This fund is used to account for special assessment collections and debt service for the Myrtle Avenue Utility Undergrounding District Bonds.	Modified Accrual

Understanding the Budget : City Funds, page 3

Fund Type	Fund Name	Description	Basis of Accounting
Agency Fund	618 LOMA DRIVE ASSESSMENT FUND	This fund is used to account for special assessment collections and debt service for the Loma Drive Utility Undergrounding District Bonds.	Modified Accrual
Agency Fund	619 BAYVIEW DRIVE RESERVE FUND	This fund is used to account for a reserve set aside for the Bayview Drive Assessment District Bonds.	Modified Accrual
Internal Service Fund	705 INSURANCE FUND	The Insurance Fund is an Internal Service Fund which pays all costs of liability, workers' compensation, unemployment, and property insurance with funds generated by service charges to all departments. Service charges are calculated based on separate formulas for each type of insurance. The City Council's goal for net assets is \$3,000,000. (See Appendix for replacement schedules)	Accrual
Internal Service Fund	715 EQUIPMENT REPLACEMENT FUND	The Equipment Replacement Fund is an Internal Service Fund established to provide ongoing funds to replace assets at the end of the asset's useful life. Vehicles, heavy equipment, communications equipment (computers and radios) and business machines are included in the fund. In 2010-11 user charges were added for maintenance of City buildings. The City Council's goal for net assets is the "accumulated amount" calculated and shown in the Equipment Replacement Schedules. (See Appendix for replacement schedules)	Accrual

Executive Director

# City Manager's Budget Message

Honorable Mayor and Members of the City Council:

I present to you the FY 2022–23 Budget in partnership with the City's 12 departments that work tirelessly to deliver the critical services to our community, making Hermosa Beach the place where they love to live, love to work, and love to play; and as you and our community have come to expect, it is a balanced and responsible budget.

The City's proposed FY 2022–23 Budget reflects the City's continued recovery from the largest public health crisis of our lifetime and opportunities to thrive well into the future. Looking back, the FY 2020–21 Budget was marked by sacrifice and hard budget decisions to help our community through the emergency and to preserve the future of our City. The FY 2021–22 Budget reflected our transition from crisis to recovery as outlined in Hermosa SHINES, our Communitywide Reopening, Recovery, and Resilience Plan—a plan to protect and stimulate the local economy, keep our community healthy and safe, and secure our City's future. The proposed FY2022–23 Budget continues to build upon our recovery efforts and reflects investments in our community through our core resources—staff, infrastructure, and systems. The three budgets individually and collectively tell the story of how our local city governments play a critical role in the health, wellbeing, and vitality of communities and the individuals who call them home.

Cities are on the frontline of responses for any crisis and play a key role in implementing nationwide measures. However, they also serve a paramount future-facing role as laboratories for bottom-up solutions and innovative strategies. Cities serve as the birthplace for innovation at all times, not just in crisis. They are the scale of governance best suited for transformative adaptation, flexibility, and capability. This has been the story of our City during the pandemic and continues to be as we transform our business operations to become the government and community partner our stakeholders need to thrive. We continue our efforts to realize our goals in the critical areas of Safety, Health, Infrastructure, New Technology, Economic Development, and Service as outlined in the Hermosa SHINES Plan.

While the FY 2022–23 Budget reflects the optimism of investments in the future, the reality is that we are still building back. Our City revenues are still in the process of returning to pre-pandemic levels. We are fortunate to have federal funds that helped bridge the budget gap in FY 2021–22 and in the current FY 2022–23 budget, allowing us to not only continue essential programs and services, but make strategic community investments through core resources, creating opportunities for residents and business to thrive. One-time funds provided by the American Rescue Plan allowed the City to replace lost revenue of \$2.3 million in FY 2021–22 and \$1.3 million in FY 2022–23. Our collective commitment to fiscal prudence and modernizing our revenue structure will keep us on our road to recovery and long-range stability.

## **Hearing from the Community**

Continuing in the Hermosa Beach spirit and tradition of encouraging community feedback and accountability on the level of service residents expect and deserve, the City conducted a Budget Priorities Community

Survey this year.

Thank you to the hundreds of residents that took the time to participate. The results of the survey are very instrumental to our budget planning for this year and were a great affirmation of the hard work City staff does to provide services to our residents as 68 percent of respondents to the survey said Hermosa Beach is headed in the right direction.

The survey results showed that residents highly prioritized and value the public safety services the City provides. In 2021 alone, there were almost 600 thefts and burglaries reported, including 100 thefts from motor vehicles in our City of only 1.4 square miles. Residents have told us that they would like to see the City provide the Hermosa Beach Police Department with additional resources to make our streets and neighborhoods safer by increasing police patrols, reducing response times, and increasing crime prevention programs. I applaud our Police Department's efforts to keep us on the cutting edge of crime prevention and response including creating Project Secure to protect residents and visitors from preventable thefts; complete the transition to new California Incident Based Reporting System (CIBRS) for crime statistics; and partnering Project 529 garage for bicycle registration just to name a few.

Residents also identified the following City service priorities:

- Preventing thefts and property crimes;
- Supporting public safety and 911 emergency response;
- Recruiting and retaining well-trained police officers;
- Protecting coastal waters and beaches from pollution;
- Supporting safe schools; and
- Keeping parks and public areas safe and clean.

Our residents recognize that visitors also have an important impact on our City and they too should pay their fair share for police, keeping our beach, Pier Plaza, and other public areas clean and safe, our roads and other community resources and infrastructure in good condition. Residents should not have to bear the burden exclusively to pay for these services.

We've learned through the many crises of the last few years, that locally controlled funding is an essential part of being self-sufficient and self-reliant in tough times. When considering the future of Hermosa Beach, having local control over funding for our local services must remain a top priority for any future revenue considerations.

### **Community Investments through Core Resources**

The FY 2022–23 Budget and Capital Improvement Program once again sets citywide service levels, identifies and funds capital projects, and establishes the financial and human resources necessary to accomplish community objectives for the coming year. This year, our strategic community investments are in the core resources of staff, infrastructure, and systems.

#### **Staff**

Paramount to the City's ability to successfully serve our residents, businesses, and visitors, and cultivate economic vitality so that all stakeholders can thrive, is creating a workplace where employees can thrive. Against the backdrop of the "great resignation," the City's leadership team has had to set aside traditional approaches to municipal recruitment and develop a recruitment and retention strategy that focuses on the culture of work in our great City and our commitment to support the development and success of each team member. Our dedicated staff worked tirelessly through the pandemic ensuring that City services continued as well as City programs with some creative retooling. As we continue to recover and get a solid foothold on thriving into the future, we dedicate resources in FY 2022–23 to support the workforce that is the backbone to our City's success.

Years of doing more with less, followed by freezing 10 fulltime positions to avoid cuts to services during the pandemic and experiencing a 15 percent vacancy rate by fall of 2021 (20 percent including leaves), our

efforts to make substantive progress in projects and programs and to build back better post pandemic crisis have been impacted. Our organization is experiencing the same workforce issues that are being experienced universally. Given the small size of our team, many of these positions are single-incumbent positions, where an entire function is handled by one position. To address the issue, I workshopped recruitment and retention with the leadership team and made critical decisions. In order to protect our ability to deliver core services, we mobilized personnel to cover key functions; created cross disciplinary teams out of the City Manager's Office; streamlined hiring processes; paused ancillary projects to prevent disruption in core services; and called on the leadership team to prioritize recruitment and retention efforts. Recruitment and retention became everyone's job. To assist with recruitment, we hired an interim recruitment specialist, who quickly transitioned us onto the Government Jobs/NeoGov digital platform. We also dedicated resources to recruitment and retention incentives, which are continued in the FY 2022–23 budget. This transformation of approach and investment in expertise and technology brought our vacancies down to 4 percent.

Our “all hands on deck” focus on recruitment and retention has resulted in 12 new hires, 10 promotions, and 29 interim positions since July 2021. In order to prevent service disruptions and staff burnout, we moved quickly to fill vacant positions by hiring highly-qualified team members on an interim basis. Many of those hired on an interim basis have since been selected for permanent positions. The City's enhanced recruitment and retention program curated special emphasis on the Police Department as we had many vacancies in the Department at the start of the pandemic and recruitment of sworn officers can take up to two years from completion of the academy to swearing-in and successful completion of the first probationary year. The focused efforts on the Hermosa Beach Police Department (HBPD) have resulted in substantial advances in the recruitment and retention of police officers. The City has attracted 12 new HBPD officers despite the challenges of testing and recruiting officers during the pandemic; continued to attract interest from a significant number of applicants with nearly 300 applicants since November 2021; and made significant strides in officer retention.

The overall citywide gains in recruitment and retention are a testament to all members of the City team who work so hard to recruit and retain the best team members. Gains notwithstanding, we cannot take our focus off recruitment and retention and building a workplace where the City team can thrive and deliver the best outcomes for our community. The FY 2022–23 Budget reflects this priority across City departments. Continued investments in recruitment and retention, as well as strategically scaling staff in key service delivery areas are paramount to delivering services, programs, and the City's Capital Improvement Program (CIP). This year's budget includes an overdue enhancement of our Public Works team. This strategic investment will create a dedicated team that can deliver on our capital improvements without forgoing day-to-day community needs in the areas of maintenance, permitting, traffic, and so on.

### Infrastructure

The City's CIP reflects the needs of aging infrastructure, including City facilities, parks, and infrastructure in the public right-of-way. In total, the proposed FY 2022–23 CIP Budget includes 50 projects or studies of which 37 are projects carried over from FY 2021–22 and 13 are new proposed projects. The new projects, and other recommended budget adjustments, would increase the CIP by \$10,599,177. With the help of additional engineering staff, the Public Works team can make advancements in the existing backlog of CIP projects, non-CIP project efforts, and new project requests.

The ability to infuse assistance into the area of our public infrastructure will allow us to resume efforts to explore our civic facilities infrastructure assessment and planning. This year, we hope to build upon the 2016 and 2019 planning efforts and chart a path to meeting our future facility needs.

### Systems

A resilient City organization is one of transformative adaptation, flexibility, and capability. By investing time and resources into our systems such as our master plans, our technology, and our operational processes, we can ensure that we continue to provide efficient and effective public services to our residents and visitors alike. The proposed FY 2022–23 Budget includes funding to support development of a Parks Master Plan, as well as implementation of our recently completed Economic Development Strategic Plan.

As outlined in our Hermosa SHINES Plan, to recover and create a more resilient community utilizing new technology means a commitment to blending traditional in-person access and engagement with virtual adaptations and innovations for enhanced opportunities for public participation, engagement, and accessibility. In FY 2022–23, we will continue our efforts to enhance technology in the areas of permitting by launching the external facing modules of our new permitting system, Accela; transitioning our internal document storage to OneDrive; and digitizing our City records.

As we stabilize our staffing resources, efforts to streamline and modernize our business processes can resume. Led by the City Manager's office, our highly talented City team built through our recruitment and retention efforts will review our internal policies and processes in the key areas of purchasing and contracting, record retention, personnel rules, and permitting. Our commitment to internal process audits will ensure that we maintain the most resilient operation possible.

As your City Manager, I am proud to once again present a fiscal plan to sustain and advance a healthy and forward-looking city government. By investing in the core resources of staff, infrastructure, and systems, the FY 2022–23 Preliminary Budget strategically invests our one-time funding sources to balance our budget and invest in areas that will benefit our residents and stakeholders. I am honored to serve alongside the dedicated and talented City team and I am excited to see all that our community will achieve in the coming year as we build back better for future generations to come.

Respectfully submitted,

Suja Lowenthal, DPD  
City Manager

# Budget Overview

2022-23 Preliminary Budget

The City has come through uncharted territory in the two years since the pandemic began in March of 2020. Recently, new challenges have arisen with the worldwide uncertainty over the war in Ukraine, rising operational costs, and disruption in supply chains. Fortunately, there are signs of local recovery with increased business activity and more freedom to move about the community. Forecasting remains a challenge, but there are positive trends in the revenue stream.

Revenue for FY 2022–23 is up 4.7 percent over FY 2021–22, after adjusting for variances between the years. The City used half (\$2.4 million) of the American Rescue Plan Act (ARPA) Funds provided by the federal government for lost revenue during the pandemic in the FY 2021–22 Budget. The second half of the ARPA funds are expected in July and may be used to bridge remaining short-term gaps between revenue and expenditures as we continue on our path to recovery. The Preliminary FY23 Budget proposes utilizing \$1.3 million of ARPA Funds, with the remaining \$1 million retained for future use.

Due to conservative revenue estimates and many vacant positions, leaves and retirements, unspent funds of \$5.8 million remained from the previous year and will be used to meet target goals for certain funds per adopted financial policies. Recommendations for use of those funds are detailed later in this overview with the budget balancing actions.

No contingency or “rainy day funds are used in this recommended budget or in the two previous fiscal years during the pandemic, so funds remain at the City’s target amount of 16 percent of operating expenditures.

The City Manager is recommending one-time supplemental department requests for equipment, technology improvements and other services of \$246,124 and ongoing supplemental requests of \$388,404. The Preliminary Budget also includes restoration of previously frozen positions and addition of six new positions, four of which were discussed at the Capital Improvement Program Study Session held on April 21, 2022. Details of those follow.

Reports of supplemental requests, new personnel requests, and part time personnel requests may be found in the Appendix.

## 2022-23 Revenue Trends and Assumptions

Since the General Fund pays for the majority of operating expenses (84 percent), analysis of revenue and expenditures herein focus on that fund. Most of the revenue in the other funds comes either from grants, one-time funds, or funds which are restricted by use; therefore an overall comparison is not meaningful.

Total revenue for the General Fund is estimated at approximately \$46.5 million. General Fund revenue is expected to be 13 percent higher than the pre-pandemic level in FY2018–19 after adjusting for a one-time Proposition A Fund Exchange in FY2018–19.

Revenue for FY2022–23 is estimated to increase 3.7 percent over FY 2021–22. Excluding one-time revenue of \$490,000 from a Proposition A Fund Exchange, a Solid Waste Contract Reimbursement of \$300,000 and one-time revenue from the sale of two large condominium projects in FY2021– 22 and one-time funds from a large construction project estimated in FY 2022–23, the increase in revenue would be 4.7 percent.

## General Fund Revenue Summary

Budget Overview : General Fund Revenue Summary

Revenue	Budget 2021-22	Budget 2022-23	Increase Decrease	Overall % Increase	% of Total
Taxes	\$32,990,261	\$34,363,844	\$1,373,583	4.16%	74.00%
Licenses and Permits	1,080,943	1,408,690	327,747	30.32%	3.00%
Fines and Forfeitures	1,746,519	1,753,010	6,491	0.37%	3.90%
Use of Money and Property	1,454,297	988,228	(466,069)	-32.05%	2.10%
Intergovernmental/State	142,192	146,636	4,444	3.13%	0.30%
Service Charges	7,234,411	7,686,027	451,616	6.24%	16.50%
Other Revenue	148,311	107,980	(40,331)	-27.19%	0.20%
<b>Total Revenue</b>	<b>\$44,796,934</b>	<b>\$46,454,415</b>	<b>\$1,657,481</b>	<b>3.70%</b>	<b>100%</b>

### Taxes

Since Taxes represent 73.5 percent of General Fund revenue, a discussion of the largest tax sources follows.

**Secured Property Tax.** Secured property taxes, shown in the chart below, represent 38 percent of General Fund revenue. The assumed increase is estimated at 5.3 percent or \$893,172 for 2022–23; growth is projected at 3.7 percent for 2021–22; actual increases for the previous four years were 7 percent, 6 percent, 6 percent, and 8 percent. The growth in the property tax, while somewhat lower than recent years, still makes the biggest dollar impact. There is no impact from Covid-19 on secured property taxes.

The tax rate is 1 percent of the assessed valuation. Property taxes are remitted to the County and then distributed by the County to each city. The Los Angeles County Assessor releases the assessment roll in July each year however cities do not know their actual tax levy until December.

### Secured Property Tax

	2018-19 Actual	2019-20 Actual	2020-21 Actual	2021-22 Revised Budget	2022-23 Budget
<b>(3101) Current Year Secured</b>	14,428,526	15,231,923	16,249,218	16,852,301	17,745,473
<b>Total</b>	14,428,526	15,231,923	16,249,218	16,852,301	17,745,473

Total Property Taxes equal 47 percent of General Fund revenue. Measured in total or just in Secured Tax, property tax is the City’s highest source of revenue. Please also refer to the Property Tax Dollar Breakdown chart behind the Revenue tab that shows how property tax is distributed among agencies in Los Angeles County.

**Sales Tax.** Sales tax is estimated at just over \$3.5 million, a 2.6 percent increase from the 2021–22 Budget and 13 percent over 2018–2019. Sales tax data lags by one quarter since the State collects the revenue for cities and makes the detailed data available on a quarterly schedule. The 2022–23 estimate is based on a forecast by our consultant for each business type and each quarter.

### Sales Tax

	2018-19 Actual	2019-20 Actual	2020-21 Actual	2021-22 Revised Budget	2022-23 Budget
<b>(3108) Sales Tax</b>	3,133,311	2,722,468	3,192,853	3,461,295	3,550,145
<b>Total</b>	3,133,311	2,722,468	3,192,853	3,461,295	3,550,145

The chart below is presented to provide the class of businesses and percentage of revenue typically generated.

The highest revenue is generated by the Eating/Drinking Places category that increased 46 percent over the previous year. This trend supports that the City is in a state of recovery. The second highest revenue producing category is the County and State Pool that represents almost 20% of the total.

### Sales Tax by Class, July 2021 - December 2021

RANK / BUSINESS CLASS	2021-22 July - December	INC/(DEC)	% Change Previous Year	% OF TOTAL
<b>Retail Group</b>				
Eating/Drinking Places	\$544,395	\$171,586	46.03%	29.92%
Other Retail	\$172,563	\$8,730	5.33%	9.48%
Building Materials	\$156,327	\$10,059	6.88%	8.59%
Food Stores	\$134,306	(\$8,090)	-5.68%	7.38%
Auto Dealers & Supplies	\$92,234	\$11,973	14.92%	5.07%
Service Stations	#	#	62.86%	#
Apparel	\$49,111	(\$2,374)	-4.61%	2.70%
Drug Stores	#	#	9.56%	#
All Other Retail	\$37,592	\$2,253	6.38%	2.07%
Furniture & Appliances	\$32,718	(\$14,088)	-30.10%	1.80%
<b>Total Retail Group</b>	#	#	18.65%	<b>72.60%</b>
<b>County/State Pool</b>	\$353,910	\$8,371	2.42%	<b>19.45%</b>
<b>Total Business, Service, Repair</b>	\$73,493	\$22,312	43.59%	<b>4.04%</b>
<b>Total Manufacturing &amp; Wholesale</b>	\$70,058	(\$6,501)	-8.49%	<b>3.85%</b>
<b>Total Non-Store/Part Time Retailers/Adjustments</b>	\$1,104	(\$41)	-3.58%	<b>0.06%</b>

\* Threshold for inclusion, \$300 per quarter

CONFIDENTIAL: Business class sales tax information is deemed confidential if there are four or less businesses in a class or if a single class member's share is a disproportionate percentage of the total.

### Sales Tax Comparison by Geographic Area

LOCATION	Revenue 2020-21	% OF Total	% Chg	Revenue 2021-22	% OF Total
PCH	\$558,705	42%	9%	\$609,924	38%
Pier/Valley/Monterey	\$406,695	31%	21%	\$491,635	31%
Downtown	\$285,589	22%	52%	\$433,418	27%
Aviation	\$64,997	5%	-5%	\$61,908	4%
		100%			100%

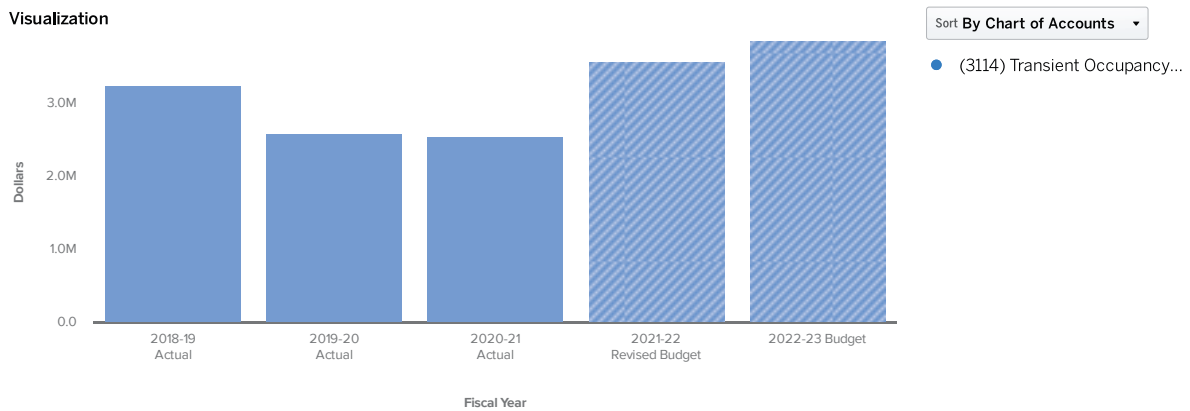

As shown above, revenue from the PCH geographic area produces 38 percent of revenue and the Pier/Valley/Monterey geographic area produces 31 percent.

Sales tax represents 8 percent of total General Fund revenue. The sales tax rate for Los Angeles County is currently 9.5 percent distributed as follows: 6.25 percent State; Proposition A Transportation .5 percent; Proposition C Transportation .5 percent; Measure R Transportation .5 percent; Measure H (Los Angeles County Homeless Programs) .25 percent; Measure M (Los Angeles County Traffic Improvement Plan) .5 percent; City of Hermosa Beach 1 percent (or city point of sale, generally). This means that the City receives 1 percent of each dollar, or \$1 for each \$100 in sales that are taxable.

**Transient Occupancy Tax (TOT).** Transient occupancy tax or “hotel tax” represents 8 percent of General Fund revenue. The TOT tax rate increased from 12 percent to 14 percent on January 1, 2020 as a result of the passage of Measure H on the November 5, 2019 ballot. Occupancy for the first seven months at 75.3 percent is higher than last year’s occupancy of 28.6 percent for the same period. In addition to travel rebounding as COVID-19 restrictions lessened, a new boutique hotel opened downtown in October 2020 and five short-term vacation rental locations were approved in the commercial district since March 2021. TOT revenue is estimated to increase by 7.4 percent in 2022–23 and was 41% over 2020–22. The 2022–23 estimate is 19 percent over 2018–19.

Hotels are generally the highest revenue-producing use for the city for property in Hermosa Beach. An advantage of the transient occupancy tax as a local revenue source is that it is paid by visitors, rather than residents, to help maintain our city services and the tax is collected by and stays in Hermosa Beach rather than going to the State or County coffers first.

### Transient Occupancy Tax

	2018-19 Actual	2019-20 Actual	2020-21 Actual	2021-22 Revised Budget	2022-23 Budget
<b>(3114) Transient Occupancy Tax</b>	3,251,349	2,597,953	2,552,964	3,589,305	3,856,344
<b>Total</b>	3,251,349	2,597,953	2,552,964	3,589,305	3,856,344

## Utility User Tax

	2018-19 Actual	2019-20 Actual	2020-21 Actual	2021-22 Revised Budget	2022-23 Budget
(3120) Utility User Tax	2,195,815	2,093,903	2,171,538	2,236,149	2,262,450
<b>Total</b>	2,195,815	2,093,903	2,171,538	2,236,149	2,262,450

**Utility User Tax.** Revenue for the UUT is estimated to be up 1.2 percent. The change in revenue for the past five years has been 4 percent, -5 percent, -2 percent, -3 percent, and -4 percent. The largest increases for the first 7 months have been in the water and gas categories.

Utility User Tax (UUT), which applies to use of electricity, gas, water, video (cable), and telecom comprises 5 percent of General Fund revenue. \$700,000 of the revenue is transferred annually to the Storm Drain Fund for operations and maintenance.

*Historical Note: Voters, in November 2007, realizing the importance of this revenue source to the City, approved a modernized UUT ordinance by a 72 percent margin to ensure continued collection of the UUT as technology changes the way UUT is applied to services. Voters also approved a reduction of the rate for video and telecom from 6 percent to 5.5 percent to keep revenue neutral. The rate on electricity, gas and water remains at 6 percent.*

### **Non-Tax Revenue**

Licenses and Permits are estimated to increase by \$327,747 or 30.3 percent primarily due to an increase in building permits due to one-time revenue related to the Skechers development.

Fines and Forfeitures are estimated to be consistent with 2021–22 increasing by less than 1 percent.

Use of Money and Property is estimated to decreased by -\$466,069 or 32 percent primarily due to one-time Proposition A Fund Exchange revenue of \$490,000 received in 2021–22 and used to fund a new Assistant Engineer position.

Intergovernmental/State revenue is estimated to increase by \$4,444 by 3.1 percent.

Current Service Charges are estimated to increase by \$451,616 or 6.2 percent due to the following accounts:

- Encroachment Permits increase by \$465,384, or 181.2 percent due to the reinstatement Permanent Outdoor Encroachment Permits as of March 1, 2022 and Temporary Outdoor Encroachments that now pay a fee as of March 1, 2022.
- General Plan Maintenance Fees are estimated to increase by \$58,900 due to one-time developer’s fees.
- Increase in parking meters of \$74,399.
- Increase in ambulance transport fees of \$24,993.
- In Lieu Fee/Parking Facility revenue of \$57,800. There was no revenue budgeted in 2021–22.
- Other Recreation Programs increase of \$55,000 or 46.1 percent. The Park After School Program only allowed 20 children during the 2021–22 school year due to COVID-19 precautionary measures verses the pre-COVID-19 numbers of 90. Staff will be allowing up to 90 students for the 2022–23 school year (to match pre-COVID-19 numbers) but anticipates an enrollment of up to 60 students.
- There was one-time revenue of \$300,000 budgeted in 2021–22 for the Solid Waste Contract Reimbursement. This reduces the increases noted above. If City Council decides to move forward with the Request for Proposal (RFP) process, the estimated revenue and related appropriation for contract services would be reappropriated at that time.

Other Revenue is estimated to decrease by -\$40,331 or -27.2 percent. The City does not budget for the Refunds/Reimbursements Previous Year and Contribution Non-Government accounts in advance.

### General Fund Budget Balancing Actions for 2022–23

Budget Overview : Balancing Summary

General Fund Summary of Budget Balancing Actions for 2022-23	
Revenue	46,454,415
Transfers In	419,382
Appropriations	(44,884,724)
Transfers Out	(1,385,860)
<b>Changes to Fund Balance</b>	<b>(273,686)</b>
<b>Total General Fund Balance Projected for 6/30/23</b>	<b>329,527</b>
<b>Changes in Appropriations</b>	
Supplemental Requests	(626,582)
Position Requests	(319,038)
<b>Change in Fund Balance Reserves</b>	
Changes to Contingency Balances	(822,014)
Use General Plan Maintenance Fees	125,000
<b>Transfer In</b>	
American Rescue Plan Act Fund	1,313,107
<b>Balance Projected for 6/30/2023</b>	<b>0</b>
<b>Recommended Use of 2020-21 Unspent Funds</b>	
Unassign 2020-21 Unused Fund Balance	5,834,252
Increase Compensated Absences to 25% Goal	(18,362)
Transfer to Insurance Fund for Goal of \$3 Million Balance	(278,031)
Transfer to Equipment Replacement Fund for Funding Goal	(333,645)
Transfer to Capital Improvement Fund	(2,602,107)
Assign in General Fund for 2023-24 Budget	(2,602,107)
<b>Remaining 2020-21 Unspent Funds</b>	<b>0</b>

Staff recommends the transfer of \$1,313,107 of the remaining \$2,310,877 from the American Rescue Plan Act (ARPA) of 2021 Fund to the General Fund. ARPA funds include the following eligible uses:

1. To respond to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19) or its negative economic impacts, including assistance to households, small businesses, and nonprofits, or aid to impact industries such as tourism, travel, and hospitality.
2. To respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers of the State, territory, or Tribal/local government that are performing such essential work, or by providing grants to eligible employers that have eligible workers who perform essential work.
3. For the provision of government services to the extent of the reduction in revenue of such State, territory, or Tribal/local government due to the COVID-19 public health emergency relative to revenues collected in the most recent full fiscal year of the State, territory, or Tribal government prior to the emergency; or
4. To make necessary investments in water, sewer, or broadband infrastructure.

The \$1.3 million would be used for the provision government services to the extent of the reduction in revenue due to the COVID-19 public health emergency, which falls under eligible use category 3 above. This would leave \$997,770 for future use. The covered period for eligible expenditures is March 21, 2001 to December 31, 2024. Costs must be obligated by December 31, 2024 and must be expended by December 31, 2026.

As a part of the Midyear Budget Review on March 8, 2022, Staff recommended assigning the unspent General Funds from 2020–21 of \$5,834,252 for the 2022–23 Budget process, at which time it would be determined if the funds need to remain in the General Fund or should transfer to meet funding goals, in accordance with the City’s financial policies.

Staff recommends that unspent funds remaining from the 2020–21 Budget be used for the following:

- \$18,362 to increase the assigned Compensated Absences balance to the funding goal of 25% of the accrued liability for employee vacation, sick, and compensatory time.
- \$278,031 to increase the Insurance Fund’s net position to the funding goal of \$3 million for claims above recorded claims liabilities or catastrophic losses.
- \$333,645 to increase the Equipment Replacement Fund balance to the funding goal, which is to maintain net position equal to the accumulated amount calculated on the equipment replacement schedules for all equipment based on replacement cost and useful life.
- \$2,602,107 to the Capital Projects Fund to fund 2022–23 Capital Improvement Projects (CIPs) and future CIP funding needs.
- The remaining \$2,602,107 from FY2020–21 would be reserved for use in the 2023–24 Budget.

The following personnel changes occurred during the 2021–22 fiscal year:

Budget Overview : Personnel Changes

<b>Personnel Changes During 2021–22</b>		
<b>Department</b>	<b>Position</b>	<b>Comments</b>
Police	Administrative Assistant	Reclassified as Management Analyst by City Council on February 8, 2022.
Finance Administration	Senior Account Clerk	Reclassification of one Senior Account Clerk to Accountant by City Council on February 8, 2022.

As a part of the 2021–22 Budget, five vacant staff positions were frozen to reduce costs. The frozen staff positions were reviewed as a part of the 2022–23 Budget process and all the remaining frozen positions are recommended to be restored in the 2022–23 Budget:

Budget Overview : Restored Positions

<u>Restored Positions</u>		
<u>2022-23 Budget</u>		
<u>Department</u>	<u>Position</u>	<u>Comments</u>
City Clerk	Senior Office Assistant	Restored
Police Department	Police Officer (2)	Restored
	Police Service Officer (PSO)	Restored
City Manager	Assistant to the City Manager	Restored

The following personnel changes are included in the 2022–23 Budget:

Budget Overview : New Full-Time/Permanent Positions

<u>2022-23 Budget</u>		
<u>New Full-Time/Permanent Positions</u>		
<u>Department</u>	<u>Position</u>	<u>Comments</u>
Community Resources	Office Assistant	New, full-time/permanent position. Position will perform clerical and administrative tasks.
Human Resources	Risk Management Analyst	New, full-time/permanent position. Position will support all risk management functions.
Public Works	Senior Engineer	New, two full-time/permanent positions. The two new Senior Engineers will assist with Capital Improvement Projects
	Associate Engineer	New, full-time/permanent position. This position will assist with Capital Improvement Projects and additional projects.
	Public Works Inspector	New, full-time/permanent position. The Public Works Inspector will focus on inspecting Capital Improvement Projects and assist the other inspector as needed.

Budget Overview : Part-Time/Temporary Positions

<u>Part-Time/Temporary</u>		
<u>Department</u>	<u>Position</u>	<u>Comments</u>
Public Works	Intern	Two part-time/temporary positions at 20 hours per week each. The Interns will assist with clerical and administrative duties at the City Yard.
City Manager	Intern	New part-time/temporary position to assist the Senior Management Analyst where needed. This position is for up to 20 hours per week.
Community Development	Senior Planner	New, part-time/temporary position. This position will assist with implementing the Economic Development Strategy.
	Intern	New, part-time/temporary position. This position will assist the department as an Office Assistant.
Police	Intern	New, part-time/temporary position. Interns will be affiliated with an accredited academic institution and working under their internship program.

Budget Overview : Other Position Changes

Other Position Changes		
Department	Position	Comments
Public Works	Deputy City Engineer	Reclassify the Deputy City Engineer to City Engineer.
	Senior Office Assistant	Reclassify the Senior Office Assistant to Engineering Technician. This will more closely align the position with the department's needs and will focus on processing permits and assisting customers at the counter.
City Manager	Assistant to the City Manager	The Assistant to the City Manager position is unfrozen and will be reclassified as a Senior Management Analyst.
Police	Lieutenant	New, full-time/permanent position. The Lieutenant position will oversee personnel matters and special projects for the department. One Police Sergeant position that is vacant due to retirement will be eliminated.

## Expenditures

### General Fund Expenditure Summary

Budget Overview : General Fund Expenditure Summary

Expenditures	Budget	Budget	Increase	Overall %	% of
	2021-22	2022-23	Decrease	Increase	Total
Salaries and Benefits	\$24,597,043	\$25,601,125	\$1,004,082	4.08%	56%
Contract Services Private	5,740,640	5,817,240	76,600	1.33%	13%
Contract Services /CIP's	40,111	40,111	0	0.00%	0%
Contract Serv/Govt	7,350,822	7,775,783	424,961	5.78%	17%
Materials/Supplies/Other	6,172,791	6,474,764	301,973	4.89%	14%
Equipment/Furniture	68,466	121,020	52,554	76.76%	<1%
<b>Total Expenditures</b>	<b>\$43,969,873</b>	<b>\$45,830,043</b>	<b>\$1,860,170</b>	<b>4.23%</b>	<b>100%</b>

Overall expenditures in the General Fund are budgeted at \$45.8 million. This equates to a 4.2 percent increase over 2021–22. Expenditures for each department are presented in the department budget sections that follow later in the document.

The Salaries and Benefits comparison below shows an increase of approximately 4.1 percent to the 2021–22 Budget. Personnel changes are explained below in detail. The Contract Services/Government category shows an increase of 5.8 percent. There is a 5 percent or \$296,733 increase in the fire services contract with Los Angeles County Fire. The payment to the County for its share of parking structure revenue is expected in increase by \$334,420. \$110,000 is budgeted in the City Clerk’s budget for election costs in 2022–23. The City did not have election costs in 2021–22.

For 2022–23, \$150,000 is provided in the General Fund account Prospective Expenditures for unanticipated expenditures.

**Personnel.** As a service business, most of the City’s costs are in personnel (56 percent of General Fund). Personnel costs are 4.1 percent higher than the 2021–22 Budget.

As listed in the Budget Balancing Section of this overview, five vacant full-time permanent positions were frozen in the 2020–21 Budget and are recommended to be restored in the 2022–23 Budget. The Assistant to the City Manager position would be reclassified to a Senior Management Analyst, resulting in cost savings of \$48,251. An Intern would be added to the City Manager staff. This position is for up to 20 hours per week and will assist the City Manager’s Office where needed. A Risk Management Analyst would be added to Human Resources. This position will support all risk management functions and would be charged to the Insurance Fund. The Human Resources Analyst previously charged 50 percent to the Insurance Fund and 50 percent to the General Fund would be charged entirely to the General Fund. An Office Assistant position will be added to Community Resources to perform clerical and administrative tasks. The Deputy City Engineer position would be reclassified

to City Engineer (Public Works), resulting in an additional cost of \$25,349. Two Senior Engineer positions, an Associate Engineer position, and a Public Works inspector would be added to assist Public Works with Capital Improvement Projects. Funding for the four new full-time/permanent Public Works positions would come from the individual CIPs the positions are supporting. The Senior Office Assistant position in Public Works will be reclassified to an Engineering Technician, resulting in an additional cost of \$6,210. Reclassification will closely align this position with the department's needs and will focus on processing permits and assisting customers at the counter. Two Interns will be added to Public Works and specifically assigned to the City Yard to assist with clerical and administrative duties. Each Intern will be scheduled for 20 hours per week. One vacant Police Sergeant position will be eliminated and a Police Lieutenant added, resulting in an additional cost of \$17,113.

No salary increases are budgeted outside of the regular step increases for employees who have been with the City less than five years and whose performance meets expectations. The three-year Memorandums of Understanding (MOU's) with all employee labor groups are set to expire June 30, 2022 and negotiations are in progress with all employee groups.

Medical benefits are assumed to increase 9 percent and dental benefits by 4.9 percent in January 2023 based on estimated information from the City's insurance broker. The estimate is usually conservative so actual increases are typically lower. The budget reflects a 3.2 percent increase in benefit costs due to effective date of the increase and the City's cap on medical contributions.

**Retirement.** Side fund accounts for Fire, Police and Miscellaneous employees (as defined by CalPERS) were created when CalPERS made the decision to pool small cities in the 2003 actuarial valuation. The City's unfunded liability at that time was put into a separate account, called a "side fund", with amounts owed amortized over approximately 15 years. The amount has been paid over that time as part of our retirement contribution which is expressed as a percent of payroll. As the rates have dropped after the side funds have been paid off, rates decline. With the 2018-19 Financial Plan, City Council approved utilizing the side fund savings toward stabilizing our rates and depositing the funds to a retirement trust.

In the 2019–20 Budget, the City set aside \$829,060 of the savings from the Police side fund paying off. The City also has an additional \$1,021,575 in retirement stabilization funds set aside, to be eventually be placed in a retirement trust. Due to the sudden economic uncertainty and projected budget deficit, no additional funds were set aside for the retirement trust, however, the City is benefitting due to lower rates during this challenging time.

While the City continues to benefit from lower retirement rates due to the payoff of the side funds, retirement costs are continuing to increase year over year. Retirement costs are budgeted to increase by 10.2 percent or \$574,019 due to a combination of factors. Payroll is increasing due to the restored and added positions listed previously. While the normal cost contribution, which is a percentage of payroll, is increasing slightly for all plans, as staff leave and retire, there is a shift in the number of employees in the CalPERS Tier 1 or Tier 2 plans, reducing the normal cost payment. The unfunded accrued liability payments (UAL), which are fixed annual payments increased by a total of \$524,053 for the Fire, Police, and Miscellaneous plans, of which \$503,091 is paid from the General Fund. The City continues to budget for the prepayment of the annual unfunded accrued liability payment, a savings of 3.5 percent over making monthly payments.

The CalPERS investment return as of June 2021 was 21.3 percent. The 2020–21 rate of return triggered a reduction in the discount rate used to calculate employer and PEPPRA member contributions due to the Funding Risk Mitigation Policy approved in 2015. The Funding Risk Mitigation policy lowers the discount rate in years of good investment returns. The discount rate, or assumed rate of return, dropped from 7 percent to 6.8 percent. This is the first time the policy has been triggered. The lowering of the discount rate lessens the impact of possible future market downturns and stabilizes the fund. While the change in discount rate will raise employer contributions, the intent of implementing the policy during years with higher investment returns is to lessen the overall impact of the change in discount rate and essentially split the difference between the impact of the higher gains lowering contributions and the impact of the lower discount rate raising contributions. The change in discount rate is not phased in and is proportionate to the investment returns. The impact of the change in discount rates would affect the City's 2023–24 contribution rates.

**Funding for Retiree Health Benefits.** A new actuarial study was completed at the end of 2020. Funds for the Annual Required Contribution (ARC) for these benefits as determined by the actuarial study are adjusted for the current budgeted salaries and are included in the budget. While there is a slight variation in rates depending on employee group, the 3.5 percent or \$14,696 increase in contributions reflects the aforementioned salary increases due to restored or added positions. Having started putting funds aside for funding of these benefits in 2003-04, the City is on track to fully fund its Other Post-Employment Benefits (OPEB) liability.

A new reporting requirement for OPEB, GASB (Governmental Accounting Standards Board) 75, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions, was effective for the Comprehensive Annual Financial Report (Annual report) for fiscal year 2017-18. GASB 75, as it is called, parallels the recently implemented standards for reporting retirement costs. Similar to the changes for pension reporting, GASB 75, impacts financial reporting only, and does not change the way the City funds its OPEB. By funding the Annual Required Contribution, and setting aside funds in a trust, the City is meeting its contribution requirement, as we do with CalPERS.

*As of August, 2007, the City placed funds for the OPEB costs in an irrevocable trust, although the City had been setting funds aside for OPEB since 2002-03. Higher investment earnings should be realized over time since the trust is structured as legally distinct from the city, and therefore not subject to the legal restrictions placed on city investments. Earning a higher rate of interest reduces our Annual Required Contribution. Separate investment policies exist for the trust.*

**Sewer Fund.** A sewer service charge was established on June 23, 2015 to provide funds for rehabilitation as well as annual operation and maintenance costs. A Sewer Master Plan was presented to City Council in August 2017. The plan provides the City with comprehensive documents assessing the existing condition of our sewer infrastructure and provides long term capital improvement planning to allow the City to handle maintenance and improvement of the infrastructure in a cost-effective manner. \$2.8 million is budgeted for sewer capital improvements, which will be coordinated with planned street improvements.

**Storm Drain Fund.** Prior to approval of the sewer fee, funds were transferred from General Fund UUT revenue to the Sewer Fund to fund the basic maintenance of the system. Since passage of the sewer fee, this amount of \$700,000 is now transferred to the Storm Drain Fund for the purpose of operations, maintenance, and compliance with the new storm water permit requirements. A Storm Drain Master Plan was presented to City Council in October 2017. The plan establishes a prioritized capital improvement program to reduce the risk of flooding and storm drain issues. \$2.6 million is budgeted for storm drain improvements to address the highest priority projects. The City participates in a multi-city Enhanced Watershed Management Program.

**Insurance Fund.** The City's established goal for net assets in the Insurance fund is \$3,000,000. The projected balance at 6/30/2023 is slightly below the goal at \$2,779,227 prior to the recommended transfer of \$278,031 from the General Fund of unspent funds from 2020–21. This is due in part to the addition of a Risk Management Analyst. This new position in the Human Resources department would help support all risk management functions and would be charged fully to the Insurance Fund. The Personnel Analyst that was previously charged 50 percent to the Insurance Fund would be charged 100 percent to the General Fund. The transfer from the General Fund would increase the fund balance to \$3 million. The claims liabilities in the Insurance Fund will be updated based on the most recent actuarial reports provided by the insurance pool actuary and the funding status will be reviewed with the 2022–23 Midyear Budget. Recommendations will be made at that time.

Claim levels are reviewed as part of the preparation of the Annual Comprehensive Financial Report (ACFR) and at Midyear Budget Review.

**Equipment Replacement Fund (ERF).** Public Works will be replacing one vehicle and the Police Department will be replacing five vehicles from the Equipment Replacement Fund, with one being partially funding from the AQMD fund. The Vehicle Replacement Schedule may be found in the Appendix. Communications equipment (including computers and peripherals) and business machines are budgeted as scheduled. The schedules for these are also found in the Appendix.

\$101,555 has been set aside again through department charges for building maintenance (now a total of \$647,236) in the Equipment Replacement Fund. The projected balance in the fund is \$3,709,257.

**Capital Improvements.** The Capital Improvement Program includes funds budgeted for 2022–23 and a Five-Year Capital improvement Plan that includes a list of unfunded capital needs. The Capital Improvement Program totals \$23.5 million for 2022–23, which includes \$12.9 million in estimated carryover funds from 2021–22. The prior year funding column on the Capital Improvement Program Summary represents projects that are underway. \$10.6 million in new funds is budgeted.

Of the new funds, \$2,450,388 is budgeted for Street Improvements, \$920,636 for Sewer and Storm Drain Improvements, \$550,000 in Park Improvements, and \$4,474,670 for Public Building and Grounds Improvements. \$1,903,483 of new funds is also budgeted for studies. The details may be viewed in the Capital Improvement Plan 2022–23 section.

**Capital Improvement Fund.** As mentioned in the General Fund Budget Balancing Actions earlier in the overview, it is recommended that \$2,602,107 of unspent funds remaining from the 2020–21 Budget be transferred to the Capital Improvement Fund to provide funding of \$2,254,966 for 2022–23 CIP funding request with the remaining \$347,141 available for future projects. Funds for the renovation of the City Yard in the amount of \$2,189,278, Capital Facilities Reserve of \$841,393, and reserve of \$197,879 for future Fire Facility payments to the County are also reserved in the Capital Improvement Fund.

**Performance Measures.** Using performance measurement for decision making is a generally accepted best practice and a management pillar recommended by the Government Finance Officers Association (GFOA). GFOA recommends that program and service performance measures be developed and used as an important component of long term strategic planning and decision making which should be linked to governmental budgeting.

In 2014, the City established performance measures for the following departments/divisions: City Clerk, City Treasurer, Community Development, Community Resources, Finance, Fire and Emergency Management Services (EMS), Human Resources, Information Technology (listed in the City Manager Department Equipment Replacement Fund), Police and Public Works. Performance measure dashboards displaying key departmental metrics and goal achievement over the past four fiscal years are included at the front of each respective department’s budget section. Trend assessments are provided to indicate areas where performance is trending positively (marked in green), negatively (marked in red) indicating a need for the City to redirect effort and resources, or neutral (marked in white). To describe year-over-year changes where “Positive” or “Negative” might not be appropriate, “Increasing” or “Decreasing” trend assessments (marked in white) are assigned. An example of where this may be applicable is, in past years, an increase in Community Resources expenditures per capita may have been assessed as “Negative” when, in fact, the change may actually be attributed to increased recreation program participation with corresponding revenues. Therefore, the trend assessment is better reflected as “Increasing.”

Finally, where a performance measure goal has been “met or exceeded”, a check-mark is used instead of a trend assessment.

## Budget Highlights

Many items included in the budget that reflect City Council adopted goals and other items of note are:

- Presentation of a Capital Improvement Plan for 2020–21 and Five-Year Capital Improvement Program to identify the city’s longer term funded infrastructure needs. A total of \$23.5 million is funded with \$10.6 million in new funding. As a part of the budget balancing process, all proposed CIPs were reviewed and changes were made to prioritize the use of restricted funds and reduce the use of discretionary funds. In order to move the existing and new projects forward, an additional four positions will be funded from the CIPs, including three Engineer positions and one Public Works Inspector.

- \$2,189,278 is reserved in the Capital Improvement Fund for New Corporate Yard Facilities.
- Payments totaling \$371,695 to L.A. County Fire for renovation of the fire facility are budgeted in the Capital Improvement Fund and funds for the remaining balance of \$197,879 are reserved. The final fire equipment conversion costs totaling \$21,561 for are budgeted in the Fire Protection Fund. Payments for fire facility renovation and equipment conversion costs were spread over five years as a part of the agreement when Fire Services transferred to the County. See the Appendix for payment schedules.
- \$685,860 is transferred from the General Fund for debt service related to the oil settlement (Lease Revenue Bond). The 2015 Lease Revenue Bonds were refunded in 2020–21, saving approximately \$1 million over the life of the bonds. See the Appendix for debt service payment schedules.
- \$30,000 remains from funds set aside in the Equipment Replacement Fund in 2017–18 for the future required upgrade of all city radios as part of the South Bay Regional Public Communication Authority upgrade of the joint powers authority for dispatching. The Police Department requests that the funds remain on reserve as a project contingency until the project is completed in 2022–23.
- One new undersea cable is anticipated to be operational in 2022–23. For 2022–23, quarterly payments of \$40,500 (\$162,000 annually) will be received for the first two cables in the RTI Fund. One-time payments of \$253,000 in the RTI Fund and \$184,000 in the RTI Tidelands Fund will be received for cable 3.
- Replacement of six vehicles, five for the Police Department and one for Public Works. The Tesla Model Y for the Police Department is budgeted to be partially funded from the Air Quality Management District (AQMD) Fund, and the remaining five vehicles are budgeted entirely from the Equipment Replacement Fund.
- \$150,000 is budgeted in the Equipment Replacement Fund for parking meter upgrades and replacements, with an additional \$16,000 budgeted for multi-space meters. Existing meters using the 2G/3G technology require hardware and software updates as Verizon phases out the 2G/3G network. CIP 108 also includes funding for pay-by-app signage. The implementation of a pay-by-app system will require the installation of signs to provide users instructions and zone numbers necessary to use the system. Although most vendors will provide the signs at no cost, the City will need to cover the cost of installation and any additional poles. CIP 108 will be funded from the Capital Improvement Fund
- \$50,000 for the Housing Element implementation as apart of General Plan implementation will be funded with General Plan Maintenance Fees. The Housing Element is a series of policies that shape the future of housing in Hermosa Beach. These policies will maintain and improve the existing housing stock and expand housing opportunities for families of all economic levels and persons with special needs such as disabilities.
- \$75,000 for Local Coastal Program certification assistance as a part of the City’s efforts to obtain a certified Local Coastal Program.
- Disaster shelter supplies, operational supplies, resident connect data for the emergency notification platform, and a capital improvement project to make the Emergency Operations Center (EOC) more functional are also funded.
- \$100,000 is included for a citywide internal audit program that would focus on maintaining and implementing best management practices in order for the City to provide a high value of services to its residents in a cost-efficient manner.
- \$20,000 for a Business License study to assess the composition of the City’s businesses and provide options to update the tax structure.
- \$40,000 for a sign shop for the City Yard, giving staff the ability to create signs quicker, cheaper, and customized for citywide work.

- \$80,000 for tree removal and planting services.
- \$50,000 from the Supplemental Law enforcement Services Fund for the Automatic License Plate Recognition (ALPR) Camera Project.
- Furniture and workstation equipment for the Bard Street Trailer CIP 619, which will create office space for City Hall staff.
- \$60,000 for traffic analysis in relation to the Neighborhood Transportation Management Plan (NTMP) and Downtown Lane Reconfigurations.
- The following technology upgrades are budgeted in the Equipment Replacement Fund:
  - Time and Attendance system, Finance Administration
  - Color printer, Public Works
  - iPads for Public Works staff
  - Microsoft OneDrive/SharePoint Migration - expanded scope, Citywide
  - New copier and copier maintenance leases, Citywide
  - Windows Server Refresh
  - A reserve of \$323,558 has been added for the estimated one-time costs associated with replacing the City's current accounting and cashiering systems with a new integrated Enterprise Resource Planning (ERP) system at a future date.

# City Council Department - 1101

Source of Funds: 001 General Fund

## Department Description

The City Council consists of five citizens elected at large. The Mayor is appointed from the group. The City Council's responsibilities are: to establish City-wide policy; secure revenues and adopt an annual budget; appoint members of various City Commissions and Boards; rule on such matters as prescribed by the laws of the State of California and the City of Hermosa Beach.

The Council meets the second and fourth Tuesday of the month at 7:00 p.m. in the Council Chambers at City Hall. During the pendency of the COVID-19 emergency, the City Council temporarily established an earlier meeting time of 6:00 p.m. for its regular meetings. Meetings are also held pursuant to Executive Order N-29-20 issued by Governor Gavin Newsom on March 17, 2020. Any or all City Councilmembers may attend and participate by teleconference/virtual meeting.

# City Manager Department - 1201

Source of Fund: 001 General Fund

## Department Description

The City Manager is appointed by the City Council and is the Chief Executive Officer of the city. The City Manager is responsible for carrying out City Council policies and directives, along with providing oversight of all City operations, including budgetary, personnel, enforcement and service delivery activities. The City Manager provides leadership and direction to department heads, develops policy recommendations, and coordinates intergovernmental relations.

## Air Quality Management District (AQMD) Emission Control Program - 3701

Source of Funds: AB2766 Air Quality Development Fund

### Department Description

Funds received from AB 2766/AQMD Emission Control Bill are deposited in the Air Quality Development Fund since they require separate accounting. Programs that reduce mobile source emissions are eligible for funding from these monies. The City Manager’s Department administers a ride-sharing incentive program towards the goal of attaining the Council’s objective of carbon neutrality.

# Information Technology - 1206

Source of Funds: 715 Equipment Replacement Fund

## Department Description

The Information Technology Division provides effective technology support for computer, multimedia, voice, video, and web based applications and services to all areas of the City. Promotes and facilitates the effective integration of technology into the basic mission of the City through planning, consulting, and other support activities. Develop, enhance, and manage the City's enterprise networks to provide high speed, transparent, and highly functional connectivity among all information resources. Facilitates the collection, storage, security and integrity of electronic data while ensuring appropriate access. Promotes new uses of information technology within the City through the support for exploratory and innovative applications. Provides leadership for effective strategic and tactical planning in the use of technology. Provide fast & reliable access to all information systems.

The City contracts for IT services with a private company. Computer and business machine replacement schedules are located in the Appendix. New purchases, as opposed to replacement purchases (per the replacement schedules) are listed below. Division costs are allocated to other departments by way of the Communications Equipment Replacement Charges shown as a line item in the budget.

# Community Development Building and Safety/Code Enforcement Division - 4201

Source of Funds: 001 General Fund

## Department Description

The primary service of the Building and Safety Division is to administer and enforce standards and codes for the safeguarding of life, health, and property. Enforcement is implemented through checking plans, issuing permits, and inspecting construction at all phases of a project for compliance with the California Building Code, the Municipal Code, and other safety standards related to material and structural soundness. The Building Division collects fees based on the cost of delivering services and processes and maintains records of permits, inspections, and plans.

Additionally the Division provides the following services: identifies violations and responds to reported violations of state and city codes and regulations relating to building safety, zoning, occupancy, commercial signs, etc., and takes the necessary administrative steps to remedy violations; prepares and updates codes based on state mandates; identifies and researches local trends and problems for local code modifications; provides support for the code appeals boards; responds to inquiries and assists customers at various phases of development and construction projects; prepares and provides educational materials and inspection support for work in the public right-of-way.

# Community Development Planning Division - 4101

Source of Funds: 001 General Fund

## Department Description

The Community Development Department, Planning Division, administers the City's comprehensive planning programs, processes development permits, and carries out various initiatives as directed by the policy boards. The Division prepares, maintains and implements the General Plan and Coastal Land Use Plan. It formulates, conducts and implements various advance planning programs and studies as directed by policy boards. The Division administers zoning and subdivision regulations and prepares code amendments as required by law and directed by policy boards. It administers discretionary permit processes by providing information to public at the counter, assisting applicants with development applications, and processing applications and monitoring compliance; maintaining compliance with the Permit Streamlining Act; and administering the California Environmental Quality Act by preparing and overseeing the preparation of environmental documents. The Division oversees or carries out various community and sustainability initiatives. The Division serves as staff to the City Council and administers the Planning Commission, administers and/or staff various committees as directed by policy boards, administers or assists in implementing various programs (AB 939; AB 341 waste reduction; NPDES; Community Development Block Grant program); seeks grants and liaises with various governmental and community organizations and interests.

## Commuter Express Participation - 3408

Source of Funds: 145 Proposition A Fund

### Department Description

This Commuter Express Program (Line 438) is currently operated by the City of Los Angeles encompassing four jurisdictions: City of Los Angeles, City of Hermosa Beach, City of Manhattan Beach, and Culver City, which offers freeway express service to downtown Los Angeles. Total ridership for 2019-20 was 25,344. Total ridership for 2020-21 was 7,424. This reduction in ridership was due to the COVID-19 pandemic.

# Community Resources Department - 4601

Source of Funds: 001 General Fund

## Department Description

The Community Resources Department plans, manages and implements recreational; cultural and social service programs; both City sponsored and non-City sponsored special events in the City's parks, beaches and public facilities; City film permits; and Pier Plaza promotions. The Department also manages the Community Center, Community Theatre, Clark Building and other recreational facilities which provide rental and lease space for contract classes, youth and senior programs, sports leagues, meetings, social events and non-profit organizations.

## Department Organization Chart

\*Camera Operators are budgeted in Community Resources and managed by Finance.

# Performance Measures

Performance Measures : Community Resources (Parks & Recreation)

Performance Measure	FY 2017/18 Actual	FY 2018/19 Actual	FY 2019/20 Actual	FY 2020/21 Actual	Trend Assessment

# Finance Administration - 1202

Source of Funds: 001 General Fund

## Department Description

The Finance Administration Division of the Finance Department maintains general ledger and accounting records for the City, manages internal control processes, payroll, accounts payable and accounts receivable. Finance Administration oversees grant reporting/auditing, revenue collection and files all financial reports to County, State and Federal Agencies, as well as Comprehensive Annual Financial Statements (Annual Report) and annual audit. The Department assists the City Manager with the annual operating and capital improvements budgets and provides support services to the operating departments. The Finance Department also issues rebates for the Lighting/Landscaping District Assessment and the Sewer Service Charge as well as utility tax exemptions for our senior and disabled residents.

# Finance Cashier Division - 1204

Source of Funds: 001 General Fund

## Department Description

This division of the Finance Department serves as the City's Cashier for incoming revenue. The division is responsible for the sale and recordkeeping for business licenses, animal licenses, various parking permits (preferential area resident permits, daily permits, contractor's permits, temporary guest permits for the preferential residential area and driveway permits), taxi vouchers, bus passes and cash keys for use in the parking meters. Additionally, the division processes all parking citation payments and maintains the parking citation records.

## Bayview Drive and Beach Drive Administrative Charges - 1219

Source of Funds: 135 Bayview Drive Assessment Fund and 139 Beach Drive Assessment Fund

### Department Description

Fiscal agent agreements for the Bayview Drive Utility Undergrounding District (2004-2) and Beach Drive Utility Undergrounding District (2004-1) require that the City establish these accounts for the payment of all on-going fees and charges that arise in connection with the administration of the assessments. These are private undergrounding districts funded by the homeowners. The City issues bonds to allow payment over time by way of the property owner county property tax file.

## Lease Revenue Bonds - 1220

Source of Funds: 201 Lease Revenue Bond Fund and 001 General Fund

### Department Description

On July 14, 2015, the City formed the Hermosa Beach Financing Authority to establish the structure required issuance of lease revenue bond. On July 23, 2015, the City issued Hermosa Beach Public Financing authority 2015 Lease Revenue Bonds (2015 Bonds) in the amount of \$11,600,000. The 2015 Bonds were issued to make certain payments pursuant to a settlement agreement with E & B Natural Resources.

In September 2020, City Council approved Resolution 20-7258, which approved the issuance and sale of refunding lease revenue bonds sufficient to refund the remaining outstanding 2015 Lease Revenue Bonds. This will result in a cash flow savings of approximately \$965,000 through 2035.

## County Fire District - 2202

Source of Funds: 001 General Fund, 180 Fire Protection Fund, and 301 Capital Improvement Fund

### Department Description

The City contracted with Los Angeles County Fire District (LACoFD) for Fire Services on December 30, 2017.

#### LACoFD VISION:

The Los Angeles County Fire Department will be an exemplary organization acclaimed for our national reputation, our regional strength, and our hometown attentiveness as we provide fire protection and life safety services.

#### LACoFD MISSION:

To protect lives, the environment, and property by providing prompt, skillful, and cost-effective fire protection and life safety services.

#### LACoFD CORE VALUES:

- Integrity
- Teamwork
- Caring
- Courage
- Commitment
- Community

## Department Description

The Human Resources Department provides a full range of “hire through retire” services with a dedicated focus on recruitment, selection, training and retaining high quality personnel. The Department also manages a comprehensive City-wide employee salary and benefits program, along with labor relations and associated contracts; oversees all aspects of the City’s comprehensive risk management program including liability claims, workers’ compensation, contract management and mandated reporting; and assists in moving the organization forward through achievement of strategic goals and objectives. The Human Resources Manager serves as staff liaison to the Civil Service Board and serves as the City’s Risk Manager.

## Organization Chart

## Performance Measures

Performance Measures : Human Resources

Performance Measure	FY 2017/18 Actual	FY 2018/19 Actual	FY 2019/20 Actual	FY 2020/21 Actual	Trend Assessment
<b>HUMAN RESOURCES</b>					
Turnover Rate: ALL Employees	21%*	11%	11%	7%	Positive
Total Workers' Compensation Claims	16	17	13	13	Neutral
Workers' Compensation, Number of Days Lost to Injury: Sworn Law Enforcement	924	320	1522**	348	Positive
Percent of Sick Leave Hours Taken of Total Employee Work Hours	1.00%	1.80%	2.20%	3.10%	Negative

\*FY 2017/18 Turnover Rate increase was due to the transfer of Fire Services to Los Angeles County on December 30, 2017 (15 Full-Time Equivalent positions). Excluding Fire Services, the City's overall FY 2017/18 turnover was 9%.

\*\*FY 2019/20 was previously reported as 408, increase is due to COVID related absences

# Police Department - 2101

Source of Funds: 001 General Fund

## Department Description

The Police Department is responsible for preserving the peace, preventing crime and disorder by protecting life and property and the personal safety within the community through the enforcement of state laws and city ordinances. The Police Department responds to calls for service, patrols the community, trains police officers, provides thorough investigative follow-up on crimes against persons and major property crimes in an attempt to successfully identify and prosecute violators, prepares cases for prosecution, investigates vehicle collisions, analyzes crime and criminal activities, collects, processes and stores evidence, prepares criminal and civil reports, provides security for special events, provides victim advocacy, maintains records, public records and training records, provides public education programs, and supports Neighborhood Watch programs.

		Reserve Officer	0.25	0.25
	TOTAL		0.25	0.25
	GRAND TOTAL		52.25	52.57

## Position Summary Notes:

### 2021-22

Non-Sworn Positions - The Police Service Officer Supervisor position, which was frozen for 2020-21, will be unfrozen for 2021-22 and one Police Service Officer position will be frozen for the 2021-22 fiscal year.

Sworn Positions - A second Police Captain position will be added and the two Police Lieutenant positions will be reclassified to Police Captain. The Police Lieutenant positions will be eliminated. This reorganization results in one additional Police Officer position. Currently, there are 29 Police Officers due to an overhire of recruits to fill positions becoming vacant. The additional Police Officer will not be filled until the overhire is eliminated. Police will now have 27 authorized Police Officer positions.

### 2022-23

The frozen Police Service Officer and two Police Officer Positions are recommended to be restored. One vacant Police Sergeant position will be eliminated and replaced with a Police Lieutenant.

## Bulletproof Vest Partnership - 2111

Source of Funds: 150 Grant Fund

### Department Description

The Bulletproof Vest Partnership Grant Act of 1998 created the Bulletproof Vest Partnership which funds 50 percent of the cost of each vest that complies with the requirements of the Office of Justice Programs' National Institute of Justice. Jurisdictions must apply online with priority funding for applications from jurisdictions with fewer than 100,000 people. The program is administered by the U. S. Department of Justice.

## Body Worn Cameras - 2119

Source of Funds: 150 Grant Fund

### Department Description

Audio and video recording of contacts between Department members and the public provides an objective record of events, and the use of a recording system assists Department members in the performance of their duties by providing a digital record of enforcement and investigations. A recording of an event or contact also enables the delivery of timely, relevant and appropriate training to maximize safety for our employees and improve the provision of services to the community.

## Asset Seizure Program and K-9 Division - 2105

Source of Funds: 170 Asset Seizure/Forefeiture Fund

### Department Description

The police canine augments police services to the community. The K-9 handler works an assigned shift and in addition to regular police officer duties assists with explosive detection and searches of vehicles, buildings, open areas, buried items, and packages. The canine is trained to work in large crowds and helps protect the public during community events.

## Public Works

# Administration and Engineering Division - 4202

Source of Funds: 001 General Fund

### Department Description

The primary service of the Public Works Administration and Engineering Division is to coordinate and blend the efforts of all divisions of the Public Works Department in accomplishing the directives of the City Council and the City Manager; including engineering and management of capital improvement projects. The Division also checks plans, issues permits, and inspects construction affecting the public right of way for compliance with the Municipal Code and other safety and industry standards.

Additionally, the Division provides the following services: precise development plan reviews, coordinates service requests, issues encroachment permits, responds to inquiries regarding speed humps, disabled parking, memorial program, and signage/stripping/traffic concerns, administers NPDES program, special event coordination, responds to code violations in the public right of way, grant research, responds to concerns related to utility providers and Caltrans, manages the City Council meeting calendar, public noticing, and oversees City contractors for engineering, janitorial, landscaping, street sweeping and steam cleaning services, etc.

## Position Changes

### 2021-22

The Assistant Engineer position was unfrozen in fiscal year 2020-21. One additional Assistant Engineer position is recommended for fiscal year 2021-22.

The GIS Analyst position has been moved to the City Manager's Department.

### 2022-23

Two Senior Engineers, one Assistant Engineer, and one Inspector are recommended to be added and funded from CIPs. One Assistant Engineer is already allocated entirely to CIPs.

## Equipment Services Division - 4206

Source of Funds: 715 Equipment Replacement Fund

### Department Description

The Equipment Service Division provides for centralized repair and maintenance of all City vehicles and equipment. Activities range from minor repairs to major overhauls. The Division also evaluates the service life and advises vehicle replacement needs. Division costs are allocated to other departments by way of the Equipment Replacement Charges shown as a line item in the budget.

# CAPITAL IMPROVEMENT PROGRAM

2022-2023

## Welcome to the Capital Improvement Plan

The Capital Improvement Program (CIP) is the City's comprehensive plan to develop and maintain the City's capital facilities and infrastructure. Capital projects are usually of high cost, take a year or more to complete, and result in the creation of a capital asset. Included in the budget document is the detailed 2022-23 Capital Improvement Program, along with the high level Five Year Capital Improvement Plan.

### About the Capital Budget

#### 2022-23 Capital Improvement Program

The 2022-23 Capital Improvement Program is divided into three main sections: Capital Improvement Program Summary, Capital Improvement Program Funding Summary, and Capital Improvement Project Description Pages.

The Capital Improvement Program Summary is divided into five main project types: Street and Highway Improvements, Sewer/Storm Drain Improvements, Park Improvements, Public Building and Ground Improvements, and Studies. Funding is broken down into remaining prior year funding, FY 2022-23 funds, and total project funds. The remaining prior year funding includes any unspent funds appropriated in prior budget years intended for use in the current fiscal year.

The Capital Improvement Funding Summary is an overview of the capital improvement budget by fund. Funding is broken out by prior year carryover and 2022-23 current year budget.

The Capital Improvement Project Description Pages are grouped by type as noted above and organized by project number. Noted on each project description page are title, project description, justification, status, maintenance, cost to complete project, remaining prior year funds, current year request, and total FY 2022-23 funding. For FY 2022-23, due to the project completion timeline, no impact to the operating budget is anticipated, as any estimated increase in costs would be negligible.

## Capital Budget by the Numbers

**Total Cumulative Project Funding:**

**\$23,452,610**

# Five Year Capital Improvement Projects

## Five Year Capital Improvement Plan

The Five Year Capital Improvement Plan is a multi-year plan that forecasts needs for all anticipated capital projects, even when funding is not yet available. The first year of the plan is the 2022-23 Capital Improvement Program budget. Also included are future years for ongoing projects and projects for which funding has not been secured or authorized. The “future years” of the plan are therefore subject to change.

The Five Year Capital Improvement Plan Summary is organized by the three main project types: street and highway, sewer/storm drain and park improvements. The summary breaks out funding by budget year. The Unfunded Capital Needs are included in the Five Year Capital Improvement Plan Summary.

Click on the image to below to view the Five Year Capital Improvement Program Summary.

# CIP 102 BUS STOP IMPROVEMENTS

Street and Highway Improvements  
PUBLIC WORKS

## Project Description

This project will improve bus stops throughout the City. These improvements will include Americans with Disability Act (ADA) accessible curb ramps, concrete bus pads, crosswalk, striping improvements, furnishing, and other general improvements within direct vicinity of the bus stops.

## Justification

These improvements for bus stops qualify for the use of Prop C funds, which are restricted funds.

## Status

Preliminary Design  
Construction to be completed in FY 22-23

## Maintenance

No additional maintenance required.

# Cost to Complete Project

# CIP 108 PAY-BY-APP PARKING SIGNAGE

Street and Highway Improvements  
PUBLIC WORKS

## Project Description

This project will include new signage and improvements for a new Pay-By-App parking system. The implementation of a Pay-By-App system will require the installation of signs that will provide instructions for users and zone numbers necessary to use the system. The industry recommendation is that at least two signs be installed per block. At this time, most vendors providing pay by app systems will provide the signs at no additional cost to the City but require City staff to install them and any additional poles. It is estimated that the City will need approximately 375 signs installed, and 30 new poles installed in some locations due to a lack of existing poles. The installation would occur in areas of the City where paid parking is currently provided.

## Justification

New signage and improvements are required to implement new Pay-By-App parking system.

## Status

Final Engineering Design.  
Construction to be completed in FY 22-23.

## Maintenance

Signage will need to be replaced on regular schedule.

## Cost to Complete Project

# CIP 109 UTILITY BOX WRAPPINGS (NEW)

Street and Highway Improvements  
PUBLIC WORKS

## Project Description

This project will add art wrappings around utility boxes around the City. The City has several utility boxes located throughout the city. Many can be wrapped with decorative art. Some of the boxes are City owned while others are owned by a third party. Permission from third party owners will be required to wrap those boxes.

## Justification

These improvements will add character and visual aesthetics to the City.

## Status

Preliminary Design.  
Construction to be completed in FY 22-23.

## Maintenance

No additional maintenance required.

## Cost to Complete Project

# CIP 143 PACIFIC COAST HIGHWAY (PCH) MOBILITY IMPROVEMENT PROJECT

Street and Highway Improvements  
PUBLIC WORKS

## Project Description

The City has identified a number of complete street project elements that can be implemented to improve mobility, accessibility, and safety along the Pacific Coast Highway (PCH) corridor in Hermosa Beach. These elements are described in the Project Study Report prepared by the City and Caltrans in 2015 and include: Traffic Signal Synchronization, Landscape Medians, Americans with Disabilities Act (ADA) Improvements/Removal of Utility Impediments, Transit Access Enhancements, Pedestrian Enhancements, and Aesthetic Enhancements.

Collectively, the improvements will address existing, near-term, and long-range future traffic conditions along this corridor by improving intersection operations, reducing instances of unsafe turning movements, create a safe and more comfortable environment for pedestrians and transit riders, and improving the efficient movement of vehicles along the corridor.

## Justification

This project is to improve accessibility, mobility and safety along the Pacific Coast Highway corridor.

## Status

Preliminary Design.  
Staff coordinating with Cal Trans, Metro and Council of Governments for design options.

## Maintenance

Additional maintenance may be required depending on implemented improvements.

## Cost to Complete Project

# CIP 164 HERMOSA AVENUE GREEN STREET

Street and Highway Improvements  
PUBLIC WORKS and CITY MANAGER

## Project Description

This project will design and implement Low Impact Development (LID) and green infrastructure on Hermosa Avenue from 4th Street to Herondo Avenue, which will include a variety of green street design elements.

This project is also part of a multicity green street project lead by the City of Torrance.

## Justification

The Hermosa Beach City Council's 2014-2019 Strategic Plan identifies Street Improvement Projects as a Major Project for 2015. It is the policy of the City to implement Green Street Best Management Practices (BMPs) as elements of street and roadway projects including public works capital improvement projects to the maximum extent practicable.

Additionally, the Enhanced Watershed Management Program (EWMP) identifies the installation of distributed BMPs as a requirement of the 2012 Municipal Separate Storm Sewer System (MS4) permit. LID retrofits such as the projects described here will expedite the City's ability to meet the required compliance deadlines for trash and bacteria Total Maximum Daily Load (TMDL).

## Status

Final Engineering Design.  
Construction to be completed in FY 22-23.

## Maintenance

No additional maintenance required.

## Cost to Complete Project

# CIP 188 STRAND BIKEWAY AND WALKWAY IMPROVEMENTS AT 35th STREET

Street and Highway Improvements  
PUBLIC WORKS

## Project Description

This project would provide improved accessibility and connectivity for bicyclists traveling between the Cities of Hermosa Beach and Manhattan Beach via The Strand at 35th Street. The project will also consider the addition of a dedicated ADA path to provide greater ADA accessibility to The Strand.

## Justification

Provides improved accessibility and connectivity between the Cities of Hermosa Beach and Manhattan Beach along the bike path route, and provides for ADA accessibility in this location.

## Status

Preliminary Design

## Maintenance

No additional maintenance required.

# CIP 191 ANNUAL STREET IMPROVEMENTS

Street and Highway Improvements  
PUBLIC WORKS

## Project Description

This project provides for pavement rehabilitation of streets at various locations. The project will also repair/replace deteriorated portions of sidewalk, curb and gutter, curb ramps.

This work will be performed following the sewer and storm drain repairs identified in the Sewer and Drainage Master Plans.

## Justification

Annual street resurfacing projects are necessary to maintain and improve the City's pavement condition index.

## Status

Preliminary Design  
Construction to be completed in FY 22-23.

## Maintenance

No additional maintenance required.

## Cost to Complete Project

# CIP 193 PEDESTRIAN CROSSING SAFETY IMPROVEMENTS

Street and Highway Improvements  
PUBLIC WORKS

## Project Description

This project will implement rectangular rapid flashing beacons and other measures at several uncontrolled pedestrian crossings on Hermosa Avenue at 4th, 6th, 19th, 24th, 25th Streets, and the crossing in front of Clark Building on Valley Drive.

## Justification

The City has several uncontrolled pedestrian crossings on Hermosa Avenue and other locations which have been recommended to implement flashing beacon and other measures to improve safety.

## Status

Preliminary Design  
Construction to be completed in FY 22-23.

## Maintenance

Additional funds will be required in the event of needed replacement of flashing beacons. Flashing beacons have an estimated life cycle of 10 years.

# CIP 194 ANNUAL STRIPING IMPROVEMENTS

Street and Highway Improvements  
PUBLIC WORKS

## Project Description

This project provides traffic striping, markings, and signage improvements and modifications throughout the City at various locations to improve safety and visibility. This project will help address thermoplastic striping needed which the City is not capable of installing directly.

## Status

Preliminary Design  
Construction to be completed in FY 22-23.

## Justification

Several locations are in need of traffic restriping, improvements, and modifications.

## Maintenance

No additional maintenance required.

# CIP 417 STORM DRAIN IMPROVEMENTS - VARIOUS LOCATIONS

Storm Drain Improvements  
PUBLIC WORKS

## Project Description

This project includes storm drain improvements throughout the City. Locations will be as identified and prioritized per the Storm Drain Master Plan. Projects will address deficiencies, ponding, and repairs as well as where new storm drains are needed Citywide.

This project will also address operational deficiencies at the outfall structures at 18th Street and 19th Street.

Improvements include for design and construction activities on an annual basis.

## Justification

The Storm Drain Master Plan identified areas of inadequate capacity, localized ponding and operational deficiencies.

## Status

Final Engineering Design  
Construction to be completed in FY 22-23.

## Maintenance

No additional maintenance required.

# CIP 421 ANNUAL SEWER IMPROVEMENTS

Sewer Improvements  
PUBLIC WORKS

## Project Description

This project includes design and construction of sewer improvements and repairs based on the Sewer Master Plan. Improvements will include lining, point repairs, removal and replacement.

Design will include improvements for multiple fiscal years.

## Justification

The City's sanitary sewer system is aging and in need of extensive rehabilitation.

## Status

Final Engineering Design.

Project consists of 2 phases. Phase 1 includes lining work and point repairs. Phase 2 includes point repairs, pipe replacement, and maintenance access hole rehabilitation. Phase 2 to start after completion of Phase 1.

Construction of Phase 2 to be completed in FY 22-23.

## Maintenance

No additional maintenance required, hydro-flushing already included in existing sewer maintenance contract.

# CIP 609 DOWNTOWN STRATEGIC PLAN IMPLEMENTATION

Public Buildings and Ground Improvements  
PUBLIC WORKS

## Project Description

This purpose of this project is to mitigate safety concerns with lighting improvements for the City's downtown area.

This project will install catenary lights and dimming units on Pier Plaza.

## Justification

This project's intent will address safety concerns through improved lighting levels.

## Status

Final Engineering Design  
Construction to be completed in FY 22-23.

## Maintenance

Additional lighting will increase electricity costs, estimated at \$1,200 annually.

# CIP 615 NEW CORPORATE YARD FACILITIES

Public Buildings and Ground Improvements  
PUBLIC WORKS

## Project Description

This project is for the design and construction of a new City Yard. The current City Yard is in need of reconstruction. A new City Yard will provide a safe and functional area for City maintenance crew and staging.

## Status

Preliminary Design.

\*\$2,189,278 is reserved in the Capital Improvement Fund for this project.

## Justification

The current facility is outdated and in need of replacement. Onsite facilities are in poor condition and do not meet seismic code requirements.

## Maintenance

Expanded administrative areas will require additional janitorial services estimated at \$1,500 annually. New lighting and other electricity costs are estimated to be offset by solar panels.

# CIP 617 CIVIC CENTER CHARGING STATIONS (NEW)

Public Buildings and Ground Improvements  
PUBLIC WORKS

## Project Description

This project will explore the electrical power needs and installation of expanded electric vehicle charging infrastructure to serve the Police Department fleet on Bard Street, adjacent the Police Department and City Hall. The expanded charging would include up to 10 new chargers including both Level 2 and Level 3 chargers.

## Justification

Per the City’s Clean Fleet Policy, the Police Department is increasing its use of electric vehicles. This will require additional chargers including Level 3 “fast” chargers to ensure electric police vehicles are fully charged and ready for service at all times. Current electrical capacity for City Hall and Police Department facilities may require electric infrastructure upgrades and this will be explored. Grant funding opportunities will also be explored.

## Status

Preliminary Design.

## Maintenance

Additional maintenance services will be required to maintain and service new charging stations.

# CIP 619 PICKLEBALL COURT RESURFACING (NEW)

Public Buildings and Ground Improvements  
PUBLIC WORKS

## Project Description

This project will resurface and reconfigure the City's pickleball courts at Clark Field. The courts will be restriped and reconfigured to meet pickleball court standards. Other improvements may be made to improve the courts as well.

## Justification

The courts are in the need of resurfacing and reconfiguration.

## Status

Preliminary Design.  
Construction to be completed in FY 22-23.

## Maintenance

Courts will need resurfacing every five to eight years.

# CIP 660 MUNICIPAL PIER STRUCTURAL REPAIRS

Public Buildings and Ground Improvements  
PUBLIC WORKS

## Project Description

This project will include electrical repairs and replacement of existing conduit, junction boxes, connections and wiring so that the lights can be functional. The project will also eliminate the service box towards the end of the pier and create a new service connection point for the foghorn at the end of the pier.

This project will also include the replacement of the bollard lighting at the pier with new LED lighting fixtures.

## Justification

Existing junction boxes and connections, and wiring are damaged and corroded. The existing conduits are not easily accessible.

## Status

Final Engineering Design  
 Obtaining Coastal Commission permits.  
 Construction to be completed in FY 22-23.

## Maintenance

Additional inspection of new electrical system  
 estimated at \$1,600 annually.

# CIP 669 CITY PARK RESTROOMS AND RENOVATIONS

Public Buildings and Ground Improvements  
PUBLIC WORKS

## Project Description

This project consists of:

### Fort Lots-Of-Fun

Construction of ADA compliant restrooms; no existing restroom facilities at this park.

### Seaview Parkette

Construction of ADA compliant restrooms; no existing restroom facilities at this park.

### South Park

Design and construction of new ADA compliant restroom at South Park. Upgrades and renovations to existing restrooms.

### Clark Field

Construction of ADA compliant restroom; existing restrooms are in poor condition and need to be replaced.

## Justification

Existing restroom at South Park and Clark Field are in poor condition and need to be replaced and or renovated. Fort Lots-Of-Fun and Seaview Parkette do not have restrooms facilities.

## Status

Construction to be completed in FY 22-23.

## Maintenance

New restroom janitorial and building maintenance materials estimated at \$17,000 annually.

# CIP 682 PARKING LOT D IMPROVEMENTS

Public Buildings and Ground Improvements  
PUBLIC WORKS

## Project Description

The project will install a rapid electric vehicle charging station, expand bicycle parking and capture and treat storm water run-off from road and parking surfaces.

Manhattan Avenue/14th Street (Parking Lot D) – This project will design and install a bicycle corral, electric vehicle charging stations and dedicated neighborhood electric vehicle parking spaces in combination with interlocking pavers and swales with low-water use landscaping for storm water capture and retention. Address ADA issues by installing a ramp, pedestrian seating, and lighting.

## Status

Final Engineer Design.  
Construction to be completed in FY 22-23.

## Justification

The City is allocated Federal Surface Transportation Program – Local Funds (Federal STP-L) every year to use on public road, pedestrian and bicycle infrastructure, and transit capital projects. These funds are due to expire and will be used to expand electric vehicle charging infrastructure, bicycle infrastructure and capture and retain run-off from road surfaces to improve water quality in Santa Monica Bay. City received a grant from Coastal Conservancy to help fund construction.

## Maintenance

Additional utility costs estimated at \$15,000 annually.

# CIP 684 EMERGENCY OPERATIONS CENTER RENOVATIONS

Public Buildings and Ground Improvements  
PUBLIC WORKS

## Project Description

This project will add restrooms to the EOC and renovate the adjacent room for future EOC uses.

The EOC is located within a building designated as a historical building, which will require a Certificate of Appropriateness to complete the repairs.

This project will be completed in two phases:

Phase 1:

- Restroom construction including flooring, lighting, wall and ceiling repairs, painting, new plumbing, and installing fixtures.

Phase 2:

- Complete room renovation including new flooring, ceiling, lighting, furnishings, and relocation of Emergency System IT equipment, including a new switch, 2 UPC batteries, and firewall to support the EOC.
- Security Improvements to include new key fob locking systems.

## Status

Final Engineering Design  
Construction of Phase 1 to be completed in FY 22-23.

## Justification

The City's Emergency Operations Center (EOC) does not have operational restrooms or a meeting room. In the event of emergencies this facility will need restrooms and a meeting room.

- There was an existing restroom facility in the space next to the EOC but it is inoperable. The lighting must be repaired, a toilet and sink needs to be installed and the tile needs to be replaced in order to make the restroom functional. Without a restroom facility, operational efficiency and effectiveness decreases in the EOC, staff may encounter members of the media and/or public therefore delaying their return and delaying the ability of the EOC to assist the field response.
- There are large holes in the walls exposing the interior of the building, which need to be repaired along with new paint.
- The electrical and flooring is in extremely poor condition requiring repairs including the removal of a pipe located within the middle of the room.
- The current IT cabinet needs to be relocated as it is in the direct sunlight, which overheats the equipment and has ruined critical EOC IT equipment requiring replacement more often. The project would include moving the cabinet and current cabling into a space that is not impacted by the sun, replace the current equipment to ensure operational efficiency, and install equipment that will protect the exposed cables.

Previous cost estimate did not fully encapsulate scope of work for the EOC renovations. New estimates reflect a more accurate cost and latest pricing. Construction Management and Inspection costs were not included in the previous cost estimates.

## Maintenance

Additional janitorial services estimated at \$1,000 annually.

# CIP 689 CLARK BUILDING RENOVATIONS

Public Buildings and Ground Improvements  
PUBLIC WORKS

## Project Description

This project proposes:

1. Design, Operational Review
2. Kitchen Remodel - including new commercial appliances, sinks, countertops, lighting, tile, flooring, doors and ADA upgrades.
3. Restroom Remodel - including new flooring, stalls, sinks, toilets, lighting, and ADA upgrades. Electrical, plumbing, sewer line upgrades.
4. Install new heating, ventilation, and air conditioning.
5. Acoustic panels and new lighting throughout ballroom area.
6. ADA upgrades to enhance building entrance points.

## Justification

The kitchen has already been demolished in 2018 and the restrooms are very dated. Repairs to kitchen appliances and restroom fixtures are common due to numerous malfunctions.

## Status

Final Engineering Design  
Construction to be completed in FY 22-23.

## Maintenance

Additional janitorial services estimated at \$1,500 annually.

# CIP 695 PARKING LOT A IMPROVEMENTS

Public Buildings and Ground Improvements  
PUBLIC WORKS

## Project Description

This project will consist of upgrading Parking Lot A to meet ADA standards, with improvements including:

- New layout to maximize parking capacity and improve circulation.
- Consideration of the layout of parking spaces on 11th Street and explore incorporating 11th Street parking spaces into the Lot A pay station system.
- New surfacing and layout.
- Low impact development elements including permeable pavers and landscaping.

Coastal Commission permits will be required.

## Justification

Parking Lot A is non-ADA compliant with poor lighting and sub-standard design.

## Status

Preliminary Design

## Maintenance

No additional maintenance required.

## Cost to Complete Project

# CIP 696 POLICE STATION IMPROVEMENTS

Public Buildings and Ground Improvements  
PUBLIC WORKS

## Project Description

This project will include increased security measures and improvements to report writing room, evidence room, and property room. Police staff has determined there is a need for renovations to the department office for a new layout.

## Justification

The Police Station is in need increased security measures to the station and lobby room and needed improvements to the report writing room and evidence and property room.

## Status

Preliminary Design.  
Construction to be completed in FY 22-23.

## Maintenance

No additional maintenance required.

# CIP 698 AMERICANS WITH DISABILITIES ACT (ADA) IMPROVEMENTS

Public Buildings and Ground Improvements  
PUBLIC WORKS

## Project Description

This project proposes improvements and relocation of sidewalks, curb ramps and obstructions along Prospect Avenue in order to follow the Americans with Disabilities Act (ADA) and meet the latest Federal Standards. Project to be bid out together with CIP 601.

## Justification

City is required to spend Community Development Block Grant (CDBG) funds as part of an agreement with LA County on ADA improvement projects.

## Status

Project Approvals/Bidding  
Construction to be completed in FY 22-23.

## Maintenance

No additional maintenance required.

# CIP 699 PARKING STRUCTURE (LOT C) IMPROVEMENTS (NEW)

Public Buildings and Ground Improvements  
PUBLIC WORKS

## Project Description

This project provides repairs and improvements to the City's parking structure (Lot C) based on the assessment report from Study 694 Parking Structure (Lot C) Structural Assessment including structural, elevator, and electrical repairs.

## Justification

From the assessment report, the City's parking structure (Lot C) is in need of immediate and long term repairs to improve safety and extend the lifespan of the parking structure.

## Status

Final Engineering Design.  
Construction to be completed in FY 22-23.

## Maintenance

Additional maintenance is recommended to extend the use and lifespan of the parking structure per the assessment report.

# STUDY 101 HERMOSA AVENUE GREENWICH VILLAGE STREET REALIGNMENT ASSESSMENT

Study  
PUBLIC WORKS

## Study Description

This study will evaluate potential improvements at the intersections of Hermosa Avenue and Greenwich Village and Manhattan Avenue and Greenwich Village/27th Street

The study will evaluate opportunities to improve the flow and visibility for pedestrian, bikes, and vehicles at the two intersections.

## Justification

The current configuration of the intersections are not ADA compliant and presents potential conflicts and confusion between the movement of vehicles, pedestrians, and bicycles.

# STUDY 538 CITYWIDE PARK MASTER PLAN

Study  
PUBLIC WORKS

## Study Description

The City is seeking to prepare a Parks Master Plan that achieves the following goals:

- Engages the community and local recreational organizations in a dialogue about parks and open space resources in Hermosa Beach;
- Identifies the current demand/utilization and the future/evolving parks and recreational facility needs for the Hermosa Beach community;
- Leverages the vision and goals of the recently adopted General Plan and the Community Decision-Making Tool;
- Identifies an appropriate balance between organized and informal recreational activities at the City's parks and open spaces;
- Serves as a dynamic useful planning and implementation document that enjoys broad community and political support;
- Provides a comprehensive strategy to maintain, rehabilitate and improve the City's network of parks, facilities, and open space assets, including current unfunded park and recreational opportunities;
- Evaluates the effective use of the City's financial and physical resources and opportunities to fund implementation of the recommendations in the Master Plan.

## Justification

The existing Parks Master Plan is from 1990 and in need of update to implement PLAN Hermosa and set the City up for competitive funding through County-wide Parks Bonds passed in 2016 (Measure A).

# Reconciliation 160 Pacific Coast Highway (PCH) Traffic Improvements

Street and Highway Improvements  
PUBLIC WORKS

## Project Description

The purpose of this project is to improve operational mobility along State Route 1 (Pacific Coast Highway) which also provides operational relief to I-405 by improving operations in a parallel route. The proposed project also includes improvements including but not restricted to truck turning radius, ADA curb ramps, striping and pedestrian signal improvements of the segment on PCH between Anita Street and Artesia Boulevard. Pedestrian signal, crosswalks and ADA curb ramps improvements at the intersections of PCH and Pier Avenue and PCH and Aviation Boulevard including improvements at intersection to aid trucks turning onto Aviation.

## Justification

This project will improve safety and mobility at this section of PCH.

## Status

Project was to be closed out in FY 19-20 but was delayed due to modifications requiring Caltrans approval.

Project to be completed and closed out by FY 22-23.

## Maintenance

No additional maintenance required.

PUBLIC WORKS

## Project Description

This project provides for pavement rehabilitation of streets at various locations. The project will also repair/replace deteriorated portions of sidewalk, curb and gutter and curb ramps.

This work will be performed following the sewer and storm drain repairs identified in the Sewer and Drainage Master Plans.

## Justification

Annual street resurfacing projects are necessary to maintain and improve the city's pavement condition index.

## Maintenance

No additional maintenance required.

# FIVE YEAR CIP 106 ANNUAL STRIPING IMPROVEMENTS

Streets and Highway Improvements  
PUBLIC WORKS

## Project Description

This project provides traffic striping, markings, and signage improvements and modifications throughout the City at various locations to improve safety and visibility.

## Justification

Several locations are in need of traffic restriping, improvements, and modifications.

## Maintenance

No additional maintenance required.

# FIVE YEAR CIP 427 ANNUAL SEWER IMPROVEMENTS

Sewer and Storm Drain Improvements  
PUBLIC WORKS

## Project Description

This project includes design and construction of sewer improvements and repairs based on the Sewer Master Plan.

Design will include improvements for multiple fiscal years.

## Justification

The City's Sanitary sewer system is aging and in need of extensive rehabilitation.

## Maintenance

No additional maintenance required, hydro-flushing already included in existing sewer maintenance contract.

# FIVE YEAR CIP 428 ANNUAL STORM DRAIN IMPROVEMENTS

Sewer and Storm Drain Improvements  
PUBLIC WORKS

## Project Description

Storm drain improvements throughout the City. Locations will be as identified and prioritized per the Storm Drain Master Plan. Projects will address deficiencies, ponding, and repairs as well as where new storm drains are needed citywide.

This project will also address operational deficiencies at the outfall structures at various locations.

Improvements include for design and construction activities on an annual basis.

## Justification

The Storm Drain Master Plan identified areas of inadequate capacity, localized ponding and operational deficiencies.

## Maintenance

No additional maintenance required.

# FIVE YEAR CIP 545 CLARK STADIUM BLEACHERS

Parks Improvements  
PUBLIC WORKS

## Project Description

This project will improve the bleachers at Clark Field. Improvements includes providing ADA access to the bleachers; this project will look at different solutions to resolve the issue. One possible solution is the installation of aluminum bleachers.

## Justification

Improvements are needed at Clark Field to provide ADA access to the bleachers.

## Maintenance

No additional maintenance required.

# FIVE YEAR CIP 547 FORT LOTS-OF-FUN PARK IMPROVEMENTS

Parks Improvements  
PUBLIC WORKS

## Project Description

Design park improvements to include playground equipment, landscaping, and assessing the feasibility of incorporating the old Prospect school building as part of the park.

## Justification

Park has not been upgraded since 2005 and play equipment and wall are in poor condition. The school building is deteriorated and currently used for storage.

## Maintenance

In this section, you can go into further detail. Make your content more accessible by writing short sentences, choosing words and phrases you'd use when talking to a neighbor, and avoiding jargon.

# FIVE YEAR CIP 668 LIBRARY COMMUNITY PROJECT PHASE II ASSESSMENT

Studies  
PUBLIC WORKS

## Project Description

Phase II consists of preparation of conceptual designs and estimates for:

Keeping the city's library at its current location, to include:

1. Renovation and expansion of existing building or adding a second floor to the existing building (before preparation of renovation schemes for the existing building, the structural condition must be assessed to make sure that the building is not beyond its useful life);
2. Construction of a two (2) story library building at the existing location; or
  - Construction of a new library at a new site
  - Relocation of "Friends of the Library" from Bard Street to a more appropriate location.

Funding is reimbursed to the City through the Library's Excess Operating Funds through agreement with the LA County Library. Other funding options will be explored.

## Justification

To facilitate future improvements of the library facility and to provide future facility needs and possibilities.

# Cost to Complete Project

Five Year CIP Cost to Complete : 668 Library Community Project Phase II Assessment

# FINANCIAL POLICIES

## Fund Balance Policies

The City Council has adopted policies for specific fund balances or reserve funds:

### **General Fund:**

Any funds remaining unspent at year-end in the General Fund transfer equally to the Contingency Reserve, Insurance Fund, Equipment Replacement Fund, Capital Improvement Fund, and Capital Facility Reserve. The Capital Facility Reserve will be established in the Capital Improvement Fund. Transfers may be redirected as the need arises.

### **Contingencies\*:**

The adopted goal is to maintain fund balance equal to 16 percent of the General Fund appropriations for economic uncertainties and unforeseen emergencies.

### **Compensated Absences:**

The adopted goal is to maintain fund balance equal to 25 percent funding for accrued liabilities for employee vacation, sick and compensatory time.

### **Retirement Stabilization:**

These funds are to be set aside in a retirement trust for use during periods of unstable rates.

### **Insurance Fund:**

The adopted goal is to maintain \$3,000,000 in net assets for unanticipated claims and catastrophic losses. Claims liabilities are recorded at the 56 percent probability level.

### **Equipment Replacement Fund:**

The adopted goal is to maintain net assets equal to the accumulated amount calculated for all equipment, based on replacement cost and useful life of equipment.

\*The Contingencies balance in the General Fund is intended to serve as a hedge against uncertainty in the estimates used in the budget and multi-year forecast and as a reserve in the event of an emergency. Risks associated with estimates include the following:

Revenue risks: Revenue falling short of budget estimates may cause deficits. Transitional funding may be necessary to respond to reductions in major revenue due to local, regional, and national economic downturns (which could range from one year to several years).

State budget risks: In the past, the State implemented budget solutions that legislatively reallocated intergovernmental revenue from local jurisdictions to the State (in the absence of guarantees or constitutional protection of these revenues). These include property taxes, sales taxes, gas taxes, grants, and reimbursements.

Uncontrollable costs: Fluctuation in retirement costs due to market conditions and pension system investment performance. The City does also have funds set aside for Retirement Stabilization. In addition, there may be

other cost increases that are beyond the City's control (e.g., fuel, utility charges).

## Accounting and Reporting Policies

The City's accounting and financial reporting systems are maintained in conformance with all state and federal laws, generally accepted accounting principles (GAAP), standards of the Governmental Accounting Standards Board (GASB) and the Government Finance Officers Association (GFOA). Further, the City strives to implement all changes to governmental accounting practices at the earliest practicable time.

An annual audit is performed by an independent public accounting firm with an audit opinion to be included with the City's published Annual Comprehensive Financial Report (Annual Report).

The City's Annual Report presents budgetary comparisons as part of audited basic financial statements.

The City's Annual Report is submitted to the GFOA Certification of Achievement for Excellence in Financial Reporting Program annually. The financial report should be in conformity with GAAP, demonstrate compliance with finance related, legal and contractual provisions, disclose thoroughness and detail sufficiency and minimize ambiguities and potentials for misleading inference.

The City's Annual Report will also be submitted to the California Society of Municipal Finance Officers (CSMFO) Awards Program and to national repositories identified by the City's bond trust agent in compliance with continuing disclosure requirements and to enable investors to make informed decisions.

## Internal Controls

A system of effective internal controls will be maintained that assures only properly authorized expenditures, recordings of financial transactions, and accounting entries are executed and provides for the physical security of City funds and assets.

The City's independent auditor conducts annual reviews of the City's internal controls in conjunction with the annual audit to assure that adequate internal controls exist, at a reasonable cost, and that fiscal practices are in compliance with federal, state and city rules and regulations.

The City's cash handling practices are also reviewed in conjunction with the independent audit.

## Classification of Fund Balance

In accordance with the Government Accounting Standards Board (GASB) Statement No. 54, classifications of fund balance used are as follows:

Non-spendable fund balances include amounts that cannot be spent because they are either (a) not in spendable form, or (b) legally or contractually required to be maintained intact. Examples are inventory, prepaid items and long-term notes receivable.

Restricted fund balance—amounts constrained to specific purposes by their providers (such as grantors, bondholders, and higher levels of government), through constitutional provisions, or by enabling legislation.

Committed fund balances are self-imposed limitation by the highest level of decision-making authority, namely the City Council, prior to the end of the reporting period. City Council approval is required to commit resources or to rescind the commitment.

Assigned fund balances are limitations imposed by management based on the intended use of the funds. Modifications or rescissions of the constraints can be removed by the same type of action that limited the use of the funds.

Unassigned fund balances represent funds that have not been restricted, committed or assigned to specific purposes with the general fund.

## **Pension and Other Post Employment Benefit (OPEB) Funding**

### Pension

The City's retirement plan for full-time employees is provided through California Public Employees Retirement System (CalPERS). The City's contributions to the plan fluctuate each year based on an annual actuarial plan valuation. This variable rate employer contribution includes the normal cost of providing contracted benefits plus or minus an amortization of plan changes and net actuarial gains and losses since the last valuation period.

It is the City's policy to make contributions to the plan equaling 100 percent of the actuarially required contribution (ARC). The City pays the entire actuarially required contribution each year, therefore, by definition, its net pension obligation at the end of each year is \$0. Any unfunded actuarial liability is amortized and paid in accordance with the actuary's funding recommendations.

CalPERS allows for the prepayment of the annual unfunded liability payment each year. The City will evaluate the prepayment of retirement contributions to CalPERS annually to determine if there are savings.

In 2003, CalPERS "pooled" the City's retirement plans with other cities of similar size. The liability that existed at the time the plans were pooled is referred to as the side fund and will result in a decrease in rates once the side fund liability is paid off. It is the City's policy to utilize the CalPERS side fund payoff savings toward stabilizing the City's retirement rates and depositing the funds into a retirement trust.

### OPEB

The City participates in a post-retirement health care plan trust administered by Public Agency Retirement Services (PARS). Varying benefits are provided according to the City's Memorandums of Understanding (MOU's) with each employee group.

It is the City's policy to make contributions to the plan equaling 100 percent of the actuarially required contribution (ARC). The City pays the entire actuarially required contribution each year, therefore, by definition, its net pension obligation at the end of each year is \$0. Any unfunded actuarial liability is amortized and paid in accordance with the actuary's funding recommendations. An actuarial study is performed every two years in accordance with Governmental Accounting Board Standards (GASB) 45.

## **Internal Service Funds**

The City uses internal service funds to account for equipment replacement costs, insurance costs, building maintenance costs, information technology costs and to account for the financing of goods and services provided by one department to other departments of the City through user service charges.

Internal Service Funds shall be used to equitably distribute facility, vehicle and equipment replacement and maintenance costs among City user departments and to assure that adequate funding is on hand to replace and maintain assets and pay liabilities.

Internal Service Funds are maintained to account for insurance payments and claims liabilities and to provide a mechanism to fully fund such costs and liabilities.

## Budget Policies

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources (committed, assigned and unassigned) as needed when expenditures are incurred.

One-time revenue will be reserved or used for one-time expenditures or capital improvements. Conversely, on-going revenues will be used to fund on-going expenditures.

The City will prepare a five-year forecast annually to emphasize and facilitate long range financial planning as well as a five-year capital improvement plan.

The City will prepare a budget summary or a budget in brief to summarize financial factors, provide financial summaries and identify key issues affecting the budget as a tool to educate and involve the public.

It is the City's policy to adopt a balanced General Fund budget where operating revenue is equal to, or exceeds, operating expenditures. In the event a balanced budget is not adopted, a specific plan will be presented to the City Council for returning the budget to a balanced position.

The City Council and Department Heads will be provided with monthly summary financial reports, by fund, comparing actual revenues and expenditures to budgeted amounts.

The City Council adopted a target Pavement Condition Index (PCI) of 81 from the Management Plan (PMP). The Plan concluded that the average citywide street network Pavement Condition Index (PCI) for Hermosa Beach was 70 in 2016. The PMP estimated a 10 year period to achieve the PCI level of 81. The plan will be used to guide selection of streets for improvement since they are prioritized in the plan. Public Works will calculate progress toward the PCI goal annually after completion of street projects. The current citywide PCI is 66.

The City supports consideration of collaboration with other agencies and use of alternatives for service delivery when practicable. Existing examples are shared dispatching services through the South Bay Regional Communication Authority and Fire services contracted with the County of Los Angeles.

The City supports development of private/public partnerships where opportunities exist.

An analysis of potential savings for prepayment of retirement contributions will be conducted on an annual basis to determine if prepayment would be beneficial.

## Budget Process

The budget process begins each year in February with a Pre-Budget Policy meeting with the City Council, City Manager and Department Heads. The meeting is an early opportunity to review City Council goals, identify upcoming issues that may affect the budget and a chance for the City Council to discuss policy issues that may impact budget preparation. Department Heads prepare estimates of revenues and department expenditures for submission to the Finance Director. The City Manager and Finance Director meet with each department to review the estimates and discuss requests. From these meetings, the preliminary budget is developed. The Capital Improvement Budget, which is part of the same document, follows the same process.

The City Manager is required to submit a preliminary budget to the City Council on or before May 15th of each year. One or two public workshops are held in May and June to review the budget and receive public input. One formal public hearing is held in June, prior to budget adoption. The City Council must adopt an annual budget, by resolution, on or before June 30 for the coming fiscal year (July 1 - June 30). If the budget is not adopted by that date, the preliminary budget, except for capital outlays, goes into effect until the budget is adopted.

The budget may be amended during the year as necessary. A Midyear Budget Review is conducted in February, at which time adjustments to revenue estimates and appropriations are made. Expenditures may not exceed

appropriations at the fund level. The City Manager may approve transfers of appropriations within funds; transfers of appropriations from one fund to another require City Council approval.

Budgets are adopted for all governmental and proprietary funds on a basis consistent with generally accepted accounting principles.

## **Appropriation Limitation**

The City Council annually adopts a resolution establishing the City's appropriation limit in accordance with Article XIII-B of the Constitution of the State of California, Section 7900 of the State of California Government Code. The resolution is considered in conjunction with adoption of the annual budget. The limit is reviewed by the City's independent auditors as required by law.

## **Revenue Policies**

The City will estimate annual revenue using an objective, analytical process; specific assumptions will be documented and maintained. Budgeted revenues will be estimated conservatively using accepted standards, trends and estimates provided by the state, other governmental agencies, reliable economic forecasters and/or consultants when available.

The City plans to conduct a user fee study as least every five years to ensure cost recovery and subsidy levels are correct and to ensure that service delivery methods are represented accurately in the study. The study will determine the full cost of providing services and identify subsidy levels so that the appropriate recovery level may be set. The latest user fee study was conducted in 2016.

The City supports exploring grant opportunities and will seek to apply for all grants that may practically be implemented and that align with the City's goals and strategies.

## **Debt Service**

The City will typically consider the use of debt (bonds, certificates of participation or capital leases) only for one-time capital improvement projects. The project's useful life will not exceed the term of the financing. Debt financing will not be used for current operations. Even though California Government Code Section 43605 provides for a legal debt limit of 15 percent of gross assessed valuation, the City uses a limit of 2 percent. (Because this provision was enacted when assessed valuation was based on 25 percent of market value, the valuation will be calculated at 25 percent before the debt limit is applied).

The City will seek to obtain the highest possible bond rating and to maintain or improve the rating in order to minimize borrowing costs and preserve access to credit. S&P Global Ratings, a business unit of Standard and Poor's Financial Services LLC ("S&P") has assigned its municipal bond rating of "AA+" to the 2020 Bonds.

The City will generally conduct financings on a competitive basis; however, negotiated financings may be used where market volatility or the use of an unusual or complex financing or security structure is a concern with regard to marketability.

## **Investment Policies**

Investments are governed by a separate investment policy that is adopted by resolution every year.

## **Website Presentation of Financial Documents**

The City will use its website to present official financial documents of the City and other financial documents that may be of interest to the public and as an important investor relations tool.

# Department Supplemental Requests

2022-2023 Supplemental Requests

Department Supplemental Requests

Proposal	Frequency	Priority	Account String	Recommended	Not Recommended	Justification	Notes
<b>General Fund</b>							
<b>City Clerk</b>							
Records Destruction	One Time	None	001-1121-4201	10,000		With the Records Retention Schedule revision completed, the next step with organizing and maintaining records. The last known major destruction purge of records was in 2002. Resolution No. 10-6699 provides that "Request for Destruction of Records" form be submitted by department heads for approval by the City Clerk and City Attorney prior to the destruction of any records. The Resolution also requires department heads to annually review the Retention/Disposition Schedule and forward any recommended updates to the City Clerk. However, despite the Resolution in place, there has been a significant decrease of forms being submitted to the City Clerk's Office. A vendor in consideration was Gladwell Governmental Services, Inc.; however, she no longer provides this service. The City Clerk's Office will issue an RFP for this service not to exceed \$10,000.	Approved
Records Management System	One Time	1	001-1121-4201	10,000		The Records Retention Schedule needs to be revised to accommodate electronic records into the schedule and other changes since its adoption. The schedule has been amended three times since its original adoption. Updating the schedule will identify the shelf life of each record. Implementing a Records Management System also includes evaluating the filing system "naming convention" and make recommendations for consistency and accurate retrieval of documents. A vendor in consideration is Gladwell Governmental Services, Inc. GGS is recognized as the expert in records retention, ECMS (Electronic Content Management Systems), document imaging, records management, electronic records management and e-mail management for municipal governments. GGS has assisted over 200 Municipal Governments and is not a vendor affiliate for any product or software. The cost of service is estimated at \$10,000.	Approved
<b>City Manager</b>							
Canva (Graphic Design)	Recurring	10	001-1201-4201	0	420	For day-to-day graphic design, the CMO has been using the premium version of Canva to create artwork for social, print and outdoor signage. Canva is a web-based graphic design platform that has a drag-and-drop interface which makes customizing thousands of templates simple and easy. The premium version of Canva (Canva Pro) gives users access to a large library of stock photos, videos, audio and graphics, plus allows teams to easily save and apply their brand or campaign's colors, logos, and fonts with up to 100 Brand Kits. In January 2022, the City paid \$119 for a one-year Canva Pro subscription, which gives the City a total of five user accounts. To improve visual communications citywide, staff recommend upgrading to a total of 10 user accounts in a shared Canva Pro account for \$419.99 per year. This will allow each of the City's seven departments to have their own account; the remaining 3 seats would be assigned to the City Manager's Office. Note that Canva is not a comprehensive graphic design program. If you want to develop new branding elements, for example, you need to use Adobe Creative Suite. Therefore, the City will still need to maintain at least one Adobe Creative Suite license for staff to use.	Purchase 2021-22

Proposal	Frequency	Priority	Account String	Recommended	Not Recommended	Justification	Notes
<b>General Fund</b>							
<b>City Manager</b>							
Community Survey	One Time	7	001-1201-4201	30,000		Staff recommends securing professional services to conduct research assessing residents' opinions and attitudes towards the City of Hermosa Beach's services, perceptions of the community's needs, and exploring the viability of potential future initiatives in the City.	Approved
Collaborative Housing Agreement with Emotional Health Association dba SHARE!	Recurring	6	001-1201-4201	20,000		Staff recommends exploring an annual agreement, similar to City of Manhattan Beach, with Emotional Health Association dba SHARE! the Self-Help And Recovery Exchange to provide 2 beds to adults for on-site supportive services at scattered site shared housing locations in Service Planning Area 8 for individuals experiencing homelessness.	Approved
Emergency Notification Contract (Nixle/Everbridge)	Recurring	1	001-1201-4201	2,452		The City of Hermosa Beach currently has a contract with Everbridge for the emergency notification platform. The contract will be renewed with enhanced data set known as resident connection data. The addition of the resident connection data will provide an additional layer of contact information to be utilized during an emergency notification for residents.	Approved
Loomly Social Media Management Software	Recurring	9	001-1201-4201	0	1,600	As part of its public information program, the City actively practices social listening and maintains 12 social media accounts across five platforms (Facebook, Instagram, Twitter, LinkedIn, and YouTube). Each of these platforms offer native tools for scheduling content, which is fine for small organizations that only have one Facebook profile and one LinkedIn page. But City staff are managing numerous accounts, and the current process of manually publishing each post to multiple platforms and accounts is time consuming. Staff recommends allocating \$1,600 to pay for social media management software. This should cover the annual fees for between seven and eight user accounts on most of the platforms under serious consideration. Staff consider the use of Loomly as temporary. The selection of a permanent social media management tool will take place after the City finishes its analyst recruitments and in collaboration with every member of the City's Communications Team.	Purchase 2021-22
City-Wide Internal Audit Program	One Time	5	001-1201-4251	100,000		A city-wide internal audit program would focus on maintaining and implementing best management practices in order for the City to provide a high value of service to its residents in a cost-efficient manner. Staff recommends securing professional services to develop a city-wide internal audit program. Under the stewardship of the City Manager's Office, the program would focus on maintaining and implementing best management practices in order for the City to provide a high value of service to its residents in a cost-efficient manner. The audits conducted would seek to ensure City management is using its financial, physical, and informational resources effectively, efficiently, economically, ethically, and equitably, and in compliance with laws, regulations, contract and grant requirements, and city policies and procedures. This work is separate from the financial audits performed by licensed certified public accountants.	Approved

Proposal	Frequency	Priority	Account String	Recommended	Not Recommended	Justification	Notes

<b>City Manager</b>							
Los Angeles Region Imagery Acquisition Consortium (LARIAC) Payment 1 of 2	Recurring	8	001-1201-4251	10,255		Established in 2005, the Los Angeles Region Imagery Acquisition Consortium (LARIAC) has delivered highly accurate digital aerial imagery and elevation datasets to participants at substantial cost savings and has become a national model for collaborative data acquisition. LARIAC participants have included 52 cities, 27 County departments, 16 local, state, and federal agencies, and seven educational institutions. Imagery is captured in cycles of roughly every 3 years. Participation in this program provides the City with aerial imagery and related derived datasets that staff use to leverage for project planning and other critical decision making. Continued participation in the program allows staff to analyze change over time.  Payment 1 of LARIAC 7 would occur FY 22/23, Payment 2 would occur FY 23/24	Approved
Esri User Conference for GIS Analyst	Recurring	11	001-1201-4317	1,200		The Esri UC is a cornerstone of the GIS community, with over 15,000 annual attendees from nearly every commercial sector, government organization, and nonprofit field. Its unique focus on user-to-user communication and collaboration encourages learning about real-life GIS experiences, best practices, and tips and tricks that will prove useful for our specific projects. This year marks a return to in-person conference attendance, offering multiple opportunities to network, collaborate, and share ideas with both experts and peers.	Approved
Disaster Shelter Supplies	One Time	2	001-1201-5402	10,220		In the event of a large scale emergency/disaster, the City will work to set up shelter operations for both humans and animals. These shelters will be temporary to provide services including assistance with basic necessities such as food, water, and safe lodging. The goal is to shelter 10% of the City's population. In order to effectively complete this task, stockpiling of supplies is a necessity. Purchasing the shelter carts provides an efficient way to store and transport the supplies to shelter locations. The supplies are organized and can be reloaded after initial use. Staff recommends the purchase of 2 50-person shelter kits and 1 100-animal shelter kit with an anticipated amount of \$10,220 which is subject to change based on shipping fees.	Approved
Management Team Executive Coaching and Team Building Workshop	Recurring	13	001-1202-4201	12,400		The City Manager recommends ongoing funding to provide executive coaching sessions to new Department Directors and an annual Team Building Workshop to continue strengthening communication and collaboration across all departments. This will help Executive Team Members on their individual leadership journeys and will refine internal processes to increase efficiency, performance, and collaboration.	Approved
Bard Street Trailer Furniture	One Time	14	001-1201-5402	20,000		In order to accommodate staffing needs, repurposing of the Bard trailer will include transforming rooms into office spaces which requires the appropriate furniture. The goal is to transform the five existing rooms into offices to accommodate 10 staff members therefore requiring 10 desks, 10 office chairs, 1 conference table, 8 conference chairs, book shelf, and a refrigerator.	Approved

Proposal	Frequency	Priority	Account String	Recommended	Not Recommended	Justification	Notes
<b>General Fund</b>							
<b>Finance Cashier</b>							
Business License Stu	One Time	1	001-1204-4201	20,000		The business license tax was last increased on the ballot measure of November 8, 2011. A Business License Tax Review Committee developed the proposal after a lengthy process with meetings from December 2011 through July 2011. At the March 3, 2022 Revenue Study Session, Staff recommended that the City consider hiring a consultant to assess the composition of City businesses and provide options.	Approved
Merchant Fees - Accela /Forte	Recurring	2	001-1204-4201	N/A		The City has implemented the Accela Automation platform for Building and Public Works permits and plan checks, Planning applications, and Code Enforcement tracking. A Citizen Access portal is in the process of being launched to allow constituents to directly apply for these services online. Accela now offers an integration with Forte that requires minimal set up, to allow for online payment. Moving to the online payment connector would make credit card transactions more secure, as well as simplify operations for both staff and constituents.	
<b>Public Works- Street Maintenance</b>							
Sign Shop	One Time	10	001-3104-5405	40,000		City Yard currently outsources all sign shop needs creating a longer turn around time. Having an internal sign shop would give us the ability to create signs quicker, cheaper, and give us many more options for customized citywide work. This would also save on shipping prices.	Approved
<b>Community Development</b>							
Community Development Department - Housing Element Implementation	One Time	1	001-4108-4201	50,000		The Community Development Department is involved in many aspects of community development and improvement and city governance. PLAN Hermosa, the City's General Plan, was adopted by the City Council in August 2017. The General Plan (Housing Element) is a mandatory element and when adopted will be consistent with PLAN Hermosa. The City's General Plan Housing Element provides an overview and guides housing programs development, emphasizing affordable and special needs housing, removal of governmental constraints to housing development, and equal access to housing. The General Plan (Housing Element) is required by law to be updated every 8 years. State law requires each city to adopt a comprehensive, long-term General Plan for its physical development. General Plans include several "elements" that address various topics. The Housing Element is a series of policies that shape the future of housing in Hermosa. These policies will maintain and improve the existing housing stock and expand housing opportunities for families of all economic levels and persons with special needs such as disabilities.	Use General Plan Maintenance Fees. Approved

Proposal	Frequency	Priority	Account String	Recommended	Not Recommended	Justification	Notes
<b>General Fund</b>							
<b>Community Development</b>							
Community Development Department - Local Coastal Program Certification Assistance	One Time	1	001-4201-4201	75,000		As part of the City of Hermosa Beach's efforts obtain a certified Local Coastal Program, the City has obtained a grant from the California Coastal Commission to conduct technical studies and develop a draft Coastal Land Use Plan and Implementation Plan that covers a range of topics from sea level rise, overnight accommodations, and parking resources. Over the past 18 months, the City had hired a technical consultant to assist in evaluating our current parking resources and programs and evaluate opportunities to improve the availability of parking resources in the Coastal Zone in a manner that balances coastal access requirements with efficient use of the City's limited land resources and achievement of the City's economic development and mobility goals. We also hold Community Stakeholder Meetings on a regular basis. In order to obtain our Local Coastal Program Certification, we need to hire the assistance of a consultant.	Use General Plan Maintenance Fees. Approved
<b>Public Works Administration</b>							
Data Services for iPads	Recurring	7	001-4202-4201	1,872		Public Works is submitting a request to add iPads for six (6) staff members to facilitate work in the field. To be able to use the iPads and online systems, data services are needed. See request under the Equipment Replacement Fund.	Approved
Engineering Division, Professional Arborist Services	Recurring	4	001-4202-4201	10,000		Public Works' Engineering Division completes a variety of CIP and non-CIP projects that occasionally require professional arborist services to assess and diagnose trees within the area for further action. In order to make the right decision about trees within the area projects are being completed, contracting an arborist is essential.	Approved
Tree Removal and Planting Services	Recurring	6	001-4202-4201	80,000		Currently there is no budget for tree removal, replacement and other planting. PW often responds to requests for tree in City Parks and Parkways that need to be removed or replaced or requests for new plants. PW recommends allocating \$80,000 to remove, stump, and replant trees and other plants as needed.	Approved
Ongoing Professional Services	Recurring	3	001-4202-4201	100,000		Public Works responds to a variety of infrastructure and safety needs throughout the year in addition to working on CIP and non-CIP projects. These needs are often unplanned and/or brought to Public Works attention through field investigation or community concerns. Given staff limitations, the department benefits from allocating funds for a variety of ongoing professional services. Public Works recommends the allocation of \$100,000 for general ongoing professional services in order to have resources to address unforeseen matters/incidents.	Approved
City Yard - Cell Phones	One Time	9	001-4202-4304	7,560		Original City Yard phones were purchased in 2016. Most phones are either having charging issues, memory issues, and/or connectivity issues. Staff currently using smart apps for maintenance equipment, so it is critical to have functioning phones.	Approved
Color Printer	One Time	13	001-4202-4305	0	5,926	Public Works City Yard staff is responsible for posting signs and printing a variety of other items in color. However, they currently have a black and white printer only.	Moved to Equipment Replacement Fund
Equipment for New Positions	One Time		001-4202-4304	624		2 Data Plan Services (\$312 x 2) = \$624 for new Engineering staff recommended in the 2022-23 Budget.	Moved from Equipment Replacement Fund. Approved

Proposal	Frequency	Priority	Account String	Recommended	Not Recommended	Justification	Notes

<b>Parks</b>							
Retaining Wall Repairs	One Time		001-6101-4201	15,000		The retaining wall by the restrooms at Fort Lots-of-Fun is damaged and at risk of breaking, which is a safety concern. Immediate repairs to the wall are necessary but additional funding is needed.	Approved
<b>General Fund Total</b>				<b>626,582</b>	<b>7,946</b>		
<b>Lighting/Landscaping District Fund</b>							
<b>Lighting/Landscaping/Medians</b>							
Street Lighting Hydraulic Punch	One Time	13	105-2601-4309	1,590		This tool would help when installing any new electrical conduit into a service box and help staff complete jobs faster.	Approved
<b>Lighting/Landscaping District Fund Total</b>				<b>1,590</b>			
<b>AQMD Fund</b>							
<b>City Manager</b>							
Replace Ford Fusion Hybrid with Tesla Model 3	One Time	4	152-3701-5403	50,000		See department memo.	Fund 50k from AQMD Fund and remainder from Equipment Replacement Fund. Approved
<b>AQMD Fund Total</b>				<b>50,000</b>			
<b>Supplemental Law Enforcement Services Fund</b>							
<b>COPS</b>							
Automatic License Plate Recognition (ALPR) Camera Project	One Time		153-2106-5405	50,000	0	The Police Department has slowly increased the number of ALPR cameras being used to identify wanted vehicles or vehicles of interest in a crime. During FY21/22 three stationary cameras are budgeted, leaving two more entry points into the City that would not be covered. City Councilmember Massey also made a specific request that the Police Department increase our cameras to ensure safety in the city.	Moved from Equipment Replacement Fund. Approved
<b>Supplemental Law Enforcement Services Fund Total</b>				<b>50,000</b>			
<b>Capital Projects Fund</b>							
<b>City Manager</b>							
Traffic Analysis	One Time	4	301-1201-4201	60,000		Perform traffic counts and analysis in relation to the Neighborhood Transportation Management Plan (NTMP) and Downtown Lane Reconfigurations. These are ongoing activities but that a revised annually based on need. Work to be performed by on-call consultants.	Approved
<b>Capital Projects Fund Total</b>				<b>60,000</b>

<b>Equipment Replacement Fund</b>							
<b>Finance Administration</b>							
Finance Reserve for New ERP	One Time	2	Reserve Fund Balance	323,558		The City was notified that the software sunset date for the Eden product is March 1, 2027. Tyler Technologies has developed a five-year client transition plan that will allow the City to lock in a migration time that best fits the City's schedule. Under Tyler's evergreen approach to perpetual licensing, the City can replace the Eden module licenses for other Tyler ERP applications with equivalent module licenses, at no relicensing cost. The quote also includes migrating the Quadrant cashing system to Tyler for one integrated system. The discounted one-time cost of migrating to Tyler Munis is \$308,488, plus estimated travel expenses of \$15,070.. There would be ongoing costs of \$82,354. Staff recommends reserving the one-time cost of \$323,558 in the Equipment Replacement fund for a replacement ERP. The funds would be appropriated once the timeline for migration and implementation is established. If the City opts to go with a different product and vendor, then the funds would be available to appropriate towards the purchase of a different system.	Reserve full amount, checking on cash register cost. Approved
Eden Time and Attendance	One Time	1	715-1202-4201	42,529		Currently the timesheets are filled out by hand and manually entered into Eden as totals by hour type per employee, which is inefficient and limits reporting. The quote is to implement Tyler Eden's Executime Time and Attendance system with mobile access as an interim solution before transitioning to Tyler Munis or another ERP. There would be a one-time cost of \$38,691 and recurring cost of \$3,838.	Approved
<b>Information Technology</b>							
Microsoft OneDrive/SharePoint Migration - Expanded Scope	One Time	3	715-1206-4201	14,675		OneDrive and SharePoint are cloud-based file storage solutions that are included in Microsoft 365. The City's file servers which store the majority of the organization's files and data are running out of space. The scope of this project was expanded to include communications and user adoption training, increasing the cost of the professional services to \$32,175. This additional service will help with staff adoption of this platform. Additionally, \$4,500 is requested for a license of 3rd party software that will help with mapping and migrating the data from the City's file servers to OneDrive or SharePoint. Staff recommends approving \$14,675 to include user training, communications, and a software for data migration in this project.	Approved

Proposal	Frequency	Priority	Account String	Recommended	Not Recommended	Justification	Notes
<b>Equipment Replacement Fund</b>							
<b>Information Technology</b>							
Additional RAM for computers	One Time	5	715-1206-5401	0	1,200	The City has traditionally purchased computers with 8 GB of memory (RAM) for normal staff use. With changes in technology and the introduction of browser based, software as a service solutions for critical City functions such as permitting and developing the budget, the standard of 8 GB of RAM has become inadequate and staff is slowed down by the responsiveness of their assigned machine. Adding an additional 8 GB of RAM to these 26 computers is a cost effective way to improve the functionality of existing hardware and increase staff's efficiency.	Purchase in 2021-22
Additional Computer in Council Chambers for Deputy City Clerk	One Time	None	715-1206-5402	0	1,001	In the past, Granicus Media Manager was used during live City Council meetings to time stamp agenda items and take minutes in real time. The COVID-19 Pandemic has created the need for Hybrid City Council meetings and the use of Zoom during meetings. While the City Clerk's computer is operating Zoom, a second computer and monitor is needed for the Deputy City Clerk to operate Granicus Media Manager to be able to time stamp agenda items and take minutes directly in Granicus in real time, rather than doing this the next day. This would make things more efficient for the City Clerk's office.	Purchase in 2021-22
New Workstation Equipment - Bard St Trailer	One Time	4	715-1206-5402	17,000		With limited space at City Hall, the City Manager's Office is looking to move some staff into the Bard Street Trailer. CIP 619 Bard Street Trailer Improvements was approved at the mid-year budget. This project will cover the costs of renovations to the trailer, as well as the services and hardware infrastructure need to connect the trailer to the City's network. The project will not cover purchase of peripheral equipment to set up workstations for staff who will be working in the trailer.	Approved
Windows Server 2008 refresh	One Time	1	715-1206-5405	26,000		The city has 10 servers running Windows Server 2008, which reach end of life in January 2020. Previously, funds were budgeted in FY 20/21 for replacement, but most were spent on other projects. \$14,000 was re-appropriated into FY 21/22 for these upgrades.	Approved
<b>Police</b>							
Automatic License Plate Recognition (ALPR) Camera Project	One Time		715-2101-5405	0	50,000	The Police Department has slowly increased the number of ALPR cameras being used to identify wanted vehicles or vehicles of interest in a crime. During FY21/22 three stationary cameras are budgeted, leaving two more entry points into the City that would not be covered. City Councilmember Massey also made a specific request that the Police Department increase our cameras to ensure safety in the city.	Move to COPS Fund 153-2106-5405
Replace Chevy Caprice with Ford F150 EV Lightning	One Time	6	715-2101-5403	92,500		The Police Department recommends replacing the Chevy Caprice with a Ford F150 EV Lightning to give the department greater flexibility of use and to assist in the Department's efforts in transitioning to an electric fleet when applicable.	Approved
Replace 2009 Ford Escape VIP with Toyota Highlander Hybrid	One Time	1	715-2101-5403	49,000		The Police Department recommends replacing the 2009 Ford Escape with a Toyota Highlander Hybrid. This will be used by the VIP program. The vehicle has fuel/smog ratings consistent with the City's Clean Fleet Policy.	Approved
Replace Ford Fusion Hybrid with Tesla Model 3	One Time	5	715-2101-5403	29,500	50,000	The Police Department recommends replacing the 2015 Ford Fusion with a Tesla Model Y. This vehicle will be used for Administrative purposes. This vehicle assists the transition to an electric fleet for the Administrative vehicles.	Fund 50k from AQMD Fund. Approved

Proposal	Frequency	Priority	Account String	Recommended	Not Recommended	Justification	Notes
<b>Equipment Replacement Fund</b>							
<b>Police</b>							
Replace 2014 Chevy Impala with Toyota Camry Hybrid	One Time	2	715-2101-5403	38,500		The Police Department recommends replacing the 2014 Chevy Impala with a Toyota Camry Hybrid. This vehicle will assist the Detective Bureau diversity. The vehicle's fuel/smog rating is consistent with the City's Clean Fleet Policy.	Approved
Replace 2014 Ford Explorer with Ford Explorer Hybrid	One Time	3	715-2101-5403	59,500		The Police Department recommends replacing the 2014 Ford Explorer used by the Detective Bureau with a Ford Explorer Hybrid.	Approved
Replace Desks at Base 3	One Time		715-3302-5402	7,000		Request to replace desks for the Community Services Division that are falling apart.	Approved
Parking Meter Upgrades and Replacements	One Time		715-3302-5401	150,000		In FY 2021-22 the City planned to purchase 650 meters as part of the final phase of the City-wide parking meter replacement project. This would have completed the replacement of all coin only meters in the City with credit card enabled smart meters. Following Council's adoption of the FY 2021-22 budget, staff were informed by the City meter vendor (IPS) that T-Mobile and Verizon intended to move forward with phasing out the 2G/3G network and that the City smart meters using that technology would require hardware and software updates. The requested \$150,000 for FY 2022-23 will allow City staff to move towards replacing the remaining coin only meters, complete the 2G/3G upgrades, and provide funds for the continuing maintenance and replacement of the original smart meters the City installed. The estimated cost to purchase one meter, including taxes and shipping, is approximately \$600.	Approved
			715-3302-5402	16,000		See request above. An additional \$16,000 is added for multi-space meters.	Approved
<b>Public Works</b>							
Replace 2001 Ford 450 with Ford F 150 EV Lightning	One Time	3	715-2101-5403	46,000		Per recommendation of the Senior Equipment Mechanic.	Approved
Bluebeam Licenses	Recurring	17	715-4202-4201	0	2,443	Public Works staff uses Bluebeam to create and edit plans, format CIPs, projects, tasks, and plan checking developments and utilities. Currently, only four staff members have the system. The Public Works Department recently added new staff members who are in need of Bluebeam licenses to complete a variety of tasks and projects. Other support staff also need it to assist with task and projects. Public Works recommends the purchase of seven Bluebeam licenses for staff to complete tasks and projects. The licenses have a one-time fee of \$349 each. The total for all seven licenses is \$2,443.	Purchase in 2021-22
iPads (6) for Public Works Staff	One Time	5	715-4202-5402	16,811		Public Works staff completes a variety of jobs in the field that require logging in statuses, photos, and other information. To ensure timely logging of this information and to facilitate interviews and other activities done in the field, staff would benefit from having iPads. Public Works recommends the purchase of six (6) iPads for staff, including the Public Works Inspector, Public Works Superintendent, and four (4) Crew Supervisors. The cost per iPad, including the Apple Smart Keyboard and Folio Case and \$4.00 recycling fee is \$2,556. For the six (6) iPads, the total including sales tax and shipping, is \$16,810.63.	Approved

Proposal	Frequency	Priority	Account String	Recommended	Not Recommended	Justification	Notes
<b>Equipment Replacement Fund</b>							
<b>Public Works</b>							
Equipment for New Positions	One Time		Equip-More Than \$1,000	18,568	624	2 senior engineers, 1 inspector, 1 associate engineer positions are proposed to be created in the upcoming fiscal year. Office equipment are needed for those positions: Equipment needed:  5 computers (\$1,500 x 5) = \$7,500 2 iPads (\$2,552 x 2) = \$5,104 4 landline phones (\$200 x 4) = \$800 5 Adobe licenses (\$117 x 5) = \$819 5 Bluebeam licenses (\$349 x 5) = \$1,745 1 cellphone (\$800 x 1) = \$2,600 2 Data Plan Services (\$312 x 2) = \$624	Move Data Plan to General Fund. Approved
Color Printer	One Time	13	715-4202-4305	5,926	0	Public Works City Yard staff is responsible for posting signs and printing a variety of other items in color. However, they currently have a black and white printer only.	Moved From General Fund. Approved
Fleet Shop Hydraulic Jack	One Time	12	715-4202-5401	0	576	The current jack is old and is unsafe to work with. Hydraulic fluid leaks out of the existing jack.	Purchase in 2021-22
Community Center Classroom Flooring	One Time	15	715-4204-4201	8,528		Current flooring has large areas of water damage due to leaking refrigerator and also damage due to heavy use. Public Works recommends replacing flooring with new waterproof laminate.	Approved
Fleet Scan Tool	One Time	11	715-4206-5402	3,608		Current scan tool is over 8 years old and is not upgradable. Current scan tool cannot complete the service checks for newer vehicles.	Approved
Fleet Shop Iron Worker Angle Shear	One Time	14	715-4206-5402	1,802		We do not currently have an angle shear. This equipment helps with the customization of any job that requires us to bend sheet metal. This tool has many benefits to our fleet equipment. For example, we can build customizable shields for our street lights.	Approved

# Personnel Requests/Recommendations

Salaries and Benefit Costs  
2022-2023 Budget

Position Requests/Recommendations : Page 1

Proposal	Frequency	Priority	2022-23 Proposed	Justification/Notes
<b>General Fund</b>				
<b>City Manager</b>				
Senior Management Analyst Position	Recurring	3	(48,251)	The Assistant to the City Manager position has been unoccupied/frozen since October 2020. The City Manager's Office recommends to unfreeze the Assistant to the City Manager position and repurpose it as a second Senior Management Analyst position in the City Manager's Office. <b>Approved</b>
Management Analyst Intern Position	One Time	12	17,132	The City Manager's Office currently has one Intern assisting the Emergency Management Coordinator. A Management Analyst Intern would assist the Senior Management Analyst(s) up to 20 hours/week. With unfilled positions in the City Manager's Office, there is currently a need for assistance. A Management Analyst Intern would assist the Senior Management Analyst(s) up to 20 hours/week. Recommendation to recruit a part-time/temporary Management Analyst Intern to assist the Senior Management Analyst(s) up to 20 hours/week. <b>Approved</b>
<b>Community Development</b>				
Community Development Senior Planner (Temporary) Proposal	Recurring	1	64,073	Community Development currently has a Temporary Senior Planner & Business Liaison, Christy Teague, that has been employed with us since August 15, 2018. Community Development would like to continue to employ Christy as a part-time temporary staff member for the upcoming fiscal year of 2022-2023. Christy will be reducing her hours to 20 hours per week/960 hours per fiscal year, per Calpers guidelines as a retired government employee. For the next fiscal year, Christy will be implementing the Economic Development Strategy that was created by the Economic Development Committee. <b>Approved</b>
Community Development Office Assistant (Intern)	None	None	34,264	The Community Development Department is requesting a paid intern to assist the department as an Office Assistant. The intern will assist with answering heavy phones, assisting residents at the public counter, filing completed projects, scanning plans, cataloging, plus will assist with permits, Residential Building Reports and Public Records Requests so that we do not have a back-log and other development-related tasks. <b>Approved</b>
<b>Community Resources</b>				
Office Assistant - Full Time Position	Recurring	1	76,656	In 2019, due to an increased need for more recreation focused positions to continue to provide the recreation services to the community and maintain new recreation services created by the Department, the Department requested the Office Assistant position be reclassified to a Recreation Coordinator. The intention was to have part-time Recreation Specialists assist with the administrative tasks in the Department previously assigned to the Office Assistant position. Unfortunately, due to high turnover in the part-time positions, this was not a viable solution and many of the administrative tasks of the Department fell to the Community Resources Manager, Senior Recreation Supervisor and Recreation Coordinators. The Community Resources Department is requesting a full-time Office Assistant. The City's current Office Assistant job description will suit the request for the Community Resources Department's requested Office Assistant. <b>Approved</b>
Recreation Specialist - Part-Time Position	Recurring	2	21,415	Prior to COVID-19, the Department had two Recreation Specialists during office hours to assist with phones, the front counter, and facility needs. Facility needs include opening/closing of rooms; set-up/break-down of rooms; opening the tennis courts, pickleball courts, and basketball courts, and assisting with the daily operations of the Hermosa Five-O Senior Activity Center. The Department currently has one Recreation Specialist. The Department was approved to provide the current Recreation Specialist 40 hours until all full-time positions were filled when the former Community Resources Manager resigned. The Department has since filled the Community Resources Manager position and is currently in the process of filling the Senior Recreation Supervisor, with the anticipation for it to be filled prior to Summer 2022. When all full-time positions are filled and the current Recreation Specialists returns to their approved 24 hours per week, the Department will have a need for the return of a second Recreation Specialist during office hours so they may assist with the phones and front counter needs and the facility needs do not fall to full-time staff. The Department is requesting a return of the second Recreation Specialist position during office hours. This will provide two staff members at any given time during office hours. <b>Approved</b>
<b>Finance Cashier</b>				
Finance Cashier Part-time Account Clerk	Recurring	1	59,383	The part-time Account Clerk provides on-going support to Finance Cashier office especially during permit season, vacancies, and vacations. Having an additional 30 hour a week position has allowed for better customer service, experienced help during permit season, coverage when other staff are out, as well as the invoicing and scheduling of citation hearings and assisting with backlogged work. <b>Approved</b>
<b>Human Resources</b>				
Human Resources, Risk Management Analyst	Recurring		116,423	The Human Resources (HR) department oversees all functions related to Human Resources and Risk Management. The Human Resources functions include, Recruitment and Selection, Hiring and On-boarding, Classification and Compensation, Benefit Administration, Personnel Record Maintenance, EEO/AA/ADA Compliance, Training and Employee Development, Employee Relations, Labor Relations, Creating and Updating Policies and Procedures. The Risk Management functions include City Insurance Programs, Health and Wellness Programs, General Liability, Workers Compensation, Employee Safety Programs, and Injury Illness Prevention. The Human Resources department does not only oversee HR related tasks and programs, but the department also oversees all functions related to Risk Management. For more than 20 years, the department has been supported by only one HR Analyst. In order to properly and effectively manage all programs, there is a need for an additional Analyst to help support the Risk Management functions. A review of Human Resources department staffing levels of neighboring cities (same cities used for current compensation study) was conducted and compared to Hermosa Beach. Based on the information, the average number of staff members in an HR department was 4.6 employees. <b>Approved from Insurance Fund. Adjust Allocation of Human Resources Analyst to be 100 percent General Fund.</b>

Proposal	Frequency	Priority	2022-23 Proposed	Justification/Notes
<b>General Fund</b>				
<b>Police</b>				
Add one Lieutenant position and eliminate one sergeant position			17,113	The Lieutenant position will be assigned to the office of the Chief of Police. It will oversee Personnel matters, hiring and recruitment, audits and special projects. This is needed to ensure these critical functions of 21st Century Policing have direct management oversight. <b>Approved</b>
Part-time/Seasonal CSO			88,230	On-going seasonal CSO positions. <b>Approved</b>
Police Interns			10,000	Allow for the onboarding of interns who are completing their work with the Police Department. Each intern is affiliated with an accredited academic institution and working under their internship program. The Police Department anticipates bringing on 3 interns over the next fiscal year. Each internship is 40 hours in length. <b>Approved</b>
<b>Public Works Administration</b>				
Engineering Interns	Recurring	1	34,264	Public Works is requesting for the existing two (2) part time intern positions to be carried forward into the new fiscal year. Interns provide invaluable assistance with CIP and non-CIP projects, issuing permits, field inspections, gathering information/photos, and other clerical duties, such as filing, mailing, scanning, correspondence, and answering phones. Their contributions are essential for meeting goals and objectives. <b>Approved</b>
City Yard Interns	Recurring	2	34,264	The Public Works Operations Division is in need of additional staff to assist with the completion of essential administrative and clerical duties. The administration team for the Operations Division is currently understaffed and would benefit from hiring two (2) interns in order to meet Department goals and objectives, as well as assist with enhancing inspection templates, performing full inspections of parks and facilities per contract specifications, and preparation of RFPs and other bid documents. These positions were approved in FY 2021-22 and would continue being beneficial in FY 2022-23. <b>Approved</b>
Public Works - Various CIP Accounts, Engineering Division, City Engineer	Recurring	1	25,349	Public Works is requesting for the reclassification of the current "Deputy City Engineer" position to "City Engineer". There is currently no City Engineer for the Public Works Department. The City's municipal code requires there to be a City Engineer. There is currently no City Engineer for the Public Works Department. Instead of hiring an additional person as the City Engineer at a substantial cost, it is recommended for the current "Deputy City Engineer" position to be reclassified to "City Engineer". While there will be an increase in cost, it will be savings as compared to hiring a separate City Engineer. <b>Approved. Position is allocated 90 percent to the General Fund, 5 percent to the Sewer Fund and 5 percent to the Storm Drain fund.</b>
Public Works - Various CIP Accounts, Engineering Division, Engineering Technician	Recurring	5	6,210	Public Works is requesting to reclassify the existing Senior Office Assistant Position to Engineering Technician to more closely align with the departments needs. This new position would be focused on processing permits and assisting customers at the counter. This position would also help free up engineering interns that are currently working on the counter and allow them to focus on supporting CIPs. <b>Approved</b>
<b>General Fund Total</b>			<b>556,525</b>	
<b>Less Continuing</b>			<b>181,877</b>	
<b>New Requests</b>			<b>374,648</b>	
<b>Additional PW Requests</b>				
Public Works - Various CIP Accounts, Engineering Division, Senior Engineers (x2)	Recurring		357,782	Public works is requesting the addition of two Senior Engineers to assist the department with the heavy workload of Capital Improvement Projects (CIPs). These positions will the department to have additional supervision of the staff leading the design of CIPs and allow for the creation of a construction group that can help advertise projects and oversee their construction. <b>Approved</b>
Public Works - Various CIP Accounts, Engineering Division, Associate Engineer	Recurring		131,384	Public Works is requesting the addition of an Associate Engineer to assist with the department with the heavy backlog of CIPs and request for additional projects. This position would be included in a new construction group that is focused in the delivery of projects. This would allow other existing engineering staff to remain focused on the design of projects, processing permits, and addressing other resident requests. <b>Approved</b>
Public Works - Various CIP Accounts, Engineering Division, Inspector	Recurring		103,523	Public Works is requesting to add a Public Works Inspector Position to assist staff with the heavy workload. This position would be included in the new construction group and focused on inspecting CIP projects. This would help alleviate other existing staff that is focused on the design of CIP projects and other department functions. The position would also provide redundancy for the departments other inspector so that the department has better inspection coverage and can be more responses to inspection requests. <b>Approved</b>
			<b>592,689</b>	
Current part-time position added into the Current Service Level Budget

# EXPLANATION OF USER CHARGE ALLOCATIONS

**Communications Equipment Replacement Charges:** Departments are charged user charges for the replacement of computer equipment, peripheral equipment, business machines and for a proportionate share of the Information Technology Division costs. The current useful life for personal computers is 3 years, while peripherals range from 4 to 6 years. The useful life for business machines is 7 years. The allocation is distributed based on the following weighted formula:

Annual amortization + percent of Information Technology equipment amortization + percent of total Information Technology Division costs + business machine amortization.

**Equipment Replacement Charges:** Departments are charged user charges for the replacement of vehicles, heavy equipment, general small equipment and for a proportionate share of the Equipment Service Division costs. The useful life for vehicles and heavy equipment ranges from 3 to 25 years. The allocation is distributed based on the following weighted formula:

Percent of Equipment Service Division costs + Department Parts & Fuel + Department vehicle amortization + Department specific services.

**Building Maintenance Charges:** Departments are charged user charges for the maintenance of all City buildings. The allocation for 2022-23 is \$101,555 and is distributed based on square footage occupied by each department. This amount does not provide the full amount needed for all building maintenance but is a step toward providing necessary funds.

**Insurance User Charges:** Departments are charged user charges for liability, worker's compensation, unemployment, and property and bonds. Costs are allocated using the following weighted formulas:

## Liability

Percent of losses for 3 years x percent of payroll + percent of vehicles x Liability Department costs.

## Worker Compensation

Percent of Payroll x Workers Compensation Department costs.

## Auto/Property/Bonds

Property - Premium based on percent of occupied square footage.

Auto - Direct charge for vehicles.

Bonds - Number of employees as ratio of total employees + direct charge for department specific bonds.

## Unemployment

Percent of Payroll x Unemployment Department costs.

# Debt Analysis and Debt Service Schedules

## Debt Analysis

The City's legal debt margin according to State law and City policy is shown below. The State Government Code provides for a legal debt limit of 15 percent of gross assessed valuation. The City's adopted policy reflects a more conservative margin of 2 percent. This limit is a policy adopted by the City Council and may be changed by the City Council based on the ability to support debt payments.

In 2020-21 the City issued Refunding Lease Revenue Bonds. The legal debt margin will be updated with the Annual Comprehensive Financial Report to reflect the changes. With the issuance of the revenue bonds debt is at 19 percent of the adopted policy.

Legal Debt Margin : Fiscal Year Ended 6/30/2021

Legal Debt Margin	
Fiscal Year Ended 6/30/21	
Assessed Valuation	8,459,798,643
Conversion Percentage	25%
Adjusted Assessed Valuation	\$2,114,949,661
Legal Debt Limit Percentage	15%
Legal Debt Limit	\$317,242,449
City's Established Debt Limit Percentage	2%
City's Debt Limit Margin	\$42,298,993
Issued Debt	\$8,150,000
Remaining Issued Debt	\$8,150,000
Total Debt as Percentage of Debt Limit	19%
Remaining Debt Limit Margin	\$34,148,993
Total Remaining Debt Limit as Percentage	81%

GROUP LEGEND										
V = Vehicle										
H Eq = Heavy Equipment										
O Eq = Other Equipment										
NOTE: EQUIPMENT SERVICE VEHICLE IS INCLUDED IN PUBLIC WORKS ADMINISTRATION BECAUSE AMOUNT IS TOO SMALL TO ALLOCATE TO ALL DEPARTMENTS.										
* FUNDED BY OFFICE OF TRAFFIC SAFETY GRANT. NOT INCLUDED IN EQUIPMENT REPLACEMENT CHARGES.										
** THERE WAS AN INCREASE TO THE NEW VEHICLE CPI FROM JAN 2010 TO DEC 2010 OF 3.9%; THEREFORE VEHICLE REPLACEMENT VALUES WERE INCREASED BY 3.9% FOR FISCAL YEAF										
*** REFLECTS INCREASE OF .46% TO REFLECT INTEREST THAT WOULD BE EARNED IF INTEREST WAS ALLOCATED TO THIS FUND. For FY 2013-14 increase to .7%.										
(a) ALL POLICE VEHICLES INCLUDE "SET UP" IN REPLACEMENT COSTS.										
(b) Effective 7/1/04 Public Works vehicles are being allocated to all departments based on personnel allocation of primary user.										
(c) Vehicle transferred from Police Department October 2005. Useful life was adjusted to reflect new replacement date.										
(d) Useful life was extended due to vehicle mileage not warranting replacement.										
INDICATES VEHICLE SCHEDULED FOR REPLACEMENT IN 2022-23.										
Items in BOLD indicates vehicles scheduled for replacement in 2021-22.										
2009-10 All vehicle lives were extended by 1 year.										
2010-11 All vehicle lives were extended by a 2nd year.

# GLOSSARY OF TERMS

**Accrual:**

The method of recording revenues or expenditures when they are incurred.

**Accrual Accounting:**

Accounting method that records revenues and expenses when they are incurred, regardless of when cash is exchanged.

**ADA:**

Americans with Disabilities Act

**Alternative Retirement System (ARS):**

Alternative plan to Social Security for part-time employees. Funded solely through employee payroll deduction, contributions are made on a pre-tax basis resulting in greater net pay for covered employees. Contributions may be distributed or rolled over upon separation from the City (with certain limitations).

**Appropriations:**

Legal authorization by the City Council to make expenditures and to incur obligations for specific purposes.

**AQMD:**

Air Quality Management District

**ARPA:**

American Rescue Plan Act of 2021

**Assessed Valuation:**

A dollar value placed upon real estate or other property, by Los Angeles County, as a basis for levying property taxes.

**Audit:**

An official inspection of an organization's accounts, typically by an independent body.

**Balanced Budget:**

A budget in which revenues are equal to expenditures.

**Beginning Fund Balance:**

Fund balance available in a fund, from the end of the prior year, for use in the following year.

**Bonds:**

A fixed-income instrument that represents a loan made by an investor to a borrower (typically corporate or governmental).

**BSCC:**

Board of State and Community Corrections

**Budget:**

The financial plan for the operation of a program or organization that includes an estimate of proposed expenditures for a given period of time and the proposed means of financing those expenditures.

**CalPERS:**

California Public Employees Retirement System

**Capital Expenditure:**

The amount spent to acquire, improve, or extend the life of long-term fixed assets, such as land, buildings, and equipment.

**Capital Improvement Project (CIP):**

Capital Improvement Projects typically improve City owned assets such as buildings, parks, streets and other infrastructure components. Capital projects often span more than one fiscal year.

**Capital Outlay:**

A budget category which accounts for all furniture, vehicles and equipment having a unit cost of \$5,000 or more and a useful life of more than one year.

**CAPM:**

Capital Preventative Maintenance

**CASp:**

Certified Access Specialist Fee

**CC:**

City Council

**CDBG:**

Community Development Block Grant

**COLA:**

Cost of Living Adjustment

**COVID-19:**

Coronavirus disease 2019 is a respiratory illness that is caused by the novel coronavirus that can lead to serious illness or death. On March 4, 2020 Governor Gavin Newsom issued a statewide Proclamation of a State of Emergency. On March 15, 2020 Mayor Mary Campbell declared a local emergency in Hermosa Beach. At a special meeting on March 16, 2020, the City Council adopted Resolution No. 20-7230, approving and ratifying the declaration of emergency.

**CUP:**

Conditional Use Permit

**Deficit:**

The amount by which something, especially a sum of money, is too small. An excess of expenditure or liabilities over income or assets in a given period.

**Department:**

An organizational unit comprised of divisions or programs. The City of Hermosa Beach has thirteen departments: City Attorney, City Manager, City Clerks/Elections, City Council, City Prosecutor, City Treasurer, Finance, Personnel, Community Resources, Police, Fire Community Development, and Public Works.

**Division:**

An organizational unit within a department that handles a specific area of responsibility assigned to that department.

**Enterprise Fund:**

A government-owned fund that sells goods or services to the general public.

**Expenditure:**

The cost of goods received or services rendered for the government unit.

**Fiduciary Fund:**

A fund used in governmental accounting to report on assets held in trust for others. When financial statements are prepared for fiduciary funds, they are presented using the economic resources measurement focus and the accrual basis of accounting.

**Fiscal Year:**

A 12-month period of time to which an annual operating budget applies. The City of Hermosa Beach's fiscal year is July 1 through June 30.

**Fixed Asset:**

Tangible property items such as land, buildings, vehicles and equipment which have a value over \$5,000 and a life over one year.

**Frozen Position:**

When a position is frozen, the position remains unfilled or open until it is unfrozen. Freezing of positions typically occurs in order to achieve salary and benefits savings but could also occur pending the restructuring of a department or workforce.

**Full-time Equivalent:**

Refers to the unit of measurement equivalent to an individual – worker or student – one unit of a work or school day.

**Fund:**

A self-balancing set of accounts. Governmental accounting information is organized into funds, each with separate revenues, expenditures and fund balances. There are four major types of funds: General, Proprietary, Special Revenue, and Trust & Agency. Definitions of these funds are found under "Explanation of City Funds".

**Fund Balance:**

The difference between a fund's assets and liabilities. Portions of the fund balance may be restricted, committed, or assigned. See a detailed explanation in "Understanding The Budget" in the introductory section of this document.

**Gann Appropriation Limit:**

Article XIII B of the California Constitution was amended by Proposition 4, "The Gann Initiative," in 1979. This article limits the growth of governmental spending by multiplying the limit for the prior year tax proceeds by a growth factor. The 1979 base year limit amount consists of all tax proceeds appropriated in that year. Each subsequent year, the City Council adopts the revised appropriation limit annually, based on changes in the City or County population and changes in the California per capita (PCI) or nonresidential new construction.

**GAAP:**

Generally accepted accounting principals

**General Fund:**

The primary fund of the City, used to account for all revenues and expenditures of the City not legally required to be accounted for in another fund.

**GFOA:**

Government Financial Officers Association

**GIS:**

Geographic Information System

**Governmental Fund:**

A term used in governmental accounting that applies to all funds except for profit and loss funds (e.g., enterprise fund, internal service fund, and trust and agency fund). Governmental funds use the modified accrual accounting method.

**Grant:**

Contributions or gifts of cash or other assets from another entity. Grants are typically to be used or expended for a specific purpose.

**HBMC:**

Hermosa Beach Municipal Code

**HUTA:**

Highway Users Tax Account

**ICRMA:**

Independent Cities Risk Management Authority

**Infrastructure:**

The underlying foundation or basic framework of a system or organization, such as the roads, sewers, storm drains, etc.

**Internal Service Charge:**

A charge to department budgets designed to provide for the operation, maintenance and replacement of some shared City function. The City of Hermosa Beach uses internal service charges to provide for its city-wide computer network, operation and replacement of its vehicle fleet and allocation of insurance costs.

**Internal Service Fund:**

A fund that provides benefits or goods or services to other funds, departments, or agencies of government on a cost-reimbursement basis, with the goal to "break-even" rather than make a profit.

**Major Fund:**

A fund whose revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are at least 10 percent of corresponding totals for all governmental or enterprise funds and at least 5 percent of the aggregate for all governmental and enterprise funds.

**Modified Accrual Accounting:**

Accounting method that combines accrual basis accounting with cash basis accounting. It recognizes revenues when they become available and measurable and, with a few exceptions, records expenditures when liabilities are incurred.

**MTA:**

Metropolitan Transit Authority

**NPDES:**

National Pollutant Discharge Elimination System

**OPEB:**

Other Post Employment Benefits such as health insurance

**Operating Budget:**

The financial plan, excluding capital expenditures, for the operation of a program or organization that includes an estimate of proposed expenditures for a given period of time and the proposed means of financing those expenditures.

**PEG Grant:**

Public Educational and government Grant Fees

**Permanent Employee:**

A person employed directly by the employer and does not have a predetermined end date of employment.

**POST:**

Peace Officers Standards and Training

**Proprietary Fund:**

A fund used to account for activities that involve business-like interactions, either within the government or outside of it.

**Property Tax In Lieu of Vehicle License Fees:**

During fiscal year 2003-04, the State dropped the Vehicle License Fee (VLF) from 2% of vehicle value to 0.67%.

Beginning in 2004-05, cities continued to receive the 0.67% portion of the fee directly from the State, with the State backfilling the 2% to 0.67% VLF reduction with an additional allocation of local property tax from County ERAF funds. This amount is identified as Property Tax In-Lieu of Vehicle License Fees in the Revenue Detail by Fund Report. At some point, the revenue may be merged with property tax revenue since from 2005-06 on, measurement and growth will be based upon assessed valuation instead of the original VLF valuation. It has been left as a separate line item at this time for presentation purposes and is included in the Property Tax Category in the pie charts in the Revenue section.

**PSAF:**

Public Safety Augmentation Fund

**Revenue:**

Item or source of income, such as from taxes, licenses, permits, etc.

**RFP:**

Request for Proposal

**RTI:**

RAM Telecom International, Inc. (RTI) representing SEA-US Cable System has agreements with the City for multiple trans-Pacific cables with landings in Hermosa Beach.

**SBCCOG:**

South Bay Cities Council of Governments

**STC:**

Standards for Training in Corrections

**Storage Lot Loan:**

The City purchased property adjacent to City Hall in 2005 for \$4.4 million; the property had an existing lease to a self-storage business. Funds for the purchase came from the Contingency Fund, Equipment Replacement Fund and Insurance Fund. These funds are being paid back from the lease proceeds from the self-storage business. The City recorded an internal loan between these funds and the Downtown Enhancement Fund (where the property was recorded as an asset). The Downtown Enhancement Fund was closed in 2011-12 and the balances, including the internal loans, were transferred to the General Fund. The internal loan balance was repaid to the Insurance and Equipment Replacement Funds in 2011-12.

**SWRCB:**

State Water Resources Control Board

**TDA:**

Transportation Development Act

**Total (Memorandum Only) Column:**

The total column of the City of Hermosa Beach Budget Summary captioned "Total (Memorandum Only)" does not present consolidated financial information and is presented only to facilitate financial analysis. Interfund eliminations have not been made in the aggregation of this data.

**Transfer:**

Moneys appropriated from one fund to another, in order to reimburse the fund for expenses or to finance the operation of the other fund. Transfers between a Proprietary Fund and a Government Fund, as in the case of the Insurance Fund, are budgeted as revenues and expenditures in the various funds, to comply with governmental accounting principles.
