Los Angeles County Thresholds for Restrictions

On November 17, 2020, the Los Angeles County Department of Public Health outlined thresholds for new restrictions based on 5-day average case rates and daily hospitalizations.

If the five-day average of cases in the County becomes 4,000 or more or hospitalizations are more than 1,750 per day, the following restriction will be added:

- Outdoor and indoor dining at restaurants, breweries, wineries and bars will be prohibited and these businesses will only be able to offer pick-up and delivery.

If the five-day average of cases in the County becomes 4,500 or more or hospitalizations are more than 2,000 per day, the following restriction will be added:

- A Safer at Home Order will be instituted for three weeks. The Order would only allow essential workers and those securing essential services to leave their homes.

**Los Angeles County 5-day
Average of Cases**

4,266

**Los Angeles County Daily
Hospitalizations**

1,575

Latest restrictions

- In-person dining prohibited for a minimum of 3 weeks start November 25th at 10pm. Take-out, drive thru and delivery services allowed.
- All California counties in Tier 1: Non-essential businesses and personal gatherings prohibited between 10pm and 5am from November 21 to December 21
- For non-essential businesses permitted to operate indoors, occupancy will be limited to 25% maximum capacity.
- The number customers at cardrooms, outdoor mini-golf, go-karts and batting cages will be limited to 50% maximum outdoor capacity.
- Services at personal care establishments may only be provided by appointment to customers wearing face coverings by staff wearing face coverings.
- Restaurants, breweries, wineries, bars, and all other non-essential retail establishments must close from 10:00 p.m. to 6:00 a.m.
- Outdoor gatherings remain the only gatherings permitted, and they must only include 15 people maximum who are members of no more than 3 households.

Tips for Celebrating Safely This Thanksgiving

SAFE

CELEBRATE AT HOME

Prepare traditional dishes with those in your household

Host a virtual dinner and share recipes with family and friends

Put up your favorite decorations and share photos online

Watch parades, sporting events, and movies at home

Shop local on-line instead of in stores

LESS SAFE

IF YOU GATHER, DO SO WISELY

Keep it small and stay local

Stay outside if possible and ensure proper ventilation if indoors

Wear face coverings and physical distance

Wash or sanitize your hands regularly, especially before eating

Avoid contact with non-attendees for 14 days before and after your gathering

UNSAFE

AVOID...

Large gatherings especially indoors

Potlucks, buffets, or other shared food

Places with crowds, such as stores, parades, running events, and sports

Contact with anyone who is sick or may have been exposed to COVID-19

COVID-19 Testing

- Who is eligible to get tested at the LA County test sites?

- Anyone with symptoms consistent with COVID-19
- Those who have had close contact in the past 14 days with someone known to be infected with COVID-19
- Those who live or work in a high-risk congregate setting (such as skilled nursing facilities or homeless shelter).

There are a *limited number* of tests also available for those who are asymptomatic and an essential worker who is in frequent contact with the public

- Where do I sign up for a test?

- If you have insurance and a provider, contact your medical provider
- <https://covid19.lacounty.gov/testing>

Assistance, Information & Referrals

During this time of heightened health concern, BCHD is available to offer help and support.

If you or someone you know in the Beach Cities needs assistance with errands, health-related information or referrals, please call our Assistance, Information & Referral line at
