**Subject:** DECOMPOSED GRANITE PATH ON GREENBELT

Councilmember Armato,

We hope you are still 'NO' on:

Are you considering paving the Greenbelt?

Are you considering removing all the woodchips on the Greenbelt?

Are you considering removing the landscaping on the Greenbelt?

**Question 4: Are you considering removing the landscaping on the Greenbelt?**

**Answer 4: No.**

**Question 5: Are you considering improving access for seniors and those with disabilities?**

**Answer 5: Yes.**

**Question 6: Do you favor public hearings before any action is taken concerning accessibility on the Greenbelt?**

**Answer 6: Yes.**

**Question 7: Do you favor robust community discussions before any changes are made to the greenbelt?**

**Answer 7: Yes.**

**Question 8: Why are we discussing this issue?**

**Answer 8:** The Greenbelt, created by the voters in 1988, is designated as a public park. Listening to suggestions from residents, on accessibility on the Greenbelt or any issue, is what I believe we are elected to do. Our responsibility as your City Council is to examine the possibilities for improvement, and consider full community input, before defending the status quo.

**Question 9: When did this issue come before the City Council?**

**Answer 9:** During the June 15, 2017 budget adoption meeting, the City Council allocated \$28,000 to study the feasibility of improving accessibility on the Greenbelt.

**Question 10: When will it be discussed again?**

**Answer 10:** When the feasibility study is complete, the matter will be placed on a future City Council agenda, in January or February 2018, for City Council discussion, public input, and policy direction.
