Subject: ADA walkway

I am so thrilled to see the city council will be discussing the possibility of adding an ADA walkway/pathway on the Greenbelt. It is long overdue making the Greenbelt accessible to ALL of the Hermosa Beach residents and visitors. I believe the Access Hermosa Working Group has done an excellent job investigating this issue and I think a pilot program is a great idea. The Decomposed Granite that is used at South Park has proven so useful to families with children in strollers and I have seen a number of visitors easily moving around the park in wheelchairs.

Thank you for your consideration.

Barbara Ellman
