Item: a) REPORT 20-0662 HOLD THE PUBLIC HEARING, TABULATE THE BALLOTS AND IF SUFFICIENT BALLOTS ARE RECEIVED, CONSIDER APPROVING THE FINAL ENGINEER'S REPORT AND CREATING THE GREENWICH VILLAGE NORTH UNDERGROUND UTILITIES ASSESSMENT DISTRICT (Public Works Director Marnell Gibson)

eComment: My family have recently moved into the North Hermosa Beach area and are extremely pleased with this opportunity to contribute to the long-term improvement of the city's electrical infrastructure. We have moved from CT where we, along with so many residents, frequently experienced prolonged hardship due to significant power outages due to archaic electrical poles collapsing and above ground infrastructure breaking down. This initiative is a tremendous opportunity to improve the safety, security and aesthetics for the entire community in this part of Hermosa Beach.
