

City Manager COVID-19 Update June 8, 2021

Please note that the statement delivered during the City Council Meeting may vary due to frequent changes in COVID-19 information and restrictions.

Vaccine Update

In partnership with Los Angeles County Department of Public Health, the City of Hermosa Beach hosted two pop-up COVID-19 vaccination clinics in Downtown Hermosa Beach over the Memorial Day weekend and administered Pfizer vaccines to 22 people. The City plans to host additional vaccine opportunities later this summer.

Everyone age 12 and older in California are now eligible for COVID-19 vaccines. Appointments for vaccines can be made by visiting myturn.ca.gov. The consent of a parent or legal guardian may be needed for those between the ages of 12 and 17 to receive a vaccination. Please visit [Vaccinate All 58](#) to learn more about the safe and effective vaccines available.

City Hall In-person Services

We wanted to remind everyone that in-person services at Hermosa Beach's City Hall have resumed. We are using an appointment system for people to safely visit City Hall to conduct business with the City in person. Please visit the [appointment site](#) on the City's website to schedule a time to visit City Hall.

We plan to resume in-person City Council meetings this Summer. As we outlined in our reopening, recovery and resilience plan, Hermosa SHINES, our intent is to continue to take advantage of the technologies and tools we began using during the pandemic to augment our in-person services. We are working on ~~being able to continue integrating remote technologies with an in-person set-up to use Zoom~~ so that residents and other participants in Council meetings can provide their input from their homes, offices or other locations, if needed. This would be in addition to providing in-person comments and input inside the Council chamber. Our goal is to increase public access to the meetings, and we are working on an efficient method for broadcasting online and in-person commentary from the Council chambers.

City Re-openings

The Hermosa Beach Rotary Club has reopened for reservations under the [Protocol for Private Events \(Meetings, Receptions and Conferences\): Appendix BB](#).

Summer Camp Registration Underway

Hermosa Beach's 2021 Summer Camp Programs are still open for registration. Please take a look at the 2021 Summer Camp Programs Brochure for camp and class offerings and register on the City's website at hermosabeach.gov/recreation.

As always, we ask that you continue to take precautions to prevent the spread of COVID-19 and follow the public health experts' advice to keep you and your loved ones safe.
