New eComment for City Council on 2020-10-13 5:00 PM

Jim Hamilton submitted a new eComment.

Meeting: City Council on 2020-10-13 5:00 PM

Item: a) REPORT 20-0662 HOLD THE PUBLIC HEARING, TABULATE THE BALLOTS AND IF SUFFICIENT BALLOTS ARE RECEIVED, CONSIDER APPROVING THE FINAL ENGINEER'S REPORT AND CREATING THE GREENWICH VILLAGE NORTH UNDERGROUND UTILITIES ASSESSMENT DISTRICT (Public Works Director Marnell Gibson)

eComment: We have lived at our home on the Strand for over 40 years. We see this project to underground utilities as a rare opportunity to enhance the values, and use and enjoyment, of all properties on both sides of Hermosa Avenue to an extent greater than the associated costs. Accordingly, we believe this undergrounding project is clearly worthwhile and should be implemented upon approval by the requisite number of ballots.
