Item: a) REPORT 20-0662 HOLD THE PUBLIC HEARING, TABULATE THE BALLOTS AND IF SUFFICIENT BALLOTS ARE RECEIVED, CONSIDER APPROVING THE FINAL ENGINEER'S REPORT AND CREATING THE GREENWICH VILLAGE NORTH UNDERGROUND UTILITIES ASSESSMENT DISTRICT (Public Works Director Marnell Gibson)

eComment: I support the removal of the utility poles. Great opportunity for the residents of the area to improve the safety and increase the beauty. I know a ton of work has been done to get us to this point, I strongly encourage people to support the undergrounding and take advantage of our chance to improve our city. I think both sides of the street will benefit from the removal of the poles, the houses in front will look better and the houses behind improve the view. I think both sides will benefit in home values in the long term.
