Mission Statement

Hermosa Beach strives to offer a safe and enjoyable environment for special events to take place in a way that balances resident and visitor needs. Special events in Hermosa Beach are celebrated for being community-friendly, enhancing local beach culture, and offering a myriad of benefits to the local community. The City of Hermosa Beach* works collaboratively with event operators in an efficient and clear manner to process and carry out permits in compliance with this policy.

** "City of Hermosa Beach" collectively refers to City staff, Parks, Recreation and Community Resources Advisory Commission, City Manager, and City Council.*

General Information + Frequently Asked Questions

When is a special event permit required?

Any organized event, activity, celebration, or function involving the use of the beach at which one hundred or more persons are to be assembled, or use of outdoor city facilities, rights-of-way, or parkland at which twenty-five or more persons are to be assembled, requires a special event permit. Additionally, a special event permit shall be required for any commercial or non-profit group requesting use of any outdoor city facilities, rights-of-way, or parkland within the city.

How do I apply for a special event permit?

Applications for special events must be submitted using the online form on the City of Hermosa Beach website and questions may be directed toward the Department of Community Resources.

Are private events allowed?

All events located on the beach within the commercial zone, the Pier, or Pier Plaza must be open to spectators/general public free of charge. Participant entry fees are permissible.

What is the "Nothing Weekend"?

On at least one weekend during each summer season, the Parks, Recreation and Community Resources Advisory Commission will recommend no special event permits be issued. This means that any application for a special event permit that coincides with the designated "Nothing Weekend" will be asked to change dates for the event to be considered.

How will this policy be enforced?

The special events policy will be strictly enforced by Community Resources Department, Code Enforcement Officers, and the Police Department. Events, either permitted or unpermitted, found to be violating City policy or failing to comply with any of the requirements of the Hermosa Beach Municipal Code may be subject to penalties or fines. Special events, and any of its participants, vendors, or spectators, found to have caused damage or be in violation of any City policy or the Hermosa Beach Municipal Code may be subject to greater deposits, regulation, or restrictions when submitting special event applications in the future.

Where are special events allowed?

To ensure adequate space and resources are available, and to limit potential disturbances to the community, special events are limited to the following locations:

- South of Pier within the Commercial Zone; between 10th Street and the Pier;
- North of the Pier within the Commercial Zone; between the Pier and 15th Street;
- Designated Surf Zone
- The Strand
 - Strand use is only permitted for events continuously moving with no obstruction to public access;
- Pier Plaza;
- Within public right of way (please note that any event within the public right of way is subject to approval by the Chief of Police); and
- The following City parks:
 - Valley Park, 2521 Valley Drive;
 - Community Center, 710 Pier Avenue;
 - Clark Field, 861 Valley Drive;
 - Edith Rodaway Park: 350 Prospect Avenue; and
 - The Greenbelt.

Special event applications for City parks not included above will be considered on a case-by-case basis. Special event permits will not be issued for South Park, 425 Valley Drive, or Noble Park, 1400 The Strand.

Commercial Zone

Use Classifications + Impact Characteristics

Special events are evaluated based on several factors and will be categorized as Impact Level I, II, or III based on the information provided in the special event application. Once the information is submitted and reviewed by the Community Resources Department, City staff will determine the Impact Level of the event using the Impact Characteristics Matrix.

The Impact Level of the event will be used to determine:

- applicable fees;
- deadline for the special event application submittal;
- requirements for pre-event meeting(s) and post event walk through(s); and
- level of review for approval (City staff, Parks, Recreation and Community Resources Advisory Commission and/or City Council).

Impact Characteristics Matrix

If more than one option is applicable, the highest characteristic will be used to determine the impact level.

Characteristic	Impact Level I	Impact Level II	Impact Level III
Total Attendees and Spectators Per Event Day	100-500	501 – 1,999	2,000 or More
Event Location(s)	Park or Beach	The Pier or Pier Plaza	Streets, the Strand, or Public Right of Way
Use of Volleyball Courts and Beach Tennis Courts	None	<ul style="list-style-type: none"> • North Volleyball Courts; or • Beach Tennis Courts 	<ul style="list-style-type: none"> • North and South Volleyball Courts; or • North and South Volleyball Courts and Beach Tennis Courts; or • North Volleyball Courts and Beach Tennis Courts
Event Season(s)	Winter	Spring or Fall	Summer – Peak Season (Memorial Day to Labor Day)
Event Day(s)	Monday - Thursday	Friday, Saturday, or Sunday	Holiday
Total Consecutive Event Days (Including Set-up and Tear-down)	1-2	3-4	5 or More (May not exceed 15)
Additional requests such as Film/Still Photo Permit, Reserved Parking, Fencing, Staging, Street Closures, or Amplified Sound Permit	None	1-2	3 or more
Impact Level	5 or More Applicable = Impact Level I	2 or More Applicable = Impact Level II	2 or more Applicable = Impact Level III

Pass-Through Events

A pass-through event is exactly what the name implies, the event participants pass through the City of Hermosa Beach and the event does not start or end in Hermosa Beach. A special event application is required to be submitted and pass-through events are required to follow the approval process required based on the Impact Level assigned to the event.

Pier Plaza Promotions

The Pier Plaza Promotion option is designed to provide companies or event sponsors a one-day promotional opportunity on Pier Plaza subject to the Pier Plaza Use fee. These events must be strictly commercial product or service promotions and not special events. Companies or sponsors who request approval for this use will be required to submit a special event application. Up to five Pier Plaza Promotions may be approved each calendar year.

Approval Guidelines + Requirements

Event Approval Findings

A special event permit may be issued upon finding that:

1. The applicant reimburses the City for all costs incurred by the City in connection with the event, including public safety, traffic control and monitoring.
2. The number of estimated attendees can be accommodated at the proposed location and surrounding area.
3. The applicant is capable and qualified to manage the event in a competent, professional manner in accordance with all conditions of approval.
4. Adequate provision has been made for satellite parking, shuttle transportation and traffic control (as requested and determined by City staff).
5. Adequate provision has been made for security, crowd control, ingress and egress, and clean-up (as requested and determined by City staff).
6. Adequate provision has been made for trash clean-up and pick-up (as requested and determined by City staff).
7. Adequate provision has been made for additional portable restroom facilities (as requested and determined by City Staff).
8. The total number of days required for the event shall not exceed sixteen consecutive days.
9. The applicant provides required insurance, deposits, bonding and indemnification of the City.

Application Submittal Deadlines and Approval Process

Special event applications must be submitted as follows:

- **New events:** If the new event is an Impact Level I or II, the application must be submitted at least ninety (90) days in advance of the event. If the new event is an Impact Level III, the application must be submitted no later than July 30 for the following calendar year. New events to Hermosa Beach will be subject to a Public Hearing by both the Parks, Recreation and Community Resources Advisory Commission and City Council.
- **Returning Level III events:** Must be submitted no later than July 30 for the following calendar year. Upon recommendation for approval by the Parks, Recreation and Community Resources Advisory Commission and approval by City Council, permits will be processed and issued by the Community Resources Manager.
- **Returning Level II events:** Must be submitted at least ninety (90) days in advance of the event. Upon Parks, Recreation and Community Resources Advisory Commission approval, the Community Resources Manager may process and issue permits. Should the Parks, Recreation and Community Resources Advisory Commission recommend denial of a special event, that decision may be appealed to the City Council.
- **Returning Level I events:** Must be submitted at least thirty (30) days in advance of the event. Level I events will be reviewed, and permits will be issued by the Community Resources Manager. Should the Community Resources Manager recommend denial of a special event, that decision may be appealed to City Council.
 - **Pier Plaza Promotions:** Review and approval of Pier Plaza Promotion events will follow the same approval process as Level I events.

Any returning event to the City that is requesting a significant change to the event format including the location, total event days, or estimated attendance and spectator total may be subject to the application submittal deadlines and approval process outlined for new events at the discretion of the Community Resources Manager.

The Parks, Recreation and Community Resources Advisory Commission and City Council will evaluate and recommend approval of Impact Level III events and a "Nothing Weekend" first, and then will consider approval of Impact Level II events. Then staff will consider approval of Impact Level I events. Events submitted earliest will be given priority for their preferred dates.

Review Timeline	Application Period Opens	Last Day to Submit Application	Parks, Recreation and Community Resources Advisory Commission Review	City Council Review
Impact Level I	October 15 (for following calendar year)	30 days prior to event	n/a	n/a
Impact Level II	October 15 (for following calendar year)	90 days prior to event	Beginning in December	n/a
Impact Level III	July 1 (for following calendar year)	July 30 (for following calendar year)	September Meeting	October Meeting

At the discretion of the Community Resources Manager, special event applications may be submitted for consideration after the application submittal deadline has passed, provided:

- there are unforeseeable circumstances (memorial service, team victory celebration, need for minimal marketing/advertising)
- the event does not exceed Peak Season Event Limits
- the event can still meet all of the event approval findings

The Community Resources Manager and the City's Special Events Team will participate in the review and approval of special event applications submitted after the deadline has passed. The Parks, Recreation and Community Resources Advisory Commission and City Council will receive an update on the status of events submitted after the deadlines.

Event organizers are expected to be present at the Parks, Recreation and Community Resources Advisory Commission and City Council meetings (if required) where their event is scheduled to be reviewed.

Peak Season Event Limits

To balance coastal access with beach events, the Beach, the Strand, and Pier Plaza will be limited to the following number of events during the peak summer season (Memorial Day to Labor Day – approximately 100 days over the summer):

- Maximum of 45 days used by Level III Events
- Maximum of 25 days used by Level I and II Events, and (on days not used by Level III Events) Events under a Long-Term Agreement will be categorized by their Impact Level
- City Sponsored/Contracted Events will be categorized by their Impact Level

The monthly number of event limits for off-peak season (Labor Day to Memorial Day) will be limited to a maximum of 15 days used by events per month. Additionally, only two events per any given day will be permitted in the City.

Simultaneous Use of North and South Volleyball Courts

One side of the North and South of Pier Volleyball courts will be required to remain open for general public use during special events occurring on weekends. An exception may be provided for events that occur at the same time as City-sponsored classes utilizing the North or South of Pier Volleyball Courts or at the discretion of the Parks, Recreation and Community Resources Advisory Commission and City Council.

Impact to Beach Tennis Courts

Any event requesting removal of the Beach Tennis Courts must provide one of the following:

- An event footprint that would allow for at least three of the permanent Beach Tennis Courts to remain for general public use; or
- Temporary Beach Tennis Courts available for general public use.
 - Temporary courts must remain at least 50 feet from the strand wall and shall not block beach access or hinder emergency access onto and from the beach by the Los Angeles County Lifeguards. If temporary courts are provided outside of the Commercial Zone, outside of the event footprint, it is the responsibility of the event producer to set-up and remove the courts daily as they are not permitted to remain overnight.

- o The City and Beach Tennis community would assist with providing the temporary poles and nets to the event producer and provide guidance for installation/removal.

Event Notifications

The Community Resources Department may require event producers to provide written notification to all residents and businesses within a 500-foot radius of the event site. The City shall provide the notice, which shall include the date and time of the event and the telephone number of the designated event representative. Said written notice shall be provided to the surrounding residents and businesses by the event representative not less than 1 week prior to the event. Additionally, new event requests for locations outside of the Beach or downtown area, require event notifications to be posted at the event site leading up to the scheduled Public Hearing to provide the community additional notice of the proposed new event.

Pre/Post Event Meetings

Pre-event meetings and post-event walkthrough/evaluations with City staff and event producers may be required.

A "pre-event meeting" may be scheduled anytime between 3 months to several weeks prior to the actual event date as determined by City staff. The goal of this meeting is to provide information to all City Departments involved or impacted by the event. The Community Resources Department may require any event to have an "on-site meeting" prior to the event and a final site map must be presented at this time. City staff may require multiple meetings if the event details require further discussion or if additional information is requested. First-time events that expect to be recurring events may also be required to attend a "post-event meeting." The Community Resources Department will invite representatives from other City Departments to these meetings, which are involved or affected by the event.

Permits may also specify a time for a "post-event walkthrough" where the applicant, event coordinator, or an authorized representative of the applicant is required to be present, as staff will walk through the site and assess the condition it was left in. Failure to participate in pre or post meeting events, may jeopardize your approved event or future events in Hermosa Beach.

Site Plan, Equipment, and Signage

A detailed map schematic must be submitted to move forward with the review and approval process that includes the proposed location of the event, including all temporary facilities, structures, signage, and /or equipment to be erected, ingress and egress, number and type of vehicles and whether existing structures and/or facilities are to be relocated or modified. Events requiring Building, Police, or Fire Department review, must include maps and plans that are drawn to scale.

All recreational activities and set-up of recreational equipment should remain at least 50 feet from the Strand wall. Special considerations may be made for permitted, and City approved recreational events or activities.

All event-related activities and set-up shall not block beach access or hinder emergency access onto and from the beach by the Los Angeles County Lifeguards.

All tents must remain at least 10 feet from the Strand wall.

A parking plan showing the number of public parking spaces to be occupied by the event organizers, the location of satellite parking lots to be used for attendee parking, arrangements for shuttle bus transportation, and plans for publicizing the availability of off-site public parking may be required.

Events that set up bleachers, stages higher than 2' off the ground, fencing or other temporary structures will be subject to review and inspection prior to the start of the event. Accessibility compliance will be required for seating, bleachers or any stages higher than 2' off the ground. Pedestrian access shall be maintained, and a layout plan may be required to ensure proper access and circulation.

Events including promotional signs/banners, a frame signs, and other signage items shall not be placed on City facilities or premises without prior written approval from the City and must include a temporary sign/banner permit and site plan.

Accessibility Plan

It is the applicant's responsibility to comply with all City, County, State and Federal disability access requirements applicable to the event, including the American with Disabilities Act (ADA). All indoor and outdoor sites, activities and programs must be accessible to persons with disabilities.

Amplified Sound

Amplified sound (Public Address system for announcements, etc.) is limited to the hours of 10:00 AM to 9:00 PM for up to a total of four hours in any day. Exceptions may be approved for special events, in conjunction with the special event approval process. Events must comply with the City Noise Ordinance HBMC 8.24 and speakers must be facing westward (towards the ocean) at all times. Event producers are required to obtain an Amplified Sound Permit if the event intends to use a loudspeaker or sound amplifying equipment for the purpose of giving instructions, directions, lectures, or transmitting music. Requests should be noted when submitting a special event application to the Community Resources Department to ensure proper coordination with the Chief of Police. The Chief of Police will consider the following in the issuance of amplified sound permits:

1. The volume and intensity of the noise, particularly as it is experienced within a residence or place of business;
2. Whether the noise is prolonged and continuous;
3. How the noise contrasts with the ambient noise level;
4. The proximity of the noise source to residential and commercial uses;
5. The time of day; and
6. The anticipated duration of the noise

Food, Beverage, or Merchandise Sales

In accordance with HBMC Section 12.20.300, the sale of food, non-alcoholic beverages, or branded merchandise from the event producer on the beach are allowed pursuant to a special event permit approved by the City Council. The sale of any other commodity, merchandise, wares, products, or service on the beach or the strand is not allowed.

Applicant is responsible for obtaining any applicable food or beverage permits. A Temporary Food Permit is required when selling, serving, giving away, or sampling food or consumable products, including water or other beverages, at a public event. Additionally, each food vendor at the event must also have a Temporary Food Permit. Different permits, policies and procedures depend on the classification and the number of days of the event. As part of the food handling requirements, applicants or event organizers are required to include public safety features in the event plans such as hand-washing sinks. The County of Los Angeles Department of Environmental Health issues food permits. It is the responsibility of the applicant to ensure all vendors have current permits.

If the sale of alcohol is included in a special event application (requests for alcohol on the beach will not be approved), approval from the City Council is required and the applicant must request authorization from the State of California Department of Alcohol Beverage Control (ABC). A copy of the ABC License must be provided to the Community Resources Department prior to the issuance of a permit. City departments may place restrictions on the way in which alcohol is managed at a proposed event.

Professional Filming

A Film/Still Photo Permit is required for any event utilizing professional filming or still photo equipment or recording or photographing of activities resulting in commercial use. Information about professional filming permits can be obtained on the City of Hermosa Beach website.

Security

City staff or law enforcement may deem an activity warrants the presence of one or more Police Officers or security personnel and the cost of such services shall be borne by the applicant. Security personnel must be licensed, in uniform and are subject to approval by the City. Proof of obtaining the required security personnel must be provided to the Community Resources Manager at least two (2) weeks prior to the event.

Portable Restrooms + Hand Sanitizing/Sink Facilities

Events may be required to provide portable restrooms and hand-sanitizing/sink facilities. The cost of such services shall be borne by the applicant. The number of portable restrooms and hand-sanitizing/sink facilities required will be determined by City staff and factors such as the event location, total duration of the event, estimated attendance (participants and spectators), season the event takes place and whether food and

beverage will be served will be considered. City staff will designate the location for any portable restrooms and hand-sanitizing/sink facilities required at the event location.

Insurance

At least ten (10) days prior to the event, applicants will provide the City with a certificate of insurance providing liability insurance with the following requirements:

Applicant agrees to furnish the City of Hermosa Beach evidence of comprehensive general liability insurance in the form of a certificate naming "the City of Hermosa Beach, its officers, agents, volunteers, and employees as additional insureds." This exact verbiage is required. Applicant shall notify the City at least thirty (30) days prior to the termination, reduction, cancellation, suspension, modification, or expiration of the policy. Notwithstanding the foregoing, Applicant shall maintain insurance coverage meeting the standards outlined in this Section at all times during the term of the activity or activities for which Applicant submitted its application, as reflected in and permitted by this Agreement. All certificates are subject to approval of the City's Risk Manager.

Coverage shall be at least as broad as Insurance Services Form CG 00 01 covering commercial general liability on an "occurrence" basis, including property damage, bodily injury, death, and personal and advertising injury with limits no less than two million dollars (\$2,000,000) per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this Agreement, or the general aggregate limit shall be twice the required occurrence limit. The City reserves the right to request greater or lesser amounts of insurance coverage.

If the use includes athletic activities, Applicant shall provide evidence of that the commercial general liability insurance includes coverage for injuries to athletic participants and participant accident insurance.

If the Applicant maintains broader coverage and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverage and/or the higher limits maintained. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Event Day Expectations

In order to immediately address any issues or changes that may arise during the course of an event, producers are responsible for:

- Providing a cell phone number upon which City staff may contact the producer
- Being available on-site or providing a designated contact at all times during the event. This includes agreement that producers (or their designated contact) will not actively participate in the event.
- Maintaining copies of all applicable special event permits and any other permits issued by the City of Hermosa Beach on-site during the event.

Applicable Fees

All special events are subject to an application fee, special event category fees and additional fees established by resolution of the City Council and any additional costs incurred by the City on behalf of the event. **Payment of special event fees is due upon receipt. The Community Resources Manager has the discretion to revoke a permit or place a hold on processing future event applications if all applicable fees are not paid in a timely manner.**

Application Fees

Upon review of the special event application, City staff will follow up to the event contact to collect payment of the application fee, which will be due immediately to continue the review and approval process. This fee will not be applied to special event permit fees and is non-refundable.

Special Event Permit Fees

Events are subject to a daily permit fee based on the designated event category level.

Payment of applicable special event permit fees shall be due following event approval and must be submitted at least 10 days in advance of the scheduled event.

Additional Fees

The Community Resources Department will confirm the necessary permits during application review and will coordinate with applicants to secure permits and process fees from the appropriate City departments once the special event is approved by the appropriate review body. Additional fees may be required for:

- the use of Pier Plaza and reservation of City Facilities
- installation of street banners or temporary signs
- reservation/use of public parking spaces

- use of amplified sound
- use of professional filming or still photography
- presence of police, fire, community resources, or paramedic staff on site before, during or after event
- application for business license

Damage Deposit

Monetary deposits, bonds and other security may be necessary to guarantee performance of all required conditions, clean-up and repair of any City property or facilities damaged as a result of the event. Events may be required to submit a deposit to cover any potential damage to City facilities. All or a portion of the deposit may be refunded upon post event inspection or sign-off by Public Works, Chief of Police, or other applicable City staff. Events will be billed for the costs to repair or replace any City property damaged as a result of the event if the damage exceeds the deposit provided.

Refund/Cancellation Policy

Once a permit is approved and issued, the special event permit and additional impact fees may be refunded when written notice is given to the Community Resources Department at least two weeks prior to the event date and provided that no staff services are incurred. If rain is predicted and the decision is made to cancel within two weeks prior to the event, no monetary refund will be given but City staff will work with event producers to re-schedule events to another available date.

Compliance

Environmental Requirements

All events will be required to submit an environmental protection plan showing proposed compliance to reduce environmental impacts as part of the application form. Such measures may include, but shall not be limited to:

- Waste recycling and reduction
- Energy efficiency
- Protection of the marine environment
- Community education opportunities
- Monitoring and reporting compliance with the environmental protection plan

Applicable Codes + Regulations

The City of Hermosa Beach Municipal Code governs the approval, review, and enforcement of special events. The Special Event Policy rules and regulations must be strictly adhered to and all pertinent City Ordinances shall be enforced. The sections of the Hermosa Beach Municipal Code relevant to special events include:

Title 8 – Health and Safety

Fee Waivers

To support qualifying organizations, the City provides special event fee waiver grant opportunities to assist in its success by relieving the financial burden associated with the cost of the City's special event fees. The Special Event Fee Waiver Grant Policy is intended for those events required to complete the annual special event application filing, review, and approval process. Events and organizations that qualify for a long-term agreement or in a City Contract are not bound to the terms of this policy.

Funding Limits

The Parks, Recreation and Community Resources Advisory Commission (Commission) awards grant funding for qualified organizations that have received approval to hold their event in the City of Hermosa Beach. The annual award limit of the Special Event Fee Waiver Grant is approved by the City Council each fall for the upcoming calendar year. Grants will be awarded up to a maximum of \$2,500 per event or a 50% reduction of indirect City special event fees, whichever is the lesser amount.

Awards may only be used toward indirect special event fees charged by the City; direct costs are not eligible for consideration of this grant and organizations are required to pay those in full. A fee worksheet is included in the Fee Waiver Grant Application that further outlines those fees eligible under this grant. The minimum amount of requested special event fee waiver grants must total at least \$250.

Eligibility

In order to be eligible to apply for a Special Event Fee Waiver Grant, the special event must be a returning event to the City and have been successfully approved through its applicable approval process as outlined in the Special Event Policy Guide. Fee waivers will not be considered for new events or events taking place during the Peak Season between Memorial Day and Labor Day. Following approval of a special event, a completed Special Event Fee Waiver Grant Application is required to be submitted to the Community Resources Department at least 60 days prior to the event. Following a review to ensure the completeness of the application, the request will be included on an upcoming meeting of the Commission for its formal review and determination of grant award.

Fee waivers may be granted when the Commission determines that the event is of significant value to the community or to a significant portion of its residents. The organization producing the event must meet the following criteria:

- 1) An organization that is not delinquent on city permits or fees.
- 2) The organization and/or event can demonstrate:
 - a. A community benefit; or
 - b. A positive economic impact as a result of the event.

Applicants will be requested to demonstrate the following:

- A financial need or other economic justification to be considered for a Fee Waiver Grant;
- A positive community benefit through the organization or its event by meeting at least two of the following criteria:
 - a. The organization and/or event serves, involves, and/or promotes Hermosa Beach, its residents, schools, and/or businesses;
 - b. The organization and/or event can demonstrate broad community support and sponsorship;
 - c. The event appeals to a wide segment of community members;
 - d. The organization and/or event enhances the quality of life to the Hermosa Beach community; offering recreational, cultural, social, and or and/or educational activities of interest to the community;
 - e. The organization can demonstrate a commitment to supporting the City's active and healthy lifestyle as a result of the event; and/or
 - f. The organization/and or event addresses an unmet community need.
- A positive economic impact as a result of the event by providing the following information:

- a. If the event is consecutive days, data indicating the total number of participants that utilize overnight lodging in the City of Hermosa Beach; and
- b. Data indicating the participants spending in Hermosa Beach during the duration of the event at any of the businesses in the City of Hermosa Beach.

Additionally, applicants must be able to fully fund their event should they not receive a fee waiver grant and may not be dependent on the fee waiver grant to determine their ability to hold the event.

Events specifically prohibited from receiving a fee waiver grant include those events that:

- Promote, advocate or advance a political message or belief.
- Projects or organizations who have unsatisfactorily fulfilled its obligations from previous fee waiver grants.

Approval

The five (5) member Commission is tasked with reviewing and determining the level of Special Event Fee Waiver Grant award at one of their regular meetings held on the first Tuesday of each month beginning at 7:00pm.

Consideration will include careful review of:

- Special Event Fee Waiver Grant Application.
- Community Benefit Form
- Economic Impact Report
- Successful fulfillment of previously awarded grant obligations.

The Commission's decision to deny grant funding for specific events is appealable by the City Council. The City Council will not consider additional fee waiver considerations in addition to the maximum award amounts allowable through the Special Event Fee Waiver Grant program.

Obligations

Organization receiving grant funding through the Special Event Fee Waiver Grant program will be required to complete the following:

- A formal presentation to the Parks, Recreation and Community Resources Advisory Commission at one of its regular meetings no more than 60-days following the event. The presentation shall include discussion of:
 - Number of attendees.
 - Beneficiary of funds raised by the event (if applicable).
 - Overview of event budget and financial outlook.
 - Overview of the community benefit and/or positive economic impact to the City of Hermosa Beach.

Disqualification

Failure to complete these requirements in accordance with this policy shall automatically disqualify the organization from submitting a future request to receive a Special Event Fee Waiver Grant for the remainder of the current calendar year plus one additional year.

If any information submitted as part of the Special Event Fee Waiver Grant is found to be fraudulent, event approvals already granted for the remainder of the calendar year will be automatically revoked. While the organization will be permitted to reapply for approval of event(s) in the following calendar year, it will no longer be eligible to apply for Special Event Fee Waiver Grants.

Long-term Agreements

The City of Hermosa Beach recognizes the value in hosting a variety of beloved community events that help create a balanced and enjoyable events calendar for its residents. To support and develop a long-term approach to the scheduling of events, eligible events can qualify for a long-term agreement (LTA) with the City.

Eligibility

In order for an organization to be eligible for consideration of a long-term agreement, the event(s) must meet at least three of the following:

- The event(s) must qualify as an Impact Level II or III (per the Impact Worksheet), and at least one of the following:
 - Have a combined estimated total of 5,000 people in attendance; or
 - The event must be at least two (2) consecutive days (including setup and teardown).
- Have held its event in Hermosa Beach for at least three consecutive years
- The event must be produced by an organization that serves, involves, and/or promotes Hermosa Beach's coastal lifestyle, its residents, schools, and/or businesses; and
- The organization or event producer must be able to demonstrate how its programs (outside of those provided at the event) provide a positive impact to the City including enhancements to quality of life to the Hermosa Beach community; or the offering of recreational, cultural, social, and/or educational activities of interest to the community.
- The event can demonstrate:
 - A community benefit; or
 - A positive economic impact as a result of the event.

Applicants will be requested to demonstrate a positive community benefit through the organization or its event by meeting at least two of the following criteria:

- The organization and/or event serves, involves, and/or promotes Hermosa Beach, its residents, schools, and/or businesses;
- The organization and/or event can demonstrate broad community support and sponsorship;
- The event appeals to a wide segment of community members;
- The organization and/or event enhances the quality of life to the Hermosa Beach community; offering recreational, cultural, social, and or and/or educational activities of interest to the community;
- The organization can demonstrate a commitment to supporting the City's active and healthy lifestyle as a result of the event; and/or
- The organization/and or event addresses an unmet community need.

Applicants will be requested to demonstrate a positive economic impact as a result of the event by providing the following information:

- If the event is consecutive days, data indicating the total number of participants that utilize overnight lodging in the City of Hermosa Beach; and
- Data indicating the participants spending in Hermosa Beach during the duration of the event at any of the businesses in the City of Hermosa Beach.

Upon request of an organization whose event does not satisfy one or more of the above eligibility criteria, the City Council may at a regular Council meeting authorize such organization to apply for an LTA where its event provides a demonstrable or differentiated benefit to the community or a service that the City would otherwise be unable to provide.

Term Limits

LTA's shall be for no less than two (2) years but shall not exceed a maximum of three (3) years unless otherwise determined by the City Council.

Procedures

The following steps are required to guide the development and implementation of an LTA:

1. Submittal of an LTA Application and corresponding letter to the Community Resources Department demonstrating how the organization meets the criteria.
2. Review and recommendation for City Council approval by the Parks, Recreation and Community Resources Advisory Commission.
3. Review and approval by the City Council to begin LTA negotiations with staff.
4. LTA negotiations and development.
5. Presentation of the final LTA to the City Council for approval.

Obligations

Organizations whose event(s) are approved through an LTA are required to provide a formal presentation to the Commission at one of its regular monthly meetings no more than 60-days prior AND 60-days following its event(s). The pre-event presentation shall include a general event overview including anticipated number of attendees; an overview of the event footprint and individualized setup; and its anticipated impact(s) to the community, etc. The post-event presentation shall include a general overview including the actual number of attendees; actual impact(s) to the community; and any event struggles and successes, et
