Item: c. REPORT 21-0374 STATUS UPDATE AND DISCUSSION OF OPTIONS FOR
TEMPORARY EXPANDED OUTDOOR DINING AND RETAIL AND TEMPORARY LANE
RECONFIGURATIONS IMPLEMENTED TO HELP BUSINESSES DURING THE COVID-19
PANDEMIC (Environmental Program Manager, Doug Krauss)

eComment: outdoor dining in front of our favorite wellness center is NOT okay!!! I VOTE: Better
management !! True North Cryo and the solution have literally saved my daughters life! Her
health was failing when we brought her here. Now their business is being injured by incompetent
hermosa beach! This city is so incompetent and Negligent. We owe our daughters health to
these studios. True north and 505 salon are locally owned by women. We need to stand together
and help protect them. There are spots being blocked off in front of these businesses (all day)
only to be used for the Italian restaurant 4 doors down. Hermosa beach should be ashamed! I
vote no. I vote better management and I vote for small businesses who gave up their parking
spots to be good neighbors as a temporary solution. Make the cafes share dining decks and
open up more parking I vote against cafes blocking spas and blocking wellness centers.
