Item: a) REPORT 20-0662 HOLD THE PUBLIC HEARING, TABULATE THE BALLOTS AND IF SUFFICIENT BALLOTS ARE RECEIVED, CONSIDER APPROVING THE FINAL ENGINEER'S REPORT AND CREATING THE GREENWICH VILLAGE NORTH UNDERGROUND UTILITIES ASSESSMENT DISTRICT (Public Works Director Marnell Gibson)

eComment: Hi all, I support under grounding. We were willing to pay for Under grounding on palm as well as Hermosa ave. Just walk a few blocks down to Manhattan, go in the alley and look at how clean the area is without ugly poles and electrical lines. What a difference between manhattan and north hermosa. It is to bad this was not done years ago when it cost less. I hate to see what the cost will be in ten years. We need this upgrade for safety as well as upgrading our neighborhood. Ron Newman
