COMMUNITY PARTICIPATION AND SERVICE (Past and Present)

Why do you wish to become a Commission member?

I've lived here for about 20 years so I feel it's overdue. And I figure not as many people will be interested in Public Works, so it will be harder to fill.

What do you feel are the duties and responsibilities of a Commission member?

Evaluate the proposals for city improvements using public funds and report to the City Council.

Do you have any current obligations or responsibilities, which could be construed as a conflict of interest with your being a board/commission member? NO

If yes, please explain below:

It is extremely difficult for me to think of any situation where I would be evaluating anything that could personally affect me or my fortunes.

Please add below or attach a resume with your education, employment, memberships, past activities, and other experience that you feel would qualify you as a Board/Commission member.

Since about 2013 I've been a novelist. I write the science fiction comedy series, Hard Luck Hank.

Additional comments:

I've been in Los Angeles since 1994. About 20 years in Hermosa and 3 years in Manhattan Beach before that. I've lived in the same spot the entire time, about a block up from Martha's/Green Store/Bottle Inn. I own one car that is a 2018 and it has less than 15K miles. So I'm walking, bike riding everywhere. I know the city fairly well.
