

2022/23 Rates

- ⚡ Part of CPA's value proposition is to always have rates that are competitive with SCE.
- ⚡ CPA's Board sets rates annually, effective July 1, to provide rate stability and predictability. Due to market conditions, multiple SCE rate changes, and annual volatility in the PCIA, or "exit fee," comparisons can fluctuate over the course of a year.

Energy Product	Typical Residential Bill	Typical Small Business Bill	Comparison to SCE base
SCE base rate	\$172	\$251	
Lean Power	\$171	\$250	-1%
Clean Power	\$172	\$251	0%
100% Green Power	\$177	\$269	3%
