Dear Council Members:

As it is becoming unlikely that I will make tonight's meeting, I am writing to you in support of Ordinance No. 15-1356, as written. I believe now is the time to act on this important ordinance, which is closely aligned with State Law, likely to soon take effect. I believe that it is important for us to take a leadership position as a community and make the choice to enact the ban now.

Thank you for your time.
