## New eComment for City Council Meeting (Closed Session - 6:00 PM and Regular Meeting - 7:00 PM)

Dency Nelson submitted a new eComment.

Meeting: City Council Meeting (Closed Session - 6:00 PM and Regular Meeting - 7:00 PM)

Item: [6d](#)) REPORT 18-0308 COMMENT LETTER IN RESPONSE TO THE DRAFT ENVIRONMENTAL IMPACT REPORT FOR THE WEST BASIN MUNICIPAL WATER DISTRICT PROPOSED DESALINATION PLANT (Environmental Analyst Kristy Morris)

eComment: Thank you for considering a letter to the West basin Water district pointing out the many reasons the proposed Desalination Project is both unnecessary and potentially detrimental to our marine environment. The better course is to increase the recycling and reuse of waste water as we are already very successfully doing at the El Segundo facilities. Desal should be the very last resort!
