Re: CrossFit Horsepower  
Public Hearing July 10, 2018

Dear City Council Members,

Our office represents CrossFit Horsepower. We have been informed by our client that the City of Hermosa Beach has set a public hearing on July 10, 2018 regarding CrossFit's Conditional Use Permit. We respectfully request a continuance of this matter for approximately 60 days. I have a conflict the evening of the hearing and we would like the additional time to address the concerns of the City and prepare for the hearing.

We appreciate the cooperation of the Council and look forward to working together towards an amicable resolution for all in this matter.

Yours very truly,

BAKER, BURTON & LUNDY,
