eComment: I support Crossfit Horsepower as well as the amazing team that contribute to helping others each and everyday. CFHP is part of our community and it contributes in so many ways. I have witnessed their attempts to go above and beyond to address the residents complaints even at the cost of losing members. They have sacrificed enough and should get the support from our city council members. I am a resident in HB and would not want to lose such an amazing business, asset and amenity.
