Meeting: City Council Meeting (Closed Session - 6:00 PM and Regular Meeting - 7:00 PM)

Item: b) REPORT 18-0419 NUISANCE ABATEMENT OF PROPERTY AT 725 CYPRESS
(Community Development Director Ken Robertson)

eComment: The main reason I have chosen to be a resident in Hermosa Beach is because of this gym and the community of amazing families associated with it. I have been a member at many other Crossfit gyms around the nation (including in dense cities like NYC and Chicago) and CF horsepower has curbed what it should be allowed to do as an industrial zoned business more than any other gym solely for the sake of its neighbors. The gym is not a public nuisance; and, given how many lives it affects positively everyday, it should be considered the exact opposite. Hermosa Beach should be extremely proud to have this small business as a big part of their community, not entertaining the idea of shutting it down. I strongly urge City Council to vote against declaring Crossfit Horsepower a public nuisance.
