Meeting: City Council Meeting (Closed Session - 6:00 PM and Regular Meeting - 7:00 PM)

Item: 5b) REPORT 18-0419 NUISANCE ABATEMENT OF PROPERTY AT 725 CYPRESS
(Community Development Director Ken Robertson)

eComment: I support Crossfit Horsepower and oppose the declaring Horsepower a "public nuisance." Horsepower has adopted rules and policies to reduce its impact on the neighbors, often sacrificing its ability to operate as a fully functional Crossfit gym. However, the neighbors have taken advantage of the gym's flexibility and goodwill to demand its removal. These residents live next to a manufacturing zone, which includes autobody shops and surfboard shops, and expecting silence is absurd, even when taking into account that they live next to busy 8th Street and are several blocks from the Strand. Despite its current limited capacity, Horsepower is dedicated to teaching and improving anyone who walks through its doors. Horsepower has been a positive influence on many lives, including my own. I am in the best shape of my life and my best friends are members of Crossfit Horsepower. Without the the gym and the Horsepower community, it is unlikely I would spend time in Hermosa Beach. Please end this witch-hunt and stop allowing the neighbors to scapegoat Crossfit Horsepower. The gym is not the culprit, the neighbors are. I and the Crossfit Horsepower community urge you to vote against declaring the gym a "public nuisance."
