(Community Development Director Ken Robertson)

eComment: As a resident of Hermosa Beach in such close proximity to Crossfit Horsepower, I fully support the gym. I appreciate the effort to work with us, the surrounding residents, in order to maintain the peaceful, quiet neighborhood we are fortunate to live in. This gym is a dream come true as an athlete. Being able to have a gym so close to home helps me maintain a healthy lifestyle, and has allowed me to meet others in the community that share my same goals and interests. When I moved to the area, Crossfit Horsepower welcomed me and my fiancé with an incredible sense of community, and for that I am very grateful. The benefits of having the gym here so outweigh the complaints of only a few individuals. Crossfit Horsepower has clearly demonstrated its willingness to cooperate and work with the city and surrounding residents, to make everyone happy and comfortable. For these reasons, I support Crossfit Horsepower fully.
