Item: 5b) REPORT 18-0419 NUISANCE ABATEMENT OF PROPERTY AT 725 CYPRESS
(Community Development Director Ken Robertson)

eComment: I live across the street from Crossfit Horsepower, and have never once been disturbed by noise. The thought of the city closing down a business that promotes health and wellness for its residents is genuinely disappointing. What's the purpose of that area being zoned as industrial if we are preventing businesses from thriving there? I've been to Horsepower several times, and the amount of work they put in to complying with the city is impressive and limiting to their business already. I think the city should allow this gym to help its residents, and not allow the complaints of a small few affect so many.
