Item: 5b) REPORT 18-0419 NUISANCE ABATEMENT OF PROPERTY AT 725 CYPRESS
(Community Development Director Ken Robertson)

eComment: CrossFit Horsepower should be able to continue business just like the other light industrial businesses in the area. As a dedicated member of Horsepower for 3 years, I have watched the gym owners and personnel go above and beyond to appease neighbors who bought homes near a light industrial zone. We haven't dropped weights in years and every effort has been made to be good neighbors. CrossFit Horsepower is a value to the city of Hermosa Beach because it epitomizes what it means to live in the South Bay with the active, healthy, family centered community it has created. One wouldn't buy a home near a school and then say the school is a public nuisance because the bells ring all day, right? Horsepower is working within their rights and should be able to continue doing business.
