Item: 5b) REPORT 18-0419 NUISANCE ABATEMENT OF PROPERTY AT 725 CYPRESS
(Community Development Director Ken Robertson)

eComment: The purpose of this letter is to request that I be heard and considered for the nuisance complaint against my gym, Horsepower Crossfit in Hermosa Beach . I am an active member since 2015 and I frequent the box (Crossfit term for gym) at least 4-5 days a week. With my experience from the very beginning, we've always been told to be respectful of our neighbors; no loud cars in the parking lot, no dropping of weights and we always close our doors, regardless of how hot and humid it could get inside. I've been to a few other Crossfit boxes where it could get pretty gnarly and intense with the workouts that weights, barbells, other equipment are dropped and louder the better! I also want to point out that the latest class is at 7PM and we're out the door by 8ish, definitely not later than most people's bedtime. One of the main reasons I stuck around with Horsepower coming from a long time yogi that at our place is nowhere that term "meathead" mentality where it's so loud and aggressive. Being a Southbay/Redondo Beach resident for more than a decade, we love our community and definitely support our local establishments. Please help us keep our Horsepower Crossfit in Hermosa Beach open. I would welcome for you to visit and enjoy a good workout! Much appreciated.
