Meeting: City Council Meeting (Closed Session - 6:00 PM and Regular Meeting - 7:00 PM)

Item: 2d) REPORT 18-0418 ACTION SHEET OF THE PLANNING COMMISSION MEETING OF JUNE 25, 2018

eComment: I am unable to attend this meeting, but hope you will consider my comments; I live within a block of Serve on 2nd, and my biggest concern is late night noise if the request for extended hours through the week is approved. HBYC and people walking home from the pier provide ample noise already. The owner of this business has filed, and then withdrawn, 3 appeals to the ABC's denial to serve beer and wine until 11PM Monday through Thursday, and I understand has also tried for a full liquor license. Why then is he asking you, now, to be open until 11PM through the week? If you allow those hours he will surely start beating on the ABC again, and who knows? We don't need a bar on that corner. Le Petite Café operated successfully for years there under the current hours and ABC license and patio/outdoor dining regulations, without causing any problems for neighbors, as did Tammie's. Parking will of course be affected even more if you allow the requested up to 39.1% increase in seating, and the local noise/traffic level will go up proportionally as well. Please don't put us southwestern Hermosans in the same boat as people living by the pier found themselves irreparably in years ago. Please don't extend weekday hours. And please keep an eye on this place: something sure feels sneaky about it.
