Re: CrossFit Horsepower
Public Hearing July 10, 2018

To Whom It May Concern:

I am writing with regard to the resolution issued by the City of Hermosa Beach to CrossFit Horsepower following hearing on July 10, 2018. I would like to correct a statement made in the resolution in Section 5, Part A, Due Process. Your resolution states: "On June 25, 2018, counsel for CHG requested a continuance of the hearing. . **Later, that same counsel determined that a professional conflict of interest precluded him from representing CHG.**" (Emphasis added). I request that this last sentence be removed from the resolution as it is incorrect. My request for the continuance was based on a scheduling conflict as I had a prior engagement and was unavailable to attend the hearing on July 10, 2018. I did not, and do not, have a professional conflict.

Yours very truly,
