To: Hermosa Beach City Council Members & Staff

I have spoken to Mayor Duclos in detail about the proposed La La Land event for Hermosa Beach. I think it's an exciting undertaking and something our community can be very proud of. I'm all for an event that celebrates our cities strong history in the Jazz culture.

I believe it's important for our community to pursue events with a smaller footprint during the winter months, when our small businesses can benefit from an increase in foot traffic, and when the police, fire and parking aren't already at their limits.

If the Comedy and Magic Club can assist in any way to help this project come to fruition, please don't hesitate to call.

Sincerely,

Mike Lacey
