## **Non-Profit Special Event Fee Waiver Application - Sandpipers**

*Please identify how your organization benefits the City of Hermosa Beach:*

Sandpipers was founded in Hermosa Beach in 1931 and for the past 85 years has been dedicated to serving the needs of the South Bay through charitable and philanthropic programs. Sandpipers is a 100% volunteer organization whose members are empowered to support the South Bay community with their volunteer time. Our programs benefit underprivileged families and children throughout the South Bay, including Hermosa Beach. Each year, our members participate in the Heal the Bay beach clean-up day in Hermosa and we also support local organizations such as PROJECT Touch which mentors at-risk youth in Hermosa Beach and Meals on Wheels, connecting our members to Hermosa seniors in need.

As a local Hermosa Beach non-profit organization, Sandpipers proudly supports the Hermosa business community. Sandpipers is a member of the Hermosa Beach Chamber of Commerce and we encourage our members to shop and dine locally. In November, we hosted a Hermosa Beach Shopping Day, with 13 local businesses participating.

Sandpipers has over 700 members as well as our approximately 120 high-school aged Junior Sandpipers. These women are dedicated to serving those less fortunate and embody a true sense of community spirit. Sandpipers offers our members opportunities to connect with our local community and to give back to those most in need. Our organization provides a means for civic-minded individuals to grow their leadership skills and to contribute to the community in a meaningful and positive way. As a volunteer organization, 100% of the funds raised by Sandpipers goes directly back to the community.
