Please identify the hardship incurred *(please attach additional pages, if necessary)*:

We have been asked by the city to try this location instead of the community center lawn.
We are hesitant to do so because we don't want to bother Our Lady of Guadalupe's service.
However, we have been asked to explore this option by parks and rec, and so we wanted to make sure we did what they requested. The fee is unfortunately more than we could ever afford to pay because we run on donations.

Please identify how your organization benefits the City of Hermosa Beach as outlined in the criteria below.
Please be specific *(attach additional pages, if necessary)*:

There has been some mention of complaints. Only 2 specifically on the call line. However it was mentioned that there were other complaints on facebook. There are also many positive comments on the facebook page as well.
We had multiple members of the community come out of their houses and join in the Easter celebration extremely excited that this was being offered in the area. It is just normal to hear the complaints louder than compliments in some instances.
Obviously the sunrise is very much what Easter means to a lot of people in the community, and we feel offering this type of event blesses people in the community.

CRITERIA CONSIDERED

The city will consider the following when reviewing a special event fee waiver request:

- Raises funds to supplement City budgeted services.
- Raises funds for programs normally funded by the City.
- Raises funds for Non-Profit groups, which have contributed substantially to the community.
- Nationally or State affiliated program which provides programs for local youth.
- Raises funds for elderly citizens or youth organizations.
