Dear Hermosa Beach City Council and City Manager,

We are aware there is a very important item on tonight's docket—the new law that allows sidewalk vending in California. We see that you have decided to restrict vendors on Hermosa Avenue between 10th-16th and The Strand as well as from operating on the Plaza areas and on the beach and pier. We agree with this decision and urge you to pass this ordinance in a timely manner.

Sincerely,

DHBA
