New eComment for Joint City Council and School Board Meeting

Anne Zaworski submitted a new eComment.

Meeting: Joint City Council and School Board Meeting

Item: 4. 19-0164 NORTH SCHOOL PROJECT (City and School District): • Project Schedule and Next Steps • Memorandum of Understanding Elements • Neighborhood Traffic Management Plan (NTMP)/ Traffic Engineering/Planning Draft Scope of Work

eComment: I would very much appreciate knowing what public notification was undertaken regarding this Agenda Item? Did any residents in the immediate area of North School receive written notification of this meeting and if so when and how? Thank you
