WHEREAS, in 1990 the voters of California passed Proposition 111 and the requirement that urbanized counties develop and implement a Congestion Management Program; and

WHEREAS, the legislature and governor established the specific requirements of the Congestion Management Program by passage of legislation which was a companion to Proposition 111 and is encoded in California Government Code Section 65088 to 65089.10; and

WHEREAS, the Los Angeles County Metropolitan Transportation Authority (Metro) has been designated as the Congestion Management Agency responsible for Los Angeles County's Congestion Management Program; and

WHEREAS, California Government Code Section 65089.3 allows urbanized counties to be exempt from the Congestion Management Program based on resolutions passed by local jurisdictions representing a majority of a county's jurisdictions with a majority of the county's population; and
