APPOINTMENT BY L.A. COUNTY BOARD OF SUPERVISORS

Los Angeles County Beach Commission [February 2017].....(Duclos)

TEMPORARY CITY COUNCIL SUB-COMMITTEES

City-School District Partnership [Formed 05/28/98].....(Massey, Campbell)

Public Communications [Formed 03/13/12].....(Armato, Campbell)

The Mayor and Mayor pro tem were appointed to work with the City's public information firm, Fiona Hutton & Associates, to provide information on the Macpherson Oil settlement, with the subcommittee members changing as the Mayor and Mayor pro tem positions rotate. The Public Communications Subcommittee continues to work with the City's current public information officer, Laura Mecoy.

Downtown Task Force [Added 11/22/16].....(Armato, Massey)

The Downtown Subcommittee was established after a high profile incident occurred on the plaza that resulted in injury to three Hermosa Beach Police Officers. Following that incident, a security company was brought in to supplement the police presence on the plaza. The incident highlighted the finite number of City employees available to interact with and control the often rowdy and intoxicated patrons regularly found in the downtown area during late night hours. A more comprehensive solution needed to be developed, so the Subcommittee has embarked on a review of prior strategies employed downtown and is tasked with identifying and expanding what works, developing new ideas and strategies to enhance the environment and leveraging technology where appropriate to assist with enhancing safety and security.

At the April 10, 2018 meeting, City Council modified the Downtown Enhancement Subcommittee's role to include collaborating with local stakeholders in identifying opportunities to increase daytime patronage and economic vitality throughout the downtown.

CITY OF HERMOSA BEACH

REORGANIZATION OF CITY COUNCIL COMMITTEE DELEGATE AND ALTERNATE APPOINTMENTS

Redondo Beach Development [Formed 03/14/17].....(Armato, Fangary)

The Hermosa Beach Subcommittee was formed to work with Redondo Beach on development issues.

Fiesta Hermosa [Formed 07/25/17].....(Duclos, Armato)

The Fiesta Hermosa subcommittee was established to work in a coordinated effort with staff and the Chamber of Commerce in assessing public input, data and policy considerations related to Fiesta Hermosa events.

Film Permitting/Procedures [Formed 09/12/17].....(Duclos, Armato)

As part of a larger effort to encourage a business-friendly atmosphere, enhance regional marketing/branding of our City and identify potential areas for improved government efficiencies, the City Council has expressed an ongoing interest in the City's film permit trends and current permitting procedures. The subcommittee will work with City Manager on refining a strategic vision regarding filming in the City and to take a refined look at the City's ordinance for that. This an opportunity to recruit residents for their expertise and assistance regarding filming in the City. The subcommittee will return to Council with information and recommendations

Community Theater Management Contract Negotiations [Formed 11/28/17].....(Armato, Duclos)

At the November 14, 2017 meeting, City Council approved the Parks, Recreation and Community Resources Advisory Commission's Community Theater Subcommittee's recommendation to enter into negotiations with Sanford Ventures for the programming and management of the Community Theater. The City Council Subcommittee is responsible for further exploring Sanford Ventures' proposal and negotiating terms to create a proposed contract with staff. The proposed contract will then be presented to City Council for final approval.

Summer Beach Concerts [Formed 03/27/18].....(Armato, Campbell)

The task of the Subcommittee is to review terms of the Summer Beach Concert series agreement and determine next steps.

Leadership Hermosa Beach Class Projects [Formed 05/08/18].....(Massey, Campbell)

The Subcommittee works with representatives from Leadership Hermosa Beach and City staff to identify areas for improved collaboration, establish clear expectations on how class projects can support and align with community needs, and systematize the process for engaging City officials and obtaining necessary approvals for future class projects (including contract standards for maintenance and indemnity).

North School Reconstruction Project [Formed 01/31/19].....(Armato, Massey)

The Subcommittee represents the City on the joint City and Hermosa Beach City School District collaborative to negotiate elements of a Memorandum of Understanding (MOU) between the two parties

CITY OF HERMOSA BEACH

REORGANIZATION OF CITY COUNCIL COMMITTEE DELEGATE AND ALTERNATE APPOINTMENTS

delineating mutually agreed upon outcomes through the North School Reconstruction Project. The Subcommittee is further charged with overseeing the fulfillment of the North School Reconstruction Project Memorandum of Understanding which was executed on February 27, 2019.

Storm Water Infiltration Project [Formed 04/09/19].....(Armato, Massey)

Due to the Redondo Beach Development Subcommittee's (Armato and Fangary) long-standing good relationship with counter parts in Redondo Beach, the Subcommittee's role was modified at the meeting of October 9, 2018 to include issues related to the Storm Water Infiltration Project. The City Council directed the Subcommittee and staff to jointly engage our counterparts in Redondo Beach, and perhaps Torrance, to site the project in Redondo and/or Torrance, at its current volume, or as divided into multiple projects totaling a similar volume. Division of projects may include a project in Hermosa, and/or an expansion of the Hermosa Infiltration Project, which is in the Enhanced Watershed Management Plan. City Council also directed the Subcommittee and staff to report back with progress on that engagement.

On April 9, 2019, Councilmember Fangary suggested that Councilmember Massey take over his roll on the Subcommittee due to Councilmember Massey's intensive knowledge and experience with groundwater. The Subcommittee consisting of Armato and Massey was named the Storm Water Infiltration Project Subcommittee.
