Item: 2k) REPORT 19-0338 RECOMMENDATION TO APPROVE THE SECOND AMENDMENT TO THE PROFESSIONAL SERVICES AGREEMENT WITH M6 CONSULTING, INC. TO CONTINUE LAND DEVELOPMENT ENGINEERING SERVICES (Acting Public Works Director Lucho Rodriguez)

eComment: This comment is about item k) on the Consent Calendar: REPORT 19-0338 - RECOMMENDATION TO APPROVE THE SECOND AMENDMENT TO THE PROFESSIONAL SERVICES AGREEMENT WITH M6 CONSULTING, INC. TO CONTINUE LAND DEVELOPMENT ENGINEERING SERVICES (Acting Public Works Director Lucho Rodriguez) Hermosa Beach should NOT approve a Second Amendment to the existing Professional Services Agreement (PSA) with M6 Consulting, Inc. (M6) for land development engineering services. The base contract with M6 was executed February 23, 2016, and it has been over (3) years since Professional Engineering Services work has been publicly bid. The First Amendment extended the contract with M6 Consulting, Inc., (6) months beyond a (3) year contract for Professional Engineering Services to August 31st 2019. This second Amendment is asking for an additional (4) months to December 31, 2019, almost a year beyond a (3) year commitment with M6. It is time for a public bid on future Professional Engineering Services.
