Subject: Bypassing Fangary

Mayor Campbell,

If it's true the city passed a motion that effectively bypassed the normal mayor Pro-tem rotation; and did so without giving the public a chance hear any debate on the underlying reasons or offer public comment in advance of the decision, well that's a bad decision that whether it runs afoul of the brown act or not, that decision should be reviewed. .

I'm sure most citizens believe decision to select councilman Massey as mayor pro-tem should be **vacated** until it can be agendized and debated in the open session and the public is given a chance to speak on this.

Dear Ms Yang.

Please include this as a written communications to the next available open session.
