Subject: Planning Commission - Hotel Hermosa

I am unable to be at the Planning Commission Meeting tonight but want to show my support for moving ahead and approving Hotel Hermosa requests.

This is the third time they have been asked to meet requirements and I'm not sure why there is always something new added.

Their team representatives are very professional and cooperate.

Also, I believe some of the police calls are from the hotel requiring issues on the street, in an attempt to be a good neighbor.

Please consider supporting this request.
