## New eComment for City Council Special Meeting (City Council Declaration of an Emergency with Attendant Orders)

Ryan Schon submitted a new eComment.

Meeting: City Council Special Meeting (City Council Declaration of an Emergency with Attendant Orders)

Item: 1. REPORT 20-0167 CITY COUNCIL DECLARATION OF AN EMERGENCY WITH ATTENDANT ORDERS

eComment: This is obviously a rubber stamp meeting and this is going to pass... What is the formal process to extend this past March 28? The city should be proactive and schedule a follow up meeting on March 26 to discuss extending this Proclamation in full rather than go back to normal on a Saturday/Sunday and then have this discussion again on Monday March 31st. If not in full, it should be extended under modified circumstances and that expectation should be set now. Based on the circumstances of what we are dealing with it makes absolutely no sense to close businesses for 12 days and then just go back to business as usual and potentially suffer a setback. At a minimum, I implore the city to ban all live entertainment and any "events" (music, DJ's etc.) until Friday May 1st. Hermosa Beach as a destination for outside tourists needs to be limited. The city council's first and foremost responsibility is the health and safety of its residents; the city should operate as such and proceed with more caution than may seem necessary at this time.
