Subject: Declaration of Emergency

Honorable Members of the Hermosa Beach City Council:

I understand the necessity to take action, however I urge to carefully think about negative consequences and weigh them before making your decision.

The supermarket shelves are empty, and for many residents food from restaurants is the only option. Based on all the information I have, this emergency may last two months or longer. I certainly don't have sufficient food at home for that length of time. I urge you to do everything possible to keep restaurants operating.

I support the options of allowing restaurants to provide takeout, delivery of meals, or reduce occupancy. Whatever it takes to keep them operating.

Please do not force them to close.

Respectfully,

Varoujan Jinbachian
