Anny,

We are being forced to not work and most clients due to lock down do not house calls. If I can't work I can't pay my rent to my boss nor at home. I can't get a personal loan either so I'm not exactly sure what we're supposed to do. I will be forced to quit my job as a hairstylist if we are forced to pay money we don't have! I hope y'all vote in everyone's favor so we can all go back to work after this is done!

Thank you!
Lexy Orms
