PLEASE HELP,

Please help save my job! I will not be able to keep my job at salon 505 if I keep getting charged rent. I do not make money without clients and now I owe money. Its heartbreaking that we wouldn't get a break, or any kind of discount in rent during these times.

Please everyone needs to be in this together and try to help where we can. Let's keep this salon alive and all our jobs.

However we can get the help we will take it!!
