New eComment for City Council Special Meeting

John Sprouse submitted a new eComment.

Meeting: City Council Special Meeting

Item: 1. CONSIDERATION OF MODIFICATION OF EMERGENCY ORDER IN RESPONSE TO COVID-19 PANDEMIC PERTAINING TO THE STRAND AND CITY OFF-STREET AND ON-STREET PARKING FACILITIES (Staff Report will be available on May 21, 2020)

eComment: I support full reopening of all businesses, parks, recreation areas, beaches, churches with precautions. The death and hospitalization rates are much lower than originally projected and the approach needs to change accordingly. The economic damage to people is too severe and we can't have you drag your feet any more. The actual data and science is clear. Even the CDC in recent days has reversed course to say the virus is not spread on surfaces, pools or being outside. The emergency is not the virus anymore. The emergency is opening the economy.
