Subject: Comments for tonite meeting.

Hi, I'd like to propose the following to help open the strand while still keeping it safe.

1. No bikes at all. All bikes can use the bike path or street.
2. Like grocers that are trying to keep safe, the most at risk (seniors and compromised), the strand should be closed from 6-10 am (or some such) for only seniors and compromised to walk. No running during those hours.
3. Runners can only use the strand from 10- 4 pm. Others can walk at that time without limits. After 4 pm, no runners but walkers of any age and condition.
4. Masks are strongly encouraged especially if distances of 6 feet can't be maintained.
5. There have to be fines imposed at least early on or we will all be saying let's just do what we want.

I hope this is helpful. We all want to get opened up but we don't want to have to close again and waste the hard work or risk lives, by opening poorly.

Thanks, Raulee Marcus, 3335 Highland, Hermosa Beach.
