Meeting: City Council Special Meeting

Item: 1. CONSIDERATION OF MODIFICATION OF EMERGENCY ORDER IN RESPONSE TO COVID-19 PANDEMIC PERTAINING TO THE STRAND AND CITY OFF-STREET AND ON-STREET PARKING FACILITIES (Staff Report will be available on May 21, 2020)

eComment: I am fully in support of reopening our strand. LA County has given the green light for all bike paths/strands to be open, please follow our neighboring cities as you have previously stated multiple times you will do. I am NOT in favor of opening our public parking lots. We have seen time and time again the people who come from other cities inland who do not respect our city or our police department. They do not follow the rules in place, they leave their trash all over our streets and cause many issues for residents like cars racing up and down Hermosa Ave, Manhatta Ave, Monterey Blvd and Herondo at all hours of the night. I am also in favor of following our neighboring city of Manhattan Beach in voting to open our retail businesses as well as fighting against the blanket requirements for LA County restaurants to re-open. Manhattan Beach has taken a very strong stance to support our local businesses and restaurants, it would be refreshing for Hermosa to stop falling in line and know that based on the data we should be able to reopen restaurants with limited capacity and retailers with the necessary safety rules in place. In summary, please open our strand, retailers, restaurants (not at full capacity) but DO NOT open our public parking lots, especially right before a holiday weekend. Thank you.
