Subject: Recovery measures for gyms

Hello my name is Chris Pascual and I am one of the owners for DEUCE Athletics. We are a gym located on PCH between 6th and 7th street. I was wondering if the City Council is considering to allow gyms to run classes outside at the parks or beaches during this phase of reopening? Our organization is committed to maintaining a safe environment for our members and will adhere to the guidelines set by the City Council if allowed to reopen in open spaces. We appreciate all the hard work you are all doing. Stay safe and thanks again.

Chris Pascual
