Supplemental to Public Participation of Hermosa Beach Special City Council "Virtual" Meeting to be held at 4 PM July 1, 2020.

To: Hermosa Beach City Clerk, City Council, and others.

Could you please clarify at this, your July 1, 2020 Special Meeting that the 3:30 PM portion (Interview of Planning Commission Applicants) of the upcoming July 14, 2020 is to be conducted, recorded, and televised in a similar manner as the 6-PM "virtual" Regular Meeting portion of the July 14, 2020.

I would hope that this is the plan moving forward, and continues when the council returns to conducting meetings in the council chambers, and which btw was the case in the past. There was never any good reason to stop the televising/recording of the applicant interviews meetings.

Also please note, that during the interviews the applicants would of course be kept cloistered, perhaps with their cells turned off, such that each applicant has a fair interview and isn't aware of the questions-to and responses-from prior interviewees.

Thank You,

Howard L. Resident.

Present line-item Granicus posting for the upcoming July 14 Meeting. It's my understanding that the 5:00 PM indicated time after the date is a typo which should be 3:30 PM due to the update of adding the Planning Commission Interviews portion.
