Subject: Fwd: Council agenda for Tuesday July 28th meeting
Date: Monday, July 27, 2020 2:57:04 PM

Please add this to the agenda comment from me, Perhaps I'm mistaken, but I don't see it added to the agenda.

Hi Eddie/Suja

Please post this comment on the upcoming agenda:

The city council agenda has historically been made available to the public at the end of the day on the Thursday before the Tuesday meeting. It is now 12:00 noon and there is no agenda on the city website. Unfortunately, this has become very common in the last several months and any normal person could assume that there is a calculated effort to keep the agenda from the residents for as long as possible. What gives? Are you being instructed to not put the agenda up until the 72-hour legal requirement to do so? The legal requirement is a minimum requirement and should not be used as a tool to keep information from the public. When will the agenda be posted?

Suja: Can you get back to the traditional Thursday night posting and commit to doing that moving forward? If so I will give you a bid HIGH-5 if you can make this happen. Please let me know you received this email.

Sincerely.
