Dictionary

Term	Definition
Assessment	Standard set of questions used to determine a client's vulnerability. The vulnerability is quantified as the client's 'Acuity Score.' There is a separate assessment for each population: Single Adults, Families and Youth. Also known as a VI-SPDAT (Vulnerability Index - Service Prioritization Assistance Tool).
Acuity Score	The numeric outcome of an Assessment, measuring a client's vulnerability while experiencing homelessness. Certain programs and resources are only available to clients with a high enough Acuity Score.
Priority Score	A simplification of the range of Acuity Score values into a scale with scores 1 (Acuity Score 0-4), 2 (Acuity Score 5-7) and 3 (Acuity Score 8-17). Certain programs and resources are only available to clients with high enough Priority Scores. For example, only clients with a Priority Score of 3 are eligible for enrollment in a Housing Navigation program.
CES	Coordinated Entry System; a common set of protocols, including assessments and referrals, used by homeless service providers across Los Angeles County in order to connect people experiencing homelessness to various resources and services more efficiently.
Documentation Ready	A term meaning that a client has secured their California ID, Social Security Card, Verification of Income, and Verification of Homelessness.
DPSS Benefits Enrollment	Assistance with enrollment in appropriate Department of Public Social Services programs including; General Relief, Cal Fresh, Cal Works, etc.
Interim Housing	This section includes Crisis and Bridge Housing. An interim facility is where individuals can be temporarily housed and continue receiving ongoing care for a specific reason, either medical or mental health related including recuperative care. This also includes the 3 tiers of COVID-19 related shelters.
Project RoomKey	COVID-19 Tier 1 - Utilizes hotel/motels for shelter, targeted for asymptomatic people experiencing homelessness (PEH) who are considered high-risk and need shelter. Includes seniors 65+ and/or those with underlying health conditions.
Isolation and Quarentine Site	COVID-19 Tier 2 - Consists of shelters for those who test positive, are symptomatic, or need isolation and quarantine while waiting for test results or access to testing, and PEH who are asymptomatic but may need isolation due to exposure to a COVID-19 positive individual. *Not utilized in this report*
Recreation Center	COVID-19 Tier 3 - LA City and County Recreation Centers utilized as general emergency shelter for asymptomatic PEH.
Referral Made	A request sent to a program to provide services to a client.
Referral Attained	A response to a 'Referral Made,' confirming that the program is able and willing to provide their services to the referred client.

Treatment Programs	Includes linkage to programs for mental health, Detox and substance use, and physical health care.
Stable Housing	Any housing that a client can stay housed in with no time limitation placed on their stay. Also known as Permanent Housing.
