Item: c) REPORT 20-0677 CONSIDERATION OF A HOLIDAY FREE PARKING PROGRAM
(City Manager Suja Lowenthal)

eComment: Hello Hermosa Beach City Council Members, I'm writing today in support of the Hermosa Beach Free Holiday parking program. As the GM of Beach & Beverly and Wicked+, I can tell you that the red bags covering downtown meters from Thanksgiving to Christmas are incredibly important to our success. The festive red bags get everyone into the holiday spirit, they are a positive reminder of the generosity of the city, and they remind our customers that it's time to shop small. If approved, the inclusion of the Free Parking at Red Bagged Meters will be a very important part of our messaging. It gives us something tangible to promote, that businesses, residents and visitors alike all love. This has been an incredibly difficult year and we are doing everything we possibly can to survive this pandemic with our business intact. The holiday season (November/December) represents about 40% our shops' business for the year. We are in competition with all of our neighboring cities, malls and especially this year with online retailers. We need all the help we can get from our city leaders. Please help us to attract and retain our loyal local customers with this wonderful holiday tradition in our town! Thank you, Amanda Browning
