Item: a. REPORT 21-0256 CONSIDERATION OF TEMPORARY SUSPENSION OF HERMOSA
BEACH MUNICIPAL CODE SECTIONS AND RELATED REGULATIONS TO ALLOW LIMITED
MUSIC AT COMMERCIAL ESTABLISHMENTS (City Manager Suja Lowenthal)

eComment: My name is Dave Cavalier, General Manager for DoLA.com, a local online media property with a community of 250k in Los Angeles that specializes in directing our subscribers to the best live events in their communities. It's not new to acknowledge the incredible hurdles music venues, like so many other businesses have endured over the past year being the first to close and likely the last to open. The cultural impact of art is critical to the health of a neighborhood, creating both inspiration as well as safe environments for communities of all walks to gather together. Representing a business that provides a megaphone for these local artists and venues, we need to do all we can to help these resilient neighbors get back to work whether it's on stage, behind the bar, selling tickets or otherwise and allow for these celebratory events and experiences to safely and responsibly begin again as we ease into our new normal. Thank you for your time.
