Item: a. REPORT 21-0256 CONSIDERATION OF TEMPORARY SUSPENSION OF HERMOSA
BEACH MUNICIPAL CODE SECTIONS AND RELATED REGULATIONS TO ALLOW LIMITED
MUSIC AT COMMERCIAL ESTABLISHMENTS (City Manager Suja Lowenthal)

eComment: Many thanks to all the people involved in this effort to bring music back to Hb including our City Mgr & Staff, Council, Chamber, Businesses and Musicians. In addition, and perhaps more important than the many economic benefits music will bring to Hermosa, is the incredible and undeniable HEALING POWER OF MUSIC. We all could use some music healing these days, as is clearly evident from all the heartfelt comments. Here are a few issues and suggestions for consideration: 1) How will the noise issue be handled to minimize competing outdoor music and resident complaints? Perhaps sound decibel meters are the least subjective solution? There are free sound decibel apps that could be used by everyone. It shouldn't matter if the music is amplified or not. 2) Could this ordinance also allow music in outdoor public spaces (such as our parks and beach) where there is more room for more people to enjoy the music and safely spread out? 2) Let's create a Hermosa Music Committee (or whatever we call it) to begin planning NOW for a larger vision of establishing Hermosa as a World Class Destination for Live Music to build community and revitalize our downtown. This group could be a volunteer group of stakeholders including City Staff & Council, Chamber, Businesses, Musicians, Residents, etc. What an incredible opportunity we have in front of us! The time is NOW! Let's do this! Hermosa Strong! Thanks again! Adam Malovani
